### 3001 - RATIONALE FOR DISCUSSION POLICY

In 1975, the State of Indiana passed Public Law 217, establishing by law the rights of teachers to negotiated certain items: "A school employer shall bargain collectively with the exclusive representative on the following: salary, wages, hours and salary, and wage fringe benefits."

In addition to those items to be negotiated, according to Public Law 217: "A school employer shall discuss with the exclusive, representative of certified employees, and may but shall not be required to bargain collectively, negotiate, or enter into impasse procedures on the following matters: working conditions, other than those provided in Section 4 of Public Law 217; curriculum development and revision; textbook selection; teaching methods, selection, assignment, or promotion of personnel; student discipline; expulsion, or supervision of students; pupil-teacher ratio; class size or budget appropriations."

The administration of Wa-nee School recognizes the need for communication with teachers as a means of solving mutual problems and working toward a better school system. The administration and Board welcomes input from teachers when planning changes, additions, or improvements in administrative practice or Board policy.

## 3002 - DISTRICT DISCUSSION COUNCIL

### 3003 - BUILDING DISCUSSION COUNCILS

A Discussion Council shall be established in each school building in the Wa-Nee Community Schools. This Council shall be comprised of the building principal, the building representatives to the Wa-Nee Education Association and other teachers who are members of the Wa-Nee Education Association to represent various grade levels, subject areas, special teachers, etc.

The principal, as chairman, will initiate organization of the Council. Any member of the Council may submit items for the agenda to the secretary until three (3) days before the time of the meeting. The secretary will prepare an agenda to be given all members of the Council at least one (1) day before the meeting. In the event that no items are submitted for a particular meeting, the secretary shall so inform the principal who will then cancel that meeting. The agenda of a meeting can include other items of mutual interest as desired by both parties.

This is especially true when items being discussed seem to be of a District-wide concern, or if it is evident that the suggested change, administration practice, educational program, teaching methods, or curriculum at the building level, would in fact be in conflict with general approved policy and practice on a District-wide basis.

### 3111 - CREATING A POSITION

The Board recognizes the need to establish positions which, when filled by competent, qualified professional staff members, will assist the Corporation in achieving the education goals set by the Board. The Corporation employs only U.S. citizens and others lawfully authorized to work in the United States.

The Superintendent shall verify all new full-time and part-time employees' right to work in the United States according to the Federal Immigration Reform and Control Act of 1986.

The Board reserves the right to:

- A. create new positions;
- B. specify the number of persons to be employed with each job category;
- C. set the initial salary for a new position not currently covered by a valid salary schedule.

In the exercise of its authority to create new positions, the Board shall give primary consideration to:

- A. the number of students enrolled;
- B. the special needs of the community;

## 3112 - BOARD-STAFF COMMUNICATIONS

The Board desires to maintain open channels of communication between itself and the staff. The basic line of communication, will, however, be through the Superintendent.

### A. **Staff Communications to the Board**

All communications from staff members to the Board or its committees shall be submitted through the Superintendent. This procedure is not intended to deny any staff member the right to appeal to the Board on important matters through established procedures.

Significant complaints or communications from teachers, parents, or patrons to individual Board members or to the Board as a whole, will be conveyed to the Office of the Superintendent.

Communications to individual Board members requesting action or a statement of view may be acknowledged. It is recommended that an answer which commits the Board member should be avoided until the full Board has reviewed the issue.

### B. **Board Communications to Staff**

All official communications, policies, and directives of the Board of staff interest and concern to the staff will be communicated through the Superintendent, who shall also keep staff members fully informed of the Board's problems, concerns, and actions.

Statements of a Board member's opinion to any citizen will be clearly identified as an individual opinion which does not necessarily reflect the thinking of the entire Board.

### C. **Social Interaction**

Both staff and Board members share a keen interest in the schools and in education generally, and it is to be expected that when they meet at social affairs and other functions, they will informally discuss such matters as educational trends, issues, and innovations, and general activities of the Corporation. However, since individual Board members have no special authority except when they are convened at a legal meeting of the Board or vested with special authority by Board action, discussions between staff and Board members of personalities or personnel grievances will be considered to be unethical conduct.

## 3113 - CONFLICT OF INTEREST

- A. The maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by School Corporation employees, officers (that is, all members of the School Board), and agents is essential to ensure the proper performance of school business as well as to earn and keep public confidence in the Corporation.

To accomplish this, the School Board has adopted the following guidelines which apply to all Corporation employees, officers (that is, all members of the Board), and agents, to assure that conflicts of interest do not occur. These guidelines are not intended to be all inclusive; nor are they intended to substitute for good judgment.

An employee, officer (that is, any member of the Board), or agent of the Corporation making a recommendation to the Board on a matter to be considered by the Board shall not accept a gift or gratuity from a person or entity having a substantial personal or pecuniary interest in the Board's decision on the matter in accordance with the restrictions and provisions of I.C. 35-44.1-1-4.

2. Employees, officers (that is, all members of the Board), and agents shall not engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, client, or parents of such students or clients in the course of their employment or professional relationship with the Corporation.

Included, by way of illustration rather than limitation are the following:

- a. the provision of any private lessons or services for a fee
- b. the use, sale, or improper divulging of any privileged information about a student or client gained in the course of the employee's employment or professional relationship with the Corporation through his/her access to Corporation records
- c. the referral of any student or client for lessons or services to any private business or professional practitioner if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration for such referrals

business or professional practitioner with whom any employee, officer (that is, any member of the Board), or agent has a financial relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations

3. Employees, officers (that is, all members of the Board), or agents shall not make use of materials, equipment, or facilities of the Corporation in private practice. Examples would be the use of facilities before, during, or after regular business hours for service to private practice clients, or the checking out of items from an instructional materials center for private practice.
  4. Employees, officers (that is, all members of the Board), and agents shall not solicit gifts, travel packages, and other incentives from prospective contractors.
  5. Employees, officers (that is, all members of the Board), and agents shall not participate in the selection, award and administration of any contract to an entity in which they have a pecuniary interest or from which they derive a profit or in which a dependent of the employee, officer (that is, any member of the Board), or agent has a pecuniary interest or from which the dependent derives a profit. "Dependent" includes the employee's spouse; unemancipated child, stepchild or adopted child under the age of eighteen (18); or individual for whom the employee, officer (that is, any member of the Board), or agent provides more than one-half (1/2) of the individual's support during a year. A "pecuniary interest" means an interest in a contract or purchase that will result or is intended to result in an ascertainable increase in the income or net worth of the employee, officer (that is, any member of the Board), or agent or the employee's, officer's (that is, any member of the Board), or agent's dependent who is under the direct or indirect administrative control of the employee, officer, or agent or who receives a contract or purchase order that is reviewed, approved, or directly or indirectly administered by the employee, officer (that is, any member of the Board), or agent.
- B. No conflict of interest will be deemed to be present if the Corporation employee's, officer's (that is, any member of the Board), or agent's interest in the contract or purchase and all other contracts and purchases made by the Corporation during the twelve (12) months before the date of the contract or purchase was \$250 or less.
- C. Should exceptions to this policy be necessary in order to provide mandatory services to students or clients of the Corporation, all such exceptions will be made known to the employee's supervisor, or to the School Board if there is no supervisor, and will be disclosed to the Superintendent **before** entering into any private relationship.

- D. To the extent that the Corporation has a parent, affiliate or subsidiary organization that is not a State, local government or Indian tribe, the Corporation may not conduct a procurement action involving the parent, affiliate or subsidiary organization if the Corporation is unable, or appears to be unable, to be impartial.
- E. Employees, officers and agents must disclose any potential conflict of interest which may lead to a violation of this policy to the Corporation. Upon discovery of any potential conflict of interest, the Corporation will disclose, in writing, the potential conflict of interest to the appropriate Federal awarding agency or, if applicable, the pass-through entity.
- The Corporation also will disclose, in a timely manner, all violations of Federal criminal law involving fraud, bribery or gratuity that affect a Federal award to the appropriate Federal awarding agency or, if applicable, the pass-through entity.
- F. Employees, officers and agents found to be in violation of this conflict of interest policy will be subject to disciplinary action up to and including termination, as permitted by applicable Board policy.

## 3120.06 - SELECTING STUDENT TEACHERS/ADMINISTRATIVE INTERNS

The Board encourages cooperation with State approved colleges and universities in the training of student teachers and administrative interns, because the public school offers an essential ingredient - direct experience with students and teachers at work in the classroom, but certain safeguards have been found to be necessary for the best interests of all concerned.

The Board also authorizes the Superintendent to provide, in cooperation with appropriate colleges and universities, a "field experience" program in order for selected interns to gain first-hand knowledge of and experience in a school environment.

The Superintendent may terminate a teaching program if one or more aspects of the program are not of high quality or meeting Corporation needs or expectations.

## 3122 - NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY

The School Board does not discriminate on the basis of the Protected Classes of race, color, national origin, sex (including transgender status, sexual orientation and gender identity), disability, age, religion, military status, ancestry, or genetic information which are classes protected by Federal and/or State law (collectively, "Protected Classes") occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment.

The Superintendent shall appoint and publicize the name of the compliance officer(s) who is/are responsible for coordinating the Corporation's efforts to comply with applicable Federal and State laws and regulations, including the Corporation's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination or denial of equal access. The compliance officer(s) also shall verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination in Employment Act is provided to staff members and the general public. Any sections of the Corporation's collectively bargained contracts dealing with hiring, promotion, and tenure should contain a statement of nondiscrimination similar to that in the Board's statement above. In addition, any gender specific terms should be eliminated from such contracts.

### **Compliance Officer**

The following person is designated as the Corporation's compliance officer and, as such, shall handle inquiries regarding the nondiscrimination policies of the Corporation and address any complaint of discrimination:

Director of Curriculum & Instruction

1300 N. Main Street

### **Reports and Complaints of Unlawful Discrimination and Retaliation**

Employees are encouraged to promptly report incidents of unlawful discrimination and/or retaliation occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment to an administrator, supervisor, or other Corporation-level official so that the Board may address the conduct. Any administrator, supervisor, or other Corporation-level official who receives such a complaint shall file it with a compliance officer within two (2) business days.

Employees who believe they have been unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, in the Corporation and/or a concurrent criminal complaint will not adversely affect the complaining individual's employment status or opportunity. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

Wa-Nee Community Schools  
Board Policy

The compliance officer will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. The compliance officer(s) shall accept complaints of unlawful discrimination/retaliation directly from any member of the Corporation community or a visitor to the Corporation, and receive complaints that are initially filed with a school building administrator, supervisor or other Corporation-level official. Upon receipt of a complaint, either directly or through a school building administrator, supervisor or other Corporation-level official, a compliance officer will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation), or designate a specific individual to conduct such a process.

The compliance officer will provide a copy of this policy to any person who files a complaint. In the case of a formal complaint, the compliance officer will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of discrimination/retaliation that are reported to them to the compliance officer within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the compliance officers within two (2) business days. Additionally, any Corporation employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Corporation employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the compliance officer or designee must contact the employee within two (2) business days to advise him/her of the Corporation's intent to investigate the wrongdoing.

### **Complaint Procedures**

Any employee who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated at the lowest possible administrative level and in a prompt and equitable manner.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

In accordance with Federal and State law, employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Federal and/or State law pertaining to discrimination in employment.

In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights, the Equal Employment Opportunity Commission, or the Indiana Civil Rights Commission, as well as a concurrent criminal complaint with the law enforcement agency having jurisdiction in the Corporation.

### **Informal Complaint Procedure**

The goal of the informal complaint procedure is to stop quickly inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee or unsuccessful applicant for employment who believes s/he has been unlawfully discriminated or retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment

Wa-Nee Community Schools  
Board Policy  
Series 3000

opportunities, programs and activities, affecting the Corporation environment. This informal procedure is not required as a precursor to the filing of a formal complaint or a concurrent criminal complaint.

The informal process is available only in those circumstances where the parties (the alleged target of the discrimination/retaliation and individual(s) alleged to have engaged in the discrimination) agree to participate in it.

Employees, or unsuccessful applicants for employment, who believe that they have been unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a Corporation employee or any other adult member of the Corporation community against a student will be formally investigated, and a concurrent criminal complaint shall be filed.

As an initial course of action, if an individual feels that s/he is being unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment and s/he is able and feels safe doing so, the individual should tell or otherwise inform the person who engaged in the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The complaining individual should address the alleged misconduct as soon after it occurs as possible. A/The compliance officer is available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so.

An individual who is uncomfortable or unwilling to inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing an informal or a formal complaint and filing a concurrent criminal complaint if s/he desires to do so.

In addition, with regard to certain types of unlawful discrimination, such as sexual discrimination, the compliance officer may advise against the use of the informal complaint process.

An individual who believes s/he has been unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to the compliance officer(s); and/or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to the compliance officer(s) who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide employees who believe they are being unlawfully discriminated/retaliated against with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the individual about how to communicate his/her concerns to the person who allegedly engaged in the discriminatory/retaliatory behavior.

Wa-Nee Community Schools  
Board Policy  
Series 3000  
Certified Staff

- B. Distributing a copy of Policy 3122 Nondiscrimination as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works.
  
- C. If both parties agree, the compliance officer may arrange and facilitate a meeting between the individual claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the compliance officer or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.

The compliance officer will retain all materials that are generated as part of the informal complaint process in accordance with the Board's records retention policy. (See Policy 8310)

### **Formal Complaint Procedure**

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint initially, this formal complaint process shall be implemented.

An individual who believes that s/he has been subjected to unlawful discrimination/retaliation in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment (hereinafter referred to as the "Complainant"), may file a formal complaint, either orally or in writing, with an administrator, the compliance officer(s), Superintendent, or other Corporation-level official, as well as file a concurrent criminal complaint with the law enforcement agency having jurisdiction.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs.

If a Complainant informs an administrator, supervisor, Superintendent, or other Corporation-level official, either orally or in writing, about any complaint of discrimination/retaliation, the employee who is informed of the complaint must report such information to the compliance officer within two (2) business days.

Throughout the course of the process, the compliance officer should keep the parties informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the compliance officer shall ask for such details in an oral interview. Thereafter, the compliance officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.

Wa-Nee Community Schools  
Board Policy  
Series 3000

Upon receiving a formal complaint, the compliance officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person who allegedly engaged in the misconduct. In making such a determination, the compliance officer should consult the Complainant to assess his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the compliance officer may still take whatever actions s/he deems appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the compliance officer, or a designee, will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the compliance officer, or a designee, will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 3122 - Nondiscrimination. The Respondent also must be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the compliance officer, or a designee, will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and,
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the compliance officer, or the designee, shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used (*i.e.*, it is more likely than not that unlawful discrimination/retaliation occurred).

The compliance officer, or the designee, should consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the compliance officer or the designee, the Superintendent must either issue a decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must delineate the additional information that is to be gathered, and such additional investigation must be completed within five (5)

Wa-Nee Community Schools  
Board Policy  
Series 3000  
Certified Staff

business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

If the Superintendent determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the decision of the Superintendent may appeal through a signed written request to the Board within five (5) business days of his/her receipt of the Superintendent's decision.

If the Superintendent is the Respondent, the appeal process will skip the review by the Superintendent and move directly to the Board. In such circumstances, the compliance officer, or the designee, shall prepare and deliver a written report to the Board that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation.

The Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of a written request to appeal. At this meeting, the parties have the right to present evidence, including testimony and/or exhibits, to the Board in support of their position. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee or unsuccessful applicant for employment alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant and the Respondent may be represented, at his/her own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, Equal Employment Opportunity Commission, Indiana Civil Rights Commission, or the filing of a concurrent criminal complaint. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies. Furthermore, the complaint must be investigated even if a separate investigation is being conducted by another agency, including but not limited to the local police department.

### **Privacy/Confidentiality**

The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses to the extent possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed.

All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).

During the course of a formal investigation, the compliance officer or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

### **Remedial Action, Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment by taking appropriate action reasonably calculated to stop and prevent further misconduct.

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant. Such remedial action may include, but is not limited to, counseling services, reinstatement of leave taken due to the discrimination, or other appropriate action.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s), if any.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s), if any.

All sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect. Prior sanctions imposed on the Respondent(s) for similar past conduct shall be considered in determining the appropriateness of the sanction(s) imposed for the present conduct.

The Board may appoint an individual, who may be an employee of the Corporation, to monitor the Respondent to ensure no further discrimination or retaliation occurs. Likewise, the Board may appoint an individual, who may be an employee of the Corporation other than the Respondent, to follow up with the Complainant to ensure that no further discrimination or retaliation has occurred and to take action to promptly address any reported occurrences.

### **Retention of Public Records, Student Records, and Investigatory Records and Materials**

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy **8315**) created and received as part of an investigation, including but not limited to complaints, responses, witness statements, documentary evidence, audio, video and/or digital recordings, handwritten and contemporaneous notes, e-mails related to the investigation and allegations, printouts, letters, determinations, and summaries. The information, documents, ESI, and electronic media (as defined in Policy **8315**) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy **8315**) created or received as part of an investigation shall be retained in accordance with Policy **8310**, Policy 8315, Policy **8320**, Policy 8330 and the Corporation's records retention schedule.

### **Retaliation**

Retaliation against a person who (1) makes a report or files a complaint alleging unlawful discrimination occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment, or (2) participates as a witness in an investigation, is prohibited.

Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten or interfere with any individual because s/he opposed any act or practice made unlawful by Federal or State nondiscrimination laws, made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or

hearing under those laws, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

Individuals found to have engaged in retaliation shall be subject to disciplinary action, up to and including termination of employment or expulsion from school.

**Training**

The compliance officers also will oversee the training of Corporation employees so that all employees understand their rights and responsibilities under Federal and State law and are informed of the Board's policies and practices with respect to fully implementing and complying with the requirements of Federal and State law.

**Notice**

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the compliance officers will be posted throughout the Corporation and published in any Corporation statement regarding the availability of employment, in any staff handbooks, and in general information publications of the Corporation as required by Federal and State law and this policy.

### 3122.01 - DRUG-FREE WORKPLACE

The Board believes that quality education is not possible in an environment affected by drugs. It will seek, therefore, to establish and maintain an educational setting which is free from the use of any controlled substance and alcohol.

The Board shall not permit the manufacture, possession, use, distribution, or dispensing of any controlled substance, and alcohol, and any drug paraphernalia, by any member of the Corporation's professional staff at any time while on Corporation property or while involved in any Corporation-related activity or event. An employee who reports for duty or attends a Corporation-sponsored function after using a controlled substance or consuming alcohol is in violation of the prohibition. Any staff member who violates this policy shall be subject to disciplinary action in accordance with Corporation guidelines and the terms of any collective bargaining agreements, if applicable.

The Superintendent shall establish guidelines that ensure compliance with this policy and that each staff member is given a copy of the standards regarding unlawful manufacture, possession, use, distribution, or dispensing of illicit drugs and alcohol by staff and informed that compliance with this requirement is mandatory. Such guidelines shall provide for appropriate disciplinary actions, if and when needed, which comply with the terms of any negotiated agreement, if applicable.

## 3122.02 - NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify applicants or employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of the person as an employee, based on genetic information. Harassment of a person because of genetic information is also prohibited. Likewise, retaliation against a person for identifying, objecting to, or filing a complaint concerning a violation of this policy is prohibited.

In accordance with Title II of the Genetic Information Nondiscrimination Act of 2008, 42 U.S.C. 2000ff, et seq. and 29 C.F.R. 1635 ("GINA"), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with GINA, applicants and employees are directed not to provide genetic information, including their individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be provided as part of the certification process for FMLA leave, or when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the Board's application for employment process. Employees and applicants for employment shall not be penalized for providing genetic information in good faith in response to a request from a Board employee or agent, unless that applicant or employee refuses to delete the information at the request of the employee or agent of the Board.

The Board recognizes that genetic information may be acquired through commercially and publicly available media including newspapers, books, magazines, periodicals, television shows or the Internet. The Board prohibits its employees and agents including commercial background investigation agents from searching these sources with the intent of finding or obtaining genetic information, or accessing sources from which they are likely to acquire genetic information. If genetic information about an employee or applicant is obtained in error, it shall immediately be redacted and not shared beyond the point of first receipt.

As used in this policy, "genetic information," means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

The term "genetic information" does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family member that is not derived from a genetic test.

As used in this policy, "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detect genotypes, mutations, or chromosomal changes. The term includes any test of a person's DNA/RNA.

If the Board's employees or agents legally and/or inadvertently receive genetic information about an employee or applicant, it shall be treated as a confidential medical record in accordance with law.

The Superintendent shall appoint a GINA Compliance Officer who shall be responsible for overseeing the Board's compliance with this policy and GINA and proposing revisions and additions to this policy as necessary to insure the Board's compliance with GINA. This person shall be responsible for working with the Board's legal counsel to fully implement the requirements of GINA in all activities of the School District. The GINA Compliance Officer shall also verify that proper notice of nondiscrimination for Title II of GINA is

provided to staff members, and that all requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The written warning shall contain the information in the following sample notice:

Genetic Information Nondiscrimination Act of 2008 (GINA) Disclosure Requirement

The Genetic Information Nondiscrimination Act of 2008 or "GINA" prohibits employers and other entities covered by the law, including the Board of the Wa-Nee Community Schools, from requesting or requiring genetic information about an employee or applicant or family member of an employee or applicant, except as specifically allowed by law. To comply with GINA, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Questions concerning compliance with the requirements of GINA may be directed to the GINA Compliance Officer at (574) 773-3131.

## 3123 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of School Trustees prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aides or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the Corporation's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Provided, however, that the Board may offer another contract to the teacher that will be effective if the teacher:

- B. shows proof that thirty (30) days' written notice was delivered by the teacher to the first employer.

A teacher who has entered into a contract with the Board must provide thirty (30) days' written notice if s/he takes a teaching job with another school corporation after the school year has started or less than fourteen (14) days before the day on which the teacher must report for work.

The pay for teachers on extended contracts shall be computed for the period of time involved at the rate per month of the regular school year (nine (9) months) contract. Although computed at the rate of the nine (9) month contract, the total amount will be adjusted according to the ration for the time required for the assignment.

## 3130 - ASSIGNMENT AND TRANSFER

The School Board believes that the appropriate placement of qualified and competent staff is essential to the successful functioning of the Corporation.

The Superintendent shall be responsible for the assignment and transfer of all professional staff members.

Interviews may be granted to interested, qualified (determined by license requirements) applicants currently employed by the Wa-Nee Community School Corporation upon receipt of notification in writing of interest in a transfer or new specific position.

Within the limitations of their qualifications and contractual status, the principal is responsible for assigning the teachers in his/her building to subject matter and grade levels and to classrooms and teaching stations on the basis of the needs of the current year as determined by the school enrollment and the class schedule.

Within the instructional day, each teacher's schedule shall include one (1) period daily or not less than two hundred minutes per week for conferences and instructional planning. If possible, middle school and high school teachers should not have more than three (3) preparations.

The district shall strive to maintain class size in the elementary and middle schools in the range of twenty-five (25) students or less. Class size in the high school should be in keeping with good educational and instructional standards for the type of program involved and the instructional method being implemented.

Before assigning more than the standard teacher assignment or class sizes above the indicated maximum to a teacher, the administration shall confer with the teacher involved regarding the reasons for the intended increase.

Non-instructional duties and responsibilities which are deemed necessary to carry on the regular school program will be assigned, insofar as possible, on a fair and equitable basis.

## 3131 - REDUCTION IN FORCE ("RIF") IN CERTIFICATED STAFF

It is the responsibility of the School Board to employ and retain the certificated staff necessary to effective and efficient implementation of its educational program and the safe operation of its schools.

The Board shall eliminate certificated positions and reduce the number of certificated staff when the Board finds that curricular changes, changes in enrollment, return to duty from leave of a certificated staff member, closing of schools, territorial changes, fiscal reasons or other good cause warrants.

Prior to commencing action to terminate teachers' contracts due to a Reduction in Force, the Board of Education will attempt to make needed adjustments through:

1. Voluntary retirement
2. Voluntary resignations
3. Voluntary transfer of existing staff
4. Leaves
5. Cancellations of teachers' contracts for other statutory reason(s)

### Reduction in Force – Procedures

#### RIF Criteria

The following guidelines will apply only to the probationary and professional teachers in the content area to be reduced when the teaching content area to be reduced has established teachers and probationary and/or professional teachers assigned to the content area.

The cancellation of a teacher's contract due to a decrease in the number of teaching positions shall be determined on the basis of performance. In the teaching content area to be reduced a teacher certificated in the area who is rated less effective will be subject to non-continuance or cancellation before a teacher rated more effective will be subject to the same. The order of effectiveness from least to greatest is as follows:

1. Ineffective,
2. Improvement Necessary,
3. Effective, and
4. Highly Effective.

Teacher effectiveness will be considered over a time frame of the past three consecutive years. If three years of evaluative data is not available, two years or one year of data will be used.

All evaluation information and data used in determining whether or not a teacher is reduced will be the information and data collected while a teacher at this school corporation.

In cases where the teachers' effectiveness categories are the same, the administrator will weigh the following factors before making a determination as to which teacher(s) shall be subject to the cancellation:

1. the numerical rating of the teachers' evaluation
2. the academic needs of the students in the school corporation
3. current instructional leadership roles
4. degrees earned
5. credit hours earned
6. teaching experience
7. any other relevant factors

## 3139 - STAFF DISCIPLINE

The Board believes that standards of conduct for professional employees are necessary to provide students with a positive example of adult behavior and an orderly instructional environment. To this end, the Board has adopted a policy of progressive discipline to be applied except in cases of gross misconduct. In instances of gross misconduct, the purpose of this policy is to consider if the misconduct warrants suspension without pay or termination.

As used in this policy, "progressive discipline" means imposition of the least severe sanction that the Board determines, in its sole discretion, to be likely to prevent a recurrence of the offense. If the Board finds facts that support the use of progressive discipline, the Board may impose a penalty which may include, but not be limited to one or more of the following:

- A. Verbal counseling/oral warning in which a verbal conference between the employee and his/her supervisor is held.
- B. A written warning which is a formal notice of a performance problem or inability to follow established policy. This notice serves as a warning that continued infractions will not be tolerated and may result in recommendation for discharge.
- C. Probation for a period of time determined by the supervisor in connection with the written warning.
- D. Administrative leave with pay.
- E. Suspension without pay imposed in compliance with the applicable Indiana statutes.
- F. Termination imposed in compliance with applicable Indiana statutes.

Exceptions to the principle of progressive discipline contained in this policy may be made in cases in which the Board finds that the interests of students and the school community make the application of the principle of progressive discipline inappropriate. Examples include, but are not limited to the following:

- A. Reporting for duty under the influence of an alcoholic beverage, an illegal drug, or a prescription drug used other than in accordance with a prescription.
- B. Possessing a firearm or weapon while on school property. See Policy 3617 - Weapons.
- C. Possession or use of alcoholic beverages or drugs on school property or at an event sponsored by the Board.
- D. Willful refusal to follow established rules or standards for the conduct of a professional employee, i.e. insubordination.
- E. Theft, fraud, or another violation of criminal law.
- F. Arrest and subsequent conviction of a crime.
- G. Falsification or omission of a material fact in the application for employment by the Board.
- H. Threats of and/or acts of violence to a person or substantial property damage.

- I. Poor professional judgment resulting in a risk of physical harm to a person.
- J. Harassment in violation of Board policy on harassment.

In the event a professional staff member is recommended for suspension without pay or dismissal, the procedures required by Indiana law will be implemented.

## 3140 - RESIGNATION

Pursuant to State law, following submission of a resignation to the Superintendent, the employee may not withdraw or otherwise rescind that resignation. A notice of retirement is functionally equivalent to a resignation and thus falls within the meaning of the word "resignation" for purposes of this policy. The Superintendent shall inform the Board of the submission of that resignation at its next meeting. The Board may choose to accept that resignation, deny that resignation or take any other appropriate action relating to the termination, suspension or cancellation of employment of the person submitting the resignation. A resignation, once submitted, may not then be rescinded unless the Board agrees.

## 3141 - SUSPENSION OF TEACHERS

The Board recognizes its obligation to maintain a working and learning environment that is conducive to the education of students and understands that at times there may be members of the teaching staff who fail to meet the expectation of serving as an exemplar for those students and/or fail to meet their professional responsibilities. In situations in which those charged with supervising professional staff members determine that a suspension of a teacher is needed, whether as part of a system of progressive discipline or for the benefit of students, colleagues, and/or the community, the administration will provide due process as required by Federal law and, if a suspension without pay is sought, comply with the procedure established under State law for the suspension of teachers without pay.

It will be the responsibility of the Superintendent to establish administrative guidelines which ensure that the proper standards have been applied and the proper procedures have been followed when a principal makes a decision to suspend a teacher.

In acting on a principal's preliminary determination that a teacher will be suspended without pay, the Board will be guided by the procedure set out in I.C. 20-28-9-22.

I.C. 20-28-9-22

## 3142 - CANCELLATION OF A TEACHING CONTRACT

The Board recognizes its obligation to employ only those professional staff members best trained and equipped to meet the educational needs of its students. This policy and Policy 3131 – Reduction in Force ("RIF") in Certificated Staff address this obligation, and the Board will continue to employ only those "probationary", "professional", and "established" teachers who meet the performance standards established in the evaluation plan adopted by the Board.

An employment contract may be terminated, upon a majority vote of the Board, for violation of the policies of the Board or for reasons set forth in law. In such cases, the Board shall abide by due process procedures.

It will be the responsibility of the Superintendent to establish administrative guidelines which ensure that the proper standards have been applied and the proper procedures have been followed when a principal makes a preliminary determination that a teacher's contract should be cancelled.

In acting on a principal's preliminary determination that a teacher's contract be cancelled, the Board will be guided by the procedure set out in I.C. 20-28-7.5.

## 3160 - FITNESS FOR DUTY EXAMINATION

The Board reserves the right to require a current employee or applicant for employment (after a conditional offer of employment), to submit to a fitness for duty examination by a qualified healthcare provider to determine the employee or applicant's ability to meet the qualification standards and perform the essential functions of a position an application is being considered for or an employee is performing ("FFD exam"). A FFD examination shall be done in accordance with the Superintendent's guidelines and the examiner shall be provided with specific essential functions of the position in question.

Reports of all FFD examinations shall be delivered to the Superintendent or a named designee, who shall protect the confidentiality of the FFD exam report and its contents. In agreeing to perform the FFD exam, the healthcare provider and the examinee shall agree that no treatment relationship or privileged communication shall occur between the FFD examiner and the applicant or employee. The report of the examiner may be shared with the employee or candidate and made a part of a personnel record on the examinee maintained by the Board. However, the report shall be filed separately from an applicant/employee's other personnel documents so that the report and related documents are accessible only to the Superintendent and specific designees. Failure to protect the confidentiality of a FFD exam report and related documents shall be a basis for discipline of an employee permitting the disclosure.

In the event of a report of a condition that could adversely impact the examinee's performance of an essential function of the position occupied or applied for, the Superintendent shall base a recommendation to the Board on the examinee's employment on the assessment of the healthcare provider who conducted the FFD exam as to whether the examinee will be able to meet the qualification standards and perform or continue to perform the essential functions of the position in question.

Employees and applicants referred for a FFD exam will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act in order to allow the results of the healthcare provider's FFD exam to be released to the Board/Superintendent and to allow the Superintendent to speak to the health care provider who conducted the FFD examination if clarification is needed (see [Form 3160 F2](#)).

In compliance with the Genetic Information Nondiscrimination Act (GINA) and Board Policy 3122.02, a FFD examiner shall be advised not to seek, collect, or report genetic information, including the candidate's family medical history.

The cost of a FFD exam shall be paid for by the Board.

The report of the healthcare provider performing the FFD exam shall be the property of the Board and shall be exempt from disclosure pursuant to the Indiana Access to Public Records Act (I.C. 5-14-3). A FFD exam report and related documents will be maintained in a separate confidential personnel file in accordance with the Americans with Disabilities Act, as amended, and the Genetic Information Nondiscrimination Act (GINA).

## 3161 - UNREQUESTED LEAVES OF ABSENCE

It is the policy of the Board to protect students and employees from the professional staff members who are unable to perform essential job functions with or without accommodation.

The Board may place a professional staff member on an unrequested leave of absence when the staff member is unable to perform assigned duties in conformance with statute and the negotiated, collectively-bargained agreement with or without accommodation.

If the Superintendent believes the staff member is unable to perform essential job functions, the professional staff member will be offered the opportunity to meet to discuss the issues.

If a professional staff member refuses to attend the meeting, the Board may order the professional staff member to submit to an appropriate examination by:

- A. a physician designated and compensated by the Board;
- B. a physician or institution of the professional staff member's choice.

Where the physician designated by the Board disagrees with the physician designated by the professional staff member, the two (2) physicians shall agree in good faith on a third impartial physician who shall examine the professional staff member and whose medical opinion shall be conclusive and binding on the issue of ability to perform assigned duties with or without accommodation. The expenses of a third examination shall be borne by the Board.

The professional staff member will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act (HIPAA) in order to allow the report of the medical examination to be released to the Board/Superintendent and to allow the Superintendent or his/her designee to speak to the health care provider who conducted the medical examination in order to get clarification. Refusal to submit to an appropriate examination or to execute the HIPAA release will be grounds for disciplinary action, up to and including termination.

As required by Federal law and regulation and Board Policy 3122.02, the Superintendent shall direct the provider designated by the Board to conduct the examination not to collect genetic information or provide any genetic information, including the individual's family medical history, in the report of the medical examination.

Pursuant to State law and in accordance with the Americans with Disabilities Act, as amended (ADA) and the Genetic Information Nondiscrimination Act (GINA), the results of any such examination shall be treated as a confidential medical record and will be exempt from release, except as provided by law. If the Corporation inadvertently receives genetic information about an individual who is required to submit to an appropriate examination from the medical provider it shall be treated as a confidential medical record as required by the ADA.

If, as a result of such examination, the professional staff member is found to be unable to perform assigned duties with or without accommodation, the professional staff member may be placed on leave of absence for a reasonable time to heal or until the staff member is able to perform the essential job function, but only for a period not to exceed one (1) year. A professional staff member placed on leave without a written request is entitled to a hearing on that action in accordance with I.C. 20-28-7-3,4,5.

Should a professional staff member refuse to submit to the examination requested by the Board and the professional staff member has exercised his/her rights under the provisions hereinabove set forth, such refusal shall subject the professional staff member to disciplinary action.

## 3170 - SUBSTANCE ABUSE

The Board recognizes alcoholism and drug abuse as treatable illnesses.

A professional staff member having an illness or other problem relating to the use/abuse of alcohol or other drugs will receive the same careful consideration and offer of assistance that is presently extended to professional staff members having any other illness.

The responsibility to correct unsatisfactory job performance or behavior resulting from a substance abuse problem rests with the professional staff member. Failure to do so, for whatever reason, will result in appropriate corrective or disciplinary action as determined by the Board.

No professional staff member will have his/her job security or promotion opportunities jeopardized solely on the basis of his/her request for counseling or referral assistance.

Professional staff members who suspect they may have an alcohol or other drug abuse problem are encouraged to seek counseling and information on a confidential basis by contacting resources available for such service.

Please refer to Board Policy 3122.01 on Drug-Free Workplace for additional requirements for professional staff members.

## 3210 - STAFF ETHICS, ATTITUDES, AND RESPONSIBILITIES

An effective educational program requires the services of men and women of integrity, high ideals, and human understanding. To maintain and promote these essentials, the Board expects all professional staff members to maintain high standards in their working relationships.

The individual teacher shall have freedom with regard to classroom plans, procedures, and presentations in proportion to his/her ability to secure desirable results and so long s/he is not in conflict with the general administrative rules and regulations of the school or the School Corporation, and/or the Indiana Department of Education.

During work hours staff are expected to avoid interruptions which interfere with productive use of instructional time. Personal communications made or received on a wireless communication device, a regular telephone, or network computer can interfere with employee productivity and distract others in the learning environment. Employees are expected to limit personal communications to breaks and lunch periods, and to inform friends and family members of the Board's policy in this regard.

The teacher is expected to make a sincere and honest effort to gain and keep the respect and good will of his/her fellow teachers, the students in his/her classroom and their parents, the administration and the citizens in the school community.

The teacher is responsible for keeping his/her principal informed regarding matters which pertain to his/her teaching and other school responsibilities. S/He is expected to take the initiative in bringing up and discussing with the principal matters which concern the welfare of his/her students or the school, or which might affect his/her effectiveness as a teacher.

Since children are affected by the personality of the teacher as well as what s/he teaches, the teacher's personality must be wholesome, empathetic and stimulating to children. It is expected, therefore, that the personality of the teacher will be characterized by friendliness, poise, emotional stability, patience and a wholesome sense of humor.

Teachers are required to maintain in their personal and social lives, ethical and moral standards that are acceptable, and expected in the school community.

The teacher is expected to identify himself/herself with and participate in professional activities and organizations that will ensure his/her continuous growth.

Teachers are encouraged to participate in school and community activities over and above those stipulated or implied in his/her contract.

Teachers are required to attend promptly all general staff meetings called by the Board, the Superintendent, or the building principal, except when they have been specifically excused by the person calling the meeting. They are also encouraged to attend and participate in meetings called by the officers of their own professional organizations.

Teachers are expected to attend a reasonable number of after-school departmental, grade level, subject area, curriculum study, etc. meetings as called by department chairman, school principals, or Assistant Superintendent of Instruction.

## 3211 - REQUIRED REPORTS AND PROTECTION OF WHISTLEBLOWERS

The Board recognizes that its employees teach its students by example and serve as a role model for students. It therefore requires that they exemplify high standards of honesty and integrity and comply with Indiana and Federal law and Board policies and administrative guidelines in their words and actions. To implement these expectations, the Board requires its employees to report possible violations of these Board standards to their immediate supervisor.

An employee who is aware of words or acts of a Board member or employee that may violate Federal or Indiana law, Board policy, or administrative guidelines shall bring the words or actions to the attention of the employee's immediate supervisor. If the immediate supervisor does not respond within a reasonable time, or the immediate supervisor is the officer or employee whose words or actions are in question, the employee shall make the report required by this policy to the Superintendent. If the words or acts that violate this policy are the Superintendent's words or acts, the report shall be made to the Board president. An employee also may report suspected malfeasance, misfeasance, or nonfeasance by a public officer to the State Board of Accounts.

Employees are subject to disciplinary action, up to and including termination for knowingly or recklessly making a false report under this policy or failing to make a report required by this policy.

After a verbal report of a violation of this policy is made, the immediate supervisor will direct the reporting employee to put the report in writing. If a reporting employee requires assistance in making a written report, the immediate supervisor shall assist the reporting employee.

An employee making a report required by this policy shall be protected from discipline, retaliation, or reprisal for making a report required by this policy as long as the employee had a good faith belief in the truth and accuracy of the information reported at the time of the report. A report in compliance with this policy is not required if the employee confirms that another employee has reported the same words or actions.

## 3213 - STUDENT SUPERVISION AND WELFARE

Professional staff members shall maintain a standard of care for the supervision, control, and protection of students commensurate with their assigned duties and responsibilities and are expected to establish and maintain professional staff-student boundaries that are consistent with their legal, professional and ethical duty of care for students.

The Superintendent shall maintain and enforce the following standards:

- A. A professional staff member shall immediately report to a building administrator any accident, safety hazard, or other potentially harmful condition or situation s/he detects.
- B. A professional staff member shall provide proper instruction in safety matters as presented in assigned course guides.
- C. Each professional staff member shall immediately report to a building administrator knowledge of threats of violence by students.
- D. A professional staff member shall not send students on any personal errands.
- E. A professional staff member shall not associate or fraternize with students at any time in a manner that may give the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity that could be considered abusive or sexually suggestive or involve harmful substances such as illegal drugs, alcohol or tobacco. Any sexual or other inappropriate conduct with a student by any staff member will subject the offender to potential criminal prosecution and disciplinary action by the Board up to and including termination of employment.
- F. If a student approaches a staff member to seek advice or to ask questions regarding a personal problem related to sexual behavior, substance abuse, mental or physical health, and/or family relationship, etc., the staff member may attempt to assist the student by facilitating contact with certified or licensed individuals in the Corporation or community who specialize in the assessment, diagnosis, and treatment of the student's stated problem. Any staff member who determines that a student is in need of services shall report the matter to appropriate authorities. However, under no circumstances should a staff member attempt, unless properly licensed and authorized to do so, to counsel, assess, diagnose, or treat the student's problem or behavior, nor should any such staff member inappropriately disclose personally identifiable information concerning the student to third persons not specifically authorized by law.
- G. A professional staff member shall not transport students in a private vehicle without the approval of the principal, parent and/or guardian.
- H. A student shall not be required to perform work or services that may be detrimental to his/her health.
- I. Staff members shall only engage in electronic communication with students via email, texting, social media and/or online networking media, such as Facebook, Twitter, YouTube, MySpace, Skype, blogs, etc., when such communication is solely and directly related to curricular matters or co-curricular/extracurricular events or activities with prior approval of the principal.
- J. Staff members are prohibited from electronically transmitting any personally identifiable image of a student(s), including video, photographs, streaming video, etc. via email, text message, or

through the use of social media and/or online networking media, such as Facebook, Twitter, YouTube, MySpace, Skype, blogs, etc., unless such transmission has been made as part of a pre-approved curricular matter or co-curricular/extracurricular event or activity such as a school-sponsored publication or production in accordance with Policy **5722**.

Since most information concerning a child in school, other than directory information described in Policy **8330**, is confidential under Federal and State laws, any staff member who shares confidential information with another person not authorized to receive the information may be subject to discipline and/or civil liability. This includes, but is not limited to, information concerning assessments, grades, behavior, family background, alleged child abuse, and any other record information.

Pursuant to the laws of the State and Board Policy **8462**, each professional staff member shall report to the proper legal authorities immediately, any sign of suspected child abuse or neglect.

## 3214 - STAFF GIFTS

The Board discourages the presentation of gifts to professional staff members by students and their parents because it could embarrass students with limited means and gives the appearance of currying favor.

It is the policy of the Board that no professional staff member should expect or accept gifts for carrying out the terms of his/her teaching contract.

If a staff member has provided an unusual amount of extra help for a student and the parents insist on showing appreciation, expression other than money may be accepted.

The Board does recognize, though, that gift-giving to professional staff members at Christmas fits the spirit of the season and gift-giving at the close of an academic year is a part of tradition. At these times, gifts other than money may be accepted; however, teachers should not open gift(s) in class or comment on item(s) in front of students.

Upon the recommendation of the Superintendent, the Board shall consider, as appropriate, the presentation of token gifts to retiring members of the staff who have rendered service for a period of time.

Professional staff members shall not accept any form of compensation from vendors that might influence their recommendations on or raise a conflict of interest with respect to the eventual purchase of equipment, supplies, or services. See also Board Policy **1130** - Conflict of Interest. Furthermore, professional staff members shall not accept any compensation from a vendor after a decision has been made to purchase equipment, supplies, or services from said vendor. In addition, professional staff members who recommend purchases shall not enter into a contractual arrangement with a vendor seeking to do business with the Corporation or a vendor with whom the Corporation is doing business, whereby an individual professional staff member receives compensation in any form for services rendered.

Such compensation includes, but is not limited to cash, checks, stocks, or any other form of securities, and gifts such as electronic devices, discount certificates, travel vouchers, tickets, passes, and other such things of value. In the event that a professional staff member receives such compensation, albeit unsolicited, from a vendor, the professional staff member shall notify the Superintendent, in writing, that s/he received such compensation and the compensation has been returned to the vendor.

A Corporation employee making a recommendation to the Board on a matter to be considered by the Board shall not accept a gift or gratuity from a person or entity having a substantial personal or pecuniary interest in the Board's decision on the matter in accordance with the restrictions and provisions of I.C. 35-44.1-1-3.

## 3215 - USE OF TOBACCO BY PROFESSIONAL STAFF

The Board recognizes that the use of tobacco presents a health hazard can have serious consequences both for the user and the nonuser and is, therefore, of concern to the Board.

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including a cigar, cigarette, pipe, snuff, or any other matter or substance that contains tobacco, as well as electronic, "vapor," or other substitute forms of cigarettes.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco by professional staff members at all times within any facility owned or leased or contracted for by the Board.

The Board also prohibits the use of tobacco anywhere on the campus of any facility owned or leased or contracted for by the Board, including, but not limited to, practice fields, playgrounds, football fields, baseball fields, softball fields, pool areas, soccer fields, tennis courts, and all open areas and will remain in effect at all times. Furthermore, the Board prohibits the use of tobacco in all vehicles owned or operated by the Board, including, but not limited to, school buses, special purpose buses, vans, trucks, and cars.

## 3216 - STAFF DRESS AND GROOMING

The Board believes that professional staff members set an example in dress and grooming for their students to follow. A professional staff member who understands this precept and adheres to it enlarges the importance of his/her task, presents an image of dignity, and encourages respect for authority. These factors act in a positive manner towards the maintenance of discipline.

The Board retains the authority to specify the following dress and grooming guidelines for staff that will prevent such matters from having an adverse impact on the educational process. All professional staff members shall, when assigned to Corporation duty:

- A. be physically clean, neat, and well groomed;
- B. dress in a manner consistent with their professional responsibilities;
- C. dress in a manner that communicates to students a pride in personal appearance;
- D. dress in a manner that does not cause damage to Corporation property;
- E. be groomed in such a way that their hair style or dress does not disrupt the educational process nor cause a health or safety hazard.

T.C. 11/23/15

## 3217 - WEAPONS

The Board prohibits professional staff members from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the Corporation for the purpose of school activities approved and authorized by the Corporation including, but not limited to, property leased, owned, or contracted for by the Corporation, a school-sponsored event, or in a Corporation vehicle; provided, however, that a professional staff member is not prohibited from possessing a firearm or ammunition that is locked in the trunk of the professional staff member's vehicle, kept in the glove compartment of the professional staff member's locked vehicle, or stored out of plain sight in the professional staff member's locked vehicle.

Generally, the possession of a firearm in or on school property, in or on property that is being used by a school for a school function, or on a school bus is a felony (I.C. 35-47-9-2) and is prohibited by Board policy. However, State law permits a person who may legally possess a firearm to maintain that firearm if it is locked in the person's trunk, kept in the glove compartment of the person's locked vehicle, or stored out of plain sight in the person's locked vehicle. This exception does not apply to students unless it is a high school student who is a member of a shooting sports team and the principal has approved the student keeping a firearm concealed in the student's motor vehicle on days the student is competing or practicing as a member of a shooting sports team. This exception also does not apply to former students if the person is no longer enrolled in school due to a disciplinary action within the previous twenty-four (24) months.

The term "weapon" means any object which, in the manner in which it is used, intended to be used, or represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health or safety of persons. Weapons include, but are not limited to, firearms, tasers, handguns, stun guns, guns of any type, including air and gas-powered guns (whether loaded or unloaded), knives, razors, clubs, electric weapons, chemical weapons, metallic knuckles, martial arts weapons, ammunition, and destructive devices (bombs, incendiary, grenade, Molotov cocktail, rocket with a propellant charge of more than four (4) ounces, etc.). A "knife" is defined as "an instrument that: 1) consists of a sharp edge or sharp pointed blade capable of inflicting cutting, stabbing, or tearing wounds; and 2) is intended to be used as a weapon." I.C. 35-47-5-2.5(a)

The Superintendent will report an employee who violates this policy to law enforcement officials. The staff member also will be subject to disciplinary action, up to and including termination, for violation of this policy.

This prohibition does not apply to weapons under the control of law enforcement personnel.

Exceptions to this policy include:

- A. items approved by a principal as part of a class or individual presentation under adult supervision, if used for the purpose of and in the manner approved; (Working firearms and ammunition shall never be approved.)
- B. theatrical props used in appropriate settings;
- C. starter pistols used in appropriate school related sporting events.

Staff members must report knowledge of dangerous weapons and/or threats of violence by students, staff members, or visitors to the principal. Failure to report such information may subject the staff member to disciplinary action, up to and including termination.

### **Definitions:**

## 3310 - FREEDOM OF SPEECH IN NONINSTRUCTIONAL SETTINGS

In situations in which the professional staff member is not engaged in the performance of professional duties s/he should:

## 3362 - ANTI-HARASSMENT

### General Policy Statement

It is the policy of the Board of School Trustees to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment, occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment (hereinafter referred to collectively as "unlawful harassment"). This commitment applies to all School Corporation operations, employment opportunities, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct affects the Corporation environment.

The Board will vigorously enforce its prohibition against unlawful harassment (see definition above), which is based on race, color, national origin, sex (including transgender status, sexual orientation and/or gender identity), religion, disability, military status, ancestry, or genetic information that are classes protected by Federal and/or State civil rights laws (hereinafter referred to as "Protected Classes"), and encourages those within the School Corporation community as well as third parties who feel aggrieved to seek assistance to rectify such problems occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment.

All Corporation employees, including administrators, professional staff and support staff, shall report any incident of alleged unlawful harassment (see definition above) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment that the employee observes or which is reported to the employee.

The Board will investigate all allegations of unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment and, in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects.

Individuals who are found to have engaged in unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment will be subject to appropriate disciplinary action, up to and including termination of employment or expulsion from school.

Furthermore, Corporation employees who fail to report any incident of alleged unlawful harassment (see definition on page 1) occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment that the employee observes or which is reported to the employee also are subject to appropriate disciplinary action, up to and including termination of employment.

For purposes of this policy, "Corporation community" means students, administrators, teachers, and staff, as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Wa-Nee Community Schools  
Board Policy  
Series 3000

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the Corporation community at school-related events/activities (whether on or off Corporation property).

**Other Violations of the Anti-Harassment Policy**

The Corporation also will take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment (see definition on page 1) or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment (see definition on page 1).
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of unlawful harassment (see definition on page 1), when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

**Definitions**

**Bullying**

Bullying rises to the level of unlawful harassment (see definition on page 1) when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students with the intent to harass, ridicule, humiliate, intimidate or harm that/those student(s), and that bullying is based upon sex, race, color, national origin, religion, or disability, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. sexual violence;

- I. theft;
- J. sexual, religious, or racial harassment;
- K. public humiliation; or
- L. destruction of property.

In the bullying context, "harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student that:

- A. places a student in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
- C. has the effect of substantially disrupting the orderly operation of a school.

### **Sexual Harassment**

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, "sexual harassment" is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. sexual violence, including physical and/or sexual assault;
- C. threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs or events, or other conditions of

employment or education may be adversely affected by not submitting to sexual advances;

- D. unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls;
- E. sexually suggestive objects, pictures, videotapes, audio recordings or literature, placed in the work or educational environment, which may embarrass or offend individuals;
- F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;
- H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;
- I. in the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment;
- J. Inappropriate boundary invasions by a Corporation employee or other adult member of the Corporation community into a student's personal space and personal life;
- K. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education or creates a hostile or abusive employment or educational environment.

**NOTE:** Sexual conduct/relationships with students by a Corporation employee or any other adult member of the Corporation community is prohibited, and any teacher, administrator, coach, other school authority, or staff member who engages in certain sexual conduct with a student may be disciplined up to and including termination and also may be guilty of the criminal charge of "sexual battery" as set forth in I.C. 35-42-4-8. In the case of a child under fourteen (14) years of age, the person also may be guilty of "child molesting" under I.C. 35-42-4-3. In the case of a child between the ages of fourteen (14) and sixteen (16), the person also may be guilty of "sexual misconduct with a minor" under I.C. 35-42-4-9. The issue of consent is irrelevant in regard to the latter two (2) criminal charges. Any employee accused of sexual relations with a student may be placed on leave until school administrative proceedings are completed. Proven sexual relationships with a student regardless of the age of the student will initiate the termination process for the employee.

### **Race/Color Harassment**

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's

work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may include but is not limited to conduct directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

**Religious (Creed) Harassment**

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may include but is not limited to conduct directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involving religious slurs.

**National Origin Harassment**

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may include but is not limited to conduct directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

**Disability Harassment**

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may include but is not limited to conduct directed at the characteristics of a person's disabling condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment also may include but is not limited to conduct directed at or pertaining to a person's genetic information.

**Reports and Complaints of Harassing Conduct**

Students, members of the Corporation community and third parties are encouraged to promptly report incidents of unlawful harassment (see definition on page 1) to an administrator, supervisor or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. All Corporation employees, including administrators, professional staff and support staff, shall report any incident of alleged unlawful harassment (see definition on page 1) that the employee observes or which is reported to the employee. Any administrator, supervisor, or other Corporation-level official who receives such a complaint shall file it with the Corporation's Anti-Harassment Compliance Officer at his/her first convenience. Corporation employees who fail to comply with the reporting responsibility shall be subject to discipline, up to and including termination.

Members of the Corporation community or third parties who believe they have been subjected to unlawful harassment (see definition on page 1) by another member of the Corporation community or a third party are entitled to utilize the Board's complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment or participation in educational or extra-curricular programs unless the complaining individual makes the complaint maliciously or with knowledge that it is false. Individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of a reported act of bullying and/or harassment in accordance with Policy 5517.01 – Bullying, the principal or his/her designee believes that the reported misconduct may have created a hostile work or learning environment and may have constituted unlawful harassment (see definition on page 1) based on "Protected Classes" (see definition on page 1), the principal or his/her designee will report the act of bullying and/or harassment to one (1) of the Compliance Officers who shall investigate the allegation in accordance with this policy.

**Anti-Harassment Compliance Officers**

The following individuals serve as "Anti-Harassment Compliance Officers" for the Corporation. They are hereinafter referred to as the "Compliance Officers".

Director of Curriculum & Instruction

1300 N. Main Street

Nappanee, IN 46550

(574) 773-3131

(574) 773-5593

The names, titles, and contact information for the Compliance Officers will be published annually on the School Corporation's web site.

A Compliance Officer will be available during regular school/work hours to discuss concerns related to "unlawful harassment" (see definition on page 1), to assist students, other members of the Corporation community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student.

Any Corporation employee who directly observes unlawful harassment (see definition on page 1) of a student is obligated, in accordance with this policy, to report such observations to one of the Compliance Officers within two (2) business days. Thereafter, the Compliance Officer or designee must contact the student if age eighteen (18) or older, or the student's parents if under the age of eighteen (18) within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or his/her designee to conduct an investigation following all the procedures outlined in this policy for a formal complaint. Additionally, if the alleged harasser is a student, the Compliance Officer or designee must contact the student, if age eighteen (18) or older, or the student's parents if under the age of eighteen (18), within two (2) business days to advise him/her/them of the Corporation's intent to investigate the alleged misconduct, including the obligation of the Compliance Officer or designee to conduct an investigation following all the procedures outlined for a formal complaint. However, all complaints of harassment involving a Corporation employee or any other adult member of the Corporation community against a student will be formally investigated.

The Compliance Officers are assigned to accept complaints of unlawful harassment (see definition on page 1) directly from any member of the School Corporation community or a visitor to the Corporation, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the member of the School Corporation community alleging harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. However, if the alleged harasser is the Superintendent, the recommendations shall be submitted to the Board President.

All Corporation employees must report incidents of unlawful harassment (see definition on page 1) that are reported to them to the Compliance Officer within two (2) business days of learning of the incident.

**Investigation and Complaint Procedure (see Form 3362 F1)**

Any employee or other member of the Corporation community or third party (e.g., visitor to the Corporation) who believes that s/he has been subjected to unlawful harassment (see definition on page 1) may seek resolution of his/her complaint through either the informal or formal procedures as described below. Further, a process for investigating claims of unlawful harassment (see definition on page 1) and a process for rendering a decision regarding whether the claim of unlawful harassment (see definition on page 1) was substantiated are set forth below.

Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1), time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The informal and formal procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.

**Informal Complaint Procedure**

The goal of the informal complaint procedure is to stop inappropriate behavior and/or unlawful harassment (see definition on page 1), and to investigate and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who believes s/he has been unlawfully harassed or retaliated against in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment. This informal procedure is not required as a precursor to the filing of a formal complaint and/or filing a concurrent criminal complaint, and will be utilized only where the parties (alleged target of harassment and alleged harasser(s)) agree to participate in such process.

Employees, other members of the Corporation community, or third parties who believe that they have been subjected to unlawful harassment (see definition on page 1) or retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint procedure.

However, all complaints of unlawful harassment (see definition on page 1) involving a Corporation employee, any adult member of the Corporation community, or a third party against a student will be formally investigated. Similarly, any allegations of sexual violence will be formally investigated.

As an initial course of action, if an individual feels that s/he is being unlawfully harassed (see definition on page 1) and s/he is able and feels safe doing so, the individual should tell or otherwise inform the harasser that the conduct is unwelcome and must stop. Such direct communication should not be utilized in circumstances involving sexual violence. The complaining individual should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) is/are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the harasser of his/her complaint is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

Wa-Nee Community Schools

An individual who believes s/he has been unlawfully harassed (see definition on page 1) may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one of the Compliance Officers; and/or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below on his/her own, or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide employees, other members of the Corporation community or third parties who believe they are being subjected to unlawful harassment (see definition on page 1) with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful harassment, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the individual about how to communicate the unwelcome nature of the behavior to the alleged harasser.
- B. Distributing a copy of the anti-harassment policy as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends.
- C. If both parties agree, the Compliance Officers may arrange and facilitate a meeting between the individual claiming harassment and the individual accused of harassment to work out a mutual resolution. Such a meeting is not appropriate in circumstances involving sexual violence.

While there are no set time limits within which an informal complaint must be resolved, one of the Compliance Officers or a designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint, may file a complaint with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or may file a concurrent criminal complaint with the law enforcement agency having jurisdiction. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.

One of the Compliance Officers or a designee will retain all materials generated as part of the informal complaint process in accordance with the Board's records retention policy (see Policy 8310, Policy 8320 and Policy 8330).

### **Formal Complaint Procedure**

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint initially, the formal complaint process as described below shall be implemented.

The formal complaint process is not intended to interfere with the rights of an employee, other member of the Corporation community, or third party to pursue a complaint of unlawful harassment with the United States Department of Education, Office for Civil Rights (OCR), the Indiana Civil Rights Commission (ICRC) or Equal Employment Opportunity Commission (EEOC), and/or to file a concurrent criminal complaint with the law enforcement agency having jurisdiction.

An individual who believes s/he has been subjected to offensive conduct/unlawful harassment/retaliation hereinafter referred to as the "Complainant", may file a formal complaint, either orally or in writing with a teacher, principal, the Compliance Officer, Superintendent, or other Corporation-level employee. Due to the sensitivity surrounding complaints of unlawful harassment (see definition on page 1) and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, principal, Superintendent, or other Corporation-level employee, either orally or in writing, about any complaint of harassment or retaliation, the employee to whom the complaint is reported must report such information to the Compliance Officer or designee within two (2) business days.

Throughout the course of the process as described herein, the Compliance Officer should keep the parties informed of the status of the investigation and the decision making process.

All formal complaints of unlawful harassment (see definition on page 1) or retaliation must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, offensive conduct/harassment/retaliation; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the alleged harasser. In making such a determination, the Compliance Officer should consult the Complainant to assess his/her agreement to any action deemed appropriate. If the Complainant is unwilling to consent any change that is deemed appropriate by the Compliance Officer, the Compliance Officer may still take whatever actions s/he deems appropriate in consultation with the Superintendent and/or Board Attorney.

Within two (2) business days of receiving the complaint, the Compliance Officer or a designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/unlawful harassment/retaliation.

A principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Contemporaneously, one of the Compliance Officers or a designee will inform the individual alleged to have engaged in the unlawful harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received. The Respondent will be informed about the nature of the allegations and a copy of the Board's anti-harassment policy shall be provided to the Respondent. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, one of the Compliance Officers or a designee will attempt to complete an investigation into the allegations of harassment or retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;

Wa-Nee Community Schools  
Board Policy  
Series 3000  
Certified Staff

- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information, presented by the Complainant, Respondent, or any other witnesses that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation. The Compliance Officer's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used (i.e., it is more likely than not that unlawful discrimination retaliation occurred).

The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer or the designee, the Superintendent must either issue a decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

A Complainant or respondent who is dissatisfied with the decision of the Superintendent may appeal through a signed written request to the Board of School Trustees within five (5) business days of his/her receipt of the Superintendent's final decision.

If the Superintendent is the Respondent, the appeal process will skip the review by the Superintendent and move directly to the Board. In such circumstances, the Compliance Officer, or the designee, shall prepare and deliver a written report to the Board that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful harassment (see definition on page 1) or retaliation.

The Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of a written request to appeal. At this meeting, the parties have the right to present evidence, including testimony and/or exhibits, to the Board in support of their position. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the Corporation community or third party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant and the Respondent may be represented, at his/her own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, Equal Employment Opportunity Commission, Indiana Civil Rights Commission, or the filing of a concurrent criminal complaint. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies. Furthermore, the complaint must be investigated even if a separate investigation is being conducted by another agency, including but not limited to the local police department.

**Privacy/Confidentiality**

The Corporation will employ all reasonable efforts to protect the privacy of the Complainant, the Respondent(s) (that is the individual(s) against whom the complaint is filed), and the witnesses to the extent possible, consistent with the Corporation's legal obligations to investigate, to take appropriate action, and comply with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed.

All Complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the Respondent(s).

During the course of a formal investigation, the Compliance Officer or his/her designee will instruct all members of the Corporation community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

**Remedial Actions, Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against unlawful harassment (see definition on page 1) or retaliation by taking appropriate action reasonable calculated to stop the harassment and prevent further such harassment.

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant. Such remedial action may include, but is not limited to, counseling services, reinstatement of leave taken due to the discrimination, or other appropriate action.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s), if any.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s), if any.

All subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects. Prior sanctions imposed on the Respondent(s) for similar past conduct shall be considered in determining the appropriateness of the sanction(s) imposed for the present conduct.

The Board may appoint an individual, who may be an employee of the Corporation, to monitor the Respondent to ensure no further discrimination or retaliation occurs. Likewise, the Board may appoint an individual, who may be an employee of the Corporation other than the Respondent, to follow up with the Complainant to ensure that no further discrimination or retaliation has occurred and to take action to promptly address any reported occurrences.

### **Retention of Public Records, Student Records, and Investigatory Records and Materials**

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy **8315**) created and received as part of an investigation, including but not limited to complaints, responses, witness statements, documentary evidence, audio, video and/or digital recordings, handwritten and contemporaneous notes, e-mails related to the investigation and allegations, printouts, letters, determinations, and summaries. The information, documents, ESI, and electronic media (as defined in Policy **8315**) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy **8315**) created or received as part of an investigation shall be retained in accordance with Policy **8310**, Policy 8315, Policy **8320**, Policy 8330 and the Corporation's records retention schedule.

### **Retaliation**

Any act of retaliation against a person who has made a report, filed a complaint alleging unlawful harassment, or participated as a witness in a harassment investigation is prohibited.

Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten, or interfere with any individual because the person opposed any act or practice of unlawful harassment (see definition on page 1), or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing pertaining to unlawful harassment, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by Federal or State laws.

Individuals found to have engaged in retaliation shall be subject to disciplinary action, up to and including termination of employment or expulsion from school.

### **Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct**

State law requires any teacher or school employee who knows or suspects that a child under the age of eighteen (18) is a victim of child abuse or neglect to immediately report that knowledge or suspicion to the Department of Child Services, Office of Child Protective Services. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant or the alleged victim, a report of such knowledge must be made in accordance with State law and Board Policy.

If the Compliance Officer or a designee has reason to believe that the Complainant has been the victim of criminal conduct as defined under State law, such knowledge should be reported to local law enforcement.

Any reports made to the local Child Protective Services or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies.

### **Education and Training**

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Compliance Officers will oversee training of Corporation employees and students so that they understand their rights and responsibilities under Federal and State law and are informed of the Board's policies and practices with respect to fully implementing and complying with the requirements of Federal and State law. All training regarding the Board's policy and administrative guidelines and harassment in general will be age and content appropriate.

The Board provides coverage to eligible employees under self-funded group health plans. The Board has established the following self-funded group health plans:

- A. Medical Plan

### 3419.03 - PATIENT PROTECTION AND AFFORDABLE CARE ACT

The School Board acknowledges that the Patient Protection and Affordable Care Act ("ACA") imposes certain obligations upon the School Corporation. Such obligations may include the following:

- A. The Corporation shall notify new employees of health insurance options available through the Health Insurance Marketplace within fourteen (14) days of an employee's employment start date. Sample form notices are available from the U.S. Department of Labor at:

The leave of absence allowed each year may not exceed a total of ten (10) working days.

The staff member may request to substitute any of his/her earned vacation, personal leave, or other paid leave except for paid medical or sick leave available for leave for any part of the ten (10) day period.

After a staff member takes a leave of absence, the staff member shall be restored to:

- A. the position the staff member held before the leave, or
- B. a position equivalent to the position that the staff member held before the leave with equivalent benefits and terms of the negotiated agreement.

The Board shall permit the staff member to continue his/her health care benefits during the leave at the staff member's expense.

Any professional staff member selected by the State Superintendent of Public Instruction as teacher of the year and who agrees to be "ambassador for education" shall be granted a one (1) year professional leave to serve as ambassador during the ambassador's term. During the term of the leave, the Corporation shall continue to provide the professional staff member all benefits of employment with the Corporation other than salary. Following the term of the leave, the professional staff member may return to the Corporation to the same or a comparable position as the staff member held prior to the leave without loss of accrued benefits or seniority.

Any professional staff member granted a leave of absence by the Board shall be considered to have terminated all work with the School Corporation until the completion of the leave. Exceptions may be made by the Superintendent in cases where the best interest of the Corporation might be served.

In accordance with Federal law, the Board shall provide up to twelve (12) weeks of unpaid FMLA leave in any twelve (12) month period to eligible professional staff members for the following reasons:

- A-1. the birth of a child and/or the care of a newborn child within one (1) year of the child's birth;

- C-1. the staff member is needed to care for a spouse, son, daughter, or parent if such individual has a serious health condition; or
- D-1. the staff member's own serious health condition prevents him/her from performing the functions of his/her position.

### **Employee Entitlement to Service Member FMLA**

#### **Leave Entitlement**

Service member FMLA provides eligible employees unpaid leave for one, or for a combination, of the following reasons:

- A-2. A "qualifying exigency" arising out of a covered family member's (spouse, son, daughter, or parent) covered active duty or call to covered active duty in the United States Armed Forces including the National Guard and Reserves. Qualifying exigencies, as defined by Federal regulations, include: 1) short-notice deployment; 2) military events and related activities; 3) childcare and school activities; 4) financial and legal arrangements; 5) counseling; 6) rest and recuperation (maximum fifteen (15) calendar days); 7) post-deployment activities; and 8) caring for a military member's parent who is incapable of self-care when the care is necessitated by the member's covered active duty; 9) additional activities not encompassed in the other categories, but agreed to by the employer and employee. Covered active duty means deployment with the Armed Forces to a foreign country.
- B-2. To care for a covered family member, including next of kin as provided in the statute, who has incurred an injury or illness or aggravation of a pre-existing illness or injury while in the line of duty while on covered active duty in the United States Armed Forces, including the National Guard and Reserves, provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank, or rating. Covered active duty means deployment with the Armed Forces to a foreign country. This leave is also available to care for veterans of the United States Armed Forces, including the National Guard and Reserves, provided the veteran was a service member at any time within the five (5) years prior to the start of the treatment, recuperation or therapy. In accordance with applicable regulations, a veteran's serious injury or illness incurred or aggravated in the line of active duty can also be manifested by: 1) a physical or mental condition with a VA Service Disability Rating of fifty percent (50%) or greater and is the condition precipitating the need

for leave; or 2) a physical or mental condition that substantially impairs the ability to secure or substantially follow a gainful occupation, or would do so absent treatment; or 3) an injury, including psychological, for which the veteran has been enrolled in the Dept. of V.A. Program of Comprehensive Assistance for Family Care Givers.

**Duration of Service Member FMLA**

- A. When leave is due to a "qualifying exigency": An eligible employee may take up to twelve (12) work weeks of leave during any twelve (12) month period. Such leave shall be counted with regular FMLA leave time in calculating the twelve (12) weeks of allowable leave.
  
- B. When leave is to care for an injured or ill service member: An eligible employee may take up to twenty-six (26) work weeks of leave during a single twelve (12) month period to care for the service member who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. This is a one time benefit per service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed twenty-six (26) weeks in a single twelve (12) month period.
  
- C. Service Member FMLA runs concurrent with other leave entitlements provided under Federal, State, and local law.

**General Provisions**

Professional staff members are "eligible" if they have worked for the Board for at least twelve (12) months, **and** for at least 1,250 hours over the twelve (12) months prior to the leave request. All full-time professional staff members are presumed to meet the 1,250 hour requirement if they were employed by the Corporation in this capacity for the preceding twelve (12) months. Months and hours that reservists or National Guard members would have worked if they had not been called up for military service count towards the staff member's eligibility for FMLA leave/Service Member Family Leave. Employment service time may be aggregated when the break in employment service is less than seven (7) years, is for fulfillment of military obligations, or if the employee is subject to recall under a written agreement (NOTE: this includes a collective bargaining agreement). All periods of absence from work due to or necessitated by USERRA-covered service is counted in determining an employee's eligibility for FMLA leave.

Twelve (12) month period is defined as the twelve (12) month period measured forward from the date the staff member's first FMLA leave begins (i.e. the "leave year" is specific to each individual staff member).

For Service Member Family Leave, the use of the twenty-six (26) weeks will be measured forward from the first date on which the employee takes leave.

Serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

- A. inpatient care, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or

Wa-Nee Community Schools

- B. continuing treatment by a healthcare provider, including:
1. a period of incapacity of more than three (3) consecutive calendar days and any subsequent treatment or period of incapacity relating to the same condition that also involves either in-person treatment two (2) or more times by a healthcare provider within thirty (30) days of the first date of incapacity, absent extenuating circumstances beyond the employee's control, or in-person treatment by a healthcare provider on at least one (1) occasion which results in a regimen of continuing treatment under the supervision of a healthcare provider;  
  
The first visit to the healthcare provider must occur within seven (7) days of the first date of incapacity.
  2. any incapacity due to pregnancy or for prenatal care;
  3. any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
  4. a period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective;
  5. any period of absence to receive multiple treatments by a healthcare provider either for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three (3) consecutive days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).
- C. conditions for which cosmetic treatment are administered are not "serious health conditions" unless inpatient hospital care is required or complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomachs, minor ulcers, headaches other than migraines, routine dental or orthodontia problems, periodontal disease, etc., are conditions that do not meet this definition and do not qualify for FMLA leave.

### **Intermittent and Reduced Schedule Leave**

The Superintendent may allow a staff member to take FMLA leave intermittently or on a reduced schedule for the birth, adoption, or foster care placement of a child (see A-1 or B-1 on page one). A staff member may take FMLA leave on an intermittent or reduced-leave schedule when medically necessary for his/her own serious health condition or to care for a spouse, parents, or dependent child with a serious health condition (see C-1 and D-1 on page one). Service Member Family Leave may also be taken on an intermittent or reduced-leave schedule when medically necessary.

The taking of such leave results in the total reduction of the twelve (12) or twenty-six (26) weeks only by the amount of leave actually taken.

Wa-Nee Community Schools  
Board Policy

If the intermittent or reduced-leave schedule is foreseeable based on planned medical treatment or the staff member is taking Service Member Family Leave, the Superintendent may require the staff member to transfer temporarily to an available alternative position which better accommodates recurring periods of leave. The alternative position shall have equivalent pay and benefits but not necessarily equivalent duties. Instructional staff members (i.e. individuals whose principal function is to teach and instruct students in a class, a small group, or an individual setting) who request intermittent leave or a reduced-leave schedule because of reasons (C-1) or (D-1) above or pursuant to Service Member Family Leave and the leave would exceed twenty percent (20%) of the total number of working days over the period of anticipated leave must elect either to:

- A. take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- B. transfer temporarily to an available alternative position offered by the Superintendent for which the instructional staff member is qualified, and that has equivalent pay and benefits and that better accommodates the recurring periods of leave than the staff member's regular position.

**Staff Member Notice Requirement**

Whenever the leave is foreseeable, the staff member shall provide the Superintendent with thirty (30) days notice. If there is insufficient time to provide such notice because of unforeseeable events, the staff member shall provide such notice as soon as possible and practical, generally not later than the next business day after the employee realizes the need for leave. Failure to follow the leave notice requirements may result in delay of obtaining the leave. Employees will still be required to comply with the absence reporting procedures at their buildings.

When planning medical treatment or taking leave pursuant to Service Member Family Leave, the staff member must consult with the Superintendent and make a reasonable effort to schedule the leave so as not to unduly disrupt the regular operation of the Corporation, subject to the approval of the healthcare provider.

**Substitution of Paid Leave**

The staff member may request to substitute (i.e. run concurrently) any of his/her earned or accrued paid leave (e.g. sick leave, personal leave, assault leave, vacation leave, family leave) (per the applicable collective bargaining agreement) for unpaid FMLA leave (see A-1, B-1, and A-2).

The staff member may request to substitute any of his/her earned or accrued paid vacation, personal leave or sick leave (per the applicable collective bargaining agreement) for unpaid FMLA leave provided for either reason (C-1) or (D-1) on page one and B-2 on page two.

The staff member may request to substitute any of his/her earned or accrued paid vacation, personal leave, family leave or sick leave (per the applicable collective bargaining agreement) for unpaid Service Member Family Leave.

If the staff member has not earned or accrued adequate paid leave to encompass the entire twelve (12) week period of FMLA leave or twenty-six (26) week period of Service Member Family Leave, the additional weeks of leave to obtain the twelve (12) weeks of FMLA leave or twenty-six (26) weeks of Service Member Family Leave, the staff member is entitled to shall be unpaid. Whenever a staff member uses paid leave in substitution for unpaid FMLA leave/Service Member Family Leave, such leave counts toward the twelve (12) week/twenty-six (26) week maximum leave allowance provided by this policy.

**Corporation Notice Requirement**

The Superintendent will notify the staff member when the Corporation intends to designate leave as FMLA-qualifying. Such notice may be given orally or in writing and should be given within five (5) business days of the request. When verbal notice is given, it will be followed by written notice within five (5) business days. In

Wa-Nee Community Schools  
Board Policy

the case of intermittent or reduced schedule leave, only one (1) such notice is required unless the circumstances regarding the leave have changed. If the Superintendent does not have sufficient information about the reason for the staff member's use of paid leave, the Superintendent may inquire further to ascertain whether the paid leave is FMLA-qualifying. Once the Superintendent learns that a paid leave is for an FMLA leave-qualifying reason, the Superintendent will notify the staff member within five (5) business days that the paid leave will count toward the staff member's twelve (12) week FMLA-leave entitlement. The notification will indicate whether the employee is required to provide a fitness-for-duty certification to return to work.

**Limits**

In cases in which the Board employs both spouses, the total amount of FMLA leave is twelve (12) weeks for the couple, except when the leave is due to the serious health condition of either spouse or a child. Additionally, the aggregate number of work weeks of leave to which both the husband and wife may be entitled pursuant to this policy is limited to twenty-six (26) work weeks during the single twelve (12) month period provided for in the Service Member Family Leave provision if the leave is taken pursuant to Service Member Family Leave or a combination of general FMLA leave and Service Member Family Leave.

**Certification**

When FMLA leave is taken for the staff member's own serious health condition or to care for a spouse, parents, or dependent child with a serious health condition (see C-1 and D-1 on page one), or Service Member Family Leave is taken, the staff member must provide medical certification from the healthcare provider of the eligible staff member, his/her immediate family member, or the next of kin of the individual. For service member leave, any certification permitted under 29 C.F.R. 825.310 shall be allowed.

The staff member may either:

- A. submit the medical certification to the Superintendent; or
- B. direct the healthcare provider to transfer the medical certification directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

Staff members are not eligible for leave pursuant to this policy if they work elsewhere during leave pursuant to this policy.

In the event the staff member fails to provide medical certification, any leave taken by the employee is not FMLA leave/Service Member Family Leave.

When the need for FMLA leave is foreseeable and at least thirty (30) days' notice has been provided, the staff member must provide the medical certification before the leave begins. When this is not possible, the employee must provide the requested certification to the Superintendent within fifteen (15) calendar days after the staff member requests FMLA leave unless it is not practicable under the circumstances to do so despite the staff member's diligent and good faith efforts.

Any dispute over eligibility for FMLA leave shall be discussed between the employee and Superintendent. The Corporation shall be responsible for maintaining a record of those communications.

The Board reserves the right to obtain, at its expense, the opinion of a second healthcare provider and, in the event of conflict, the opinion of a third healthcare provider whose decision shall be binding and final. The staff member may either:

- A. submit the opinion of the second healthcare provider, and the opinion of the third healthcare provider if applicable, to the Superintendent; or

Wa-Nee Community Schools  
Board Policy

- B. direct the second or third healthcare provider to transfer his/her opinion directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

In the event that the staff member fails to provide the medical opinion of the second or third healthcare provider, if applicable, any leave taken by the staff member is not FMLA leave.

A staff member who takes leave for reason (D-1) on page one, prior to returning to work, must provide the Superintendent with a statement from his/her healthcare provider that s/he is able to resume work.

A staff member seeking to take leave pursuant to reason (A-2 or B--2) above must submit, in a timely manner to the Superintendent, an appropriate certification as described by Federal regulations.

**Return from Leave**

Upon return from any FMLA leave, the Board will restore the staff member to his/her former position or to a position with equivalent employment benefits, pay and conditions of employment. During FMLA leave, the Board shall maintain the staff member's current coverage under the Board's group health insurance program on the same conditions as coverage would have been provided if the staff member had been continuously working during the leave period. If the staff member was paying all or part of the premium payments prior to going on FMLA leave, the staff member must continue to pay his/her share during the leave.

Any leave or return from leave during the last five (5) weeks of an academic term shall be reviewed individually by the Superintendent to minimize disruption to the students' program.

The staff member shall not accrue any sick leave, vacation, or other benefits during a period of unpaid FMLA leave.

The use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of the staff member's leave.

If the staff member fails to return to work at the end of the leave for reasons other than the continuation, recurrence, or onset of a serious health condition that entitles the staff member to leave pursuant to reasons (C-1) or (D-1) above or Service Member Family Leave, or for circumstances beyond the control of the staff member, the staff member shall reimburse the Board for the health insurance premiums paid by the Board during the unpaid FMLA leave period.

A staff member who fraudulently obtains FMLA leave is not protected by this policy's job restoration or maintenance of health benefits provisions.

The Superintendent shall prepare any guidelines that are appropriate for this policy and ensure that the policy is posted properly.

In any areas where discretion is allowed in the implementation of this policy or its guidelines for implementation, such discretion shall be exercised in a non-discriminatory manner. Similarly situated persons shall be treated similarly.

The Superintendent shall provide a copy of the policy to all staff members, and retain a record of how and when the policy was distributed. A notice of Rights and Obligations shall also be provided each time an employee requests FMLA leave or the Corporation has sufficient information to believe that the employee may qualify for FMLA leave.

The approval, denial and administration of leave under this policy will be governed by the Family Medical Leave Act of 1993, as amended, and its published regulations, as applied and interpreted by the Superintendent.

## 3437 - MILITARY SERVICE

The Board recognizes that military service by professional staff members is a service benefiting the entire school community and the Board is committed to supporting this service by providing military leave to eligible professional staff members. The Board reserves the right to establish conditions for leaves of absence for military service and reemployment in compliance with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) as amended and Indiana law.

As used in this policy, "military service" means the performance of duty on a voluntary or involuntary basis in a uniformed service of the United States, including:

- A. Federal active duty including Reserve and Guard members who have been called up;
- B. Federal active duty for training;
- C. Initial federal active duty for training;
- D. Inactive duty drills and annual training;
- E. State active duty for the Indiana National Guard;
- F. Absence from work for an examination to determine a person's fitness for federal or State duty;  
and
- G. Funeral honors duty.

A professional staff member on leave for military service shall receive compensation in accordance with applicable law during the period of leave and shall continue to accrue seniority subject to any applicable collectively bargained agreement during the period of leave for military service. Staff members on leave for military service are entitled to continued health insurance coverage as if they were not on leave during absences for drills and absences for annual training. During leave for drills and annual training of not more than fifteen (15) consecutive or non-consecutive days per calendar year the staff member shall be entitled to continue to receive their pay from the School Corporation and retain their military pay.

For other absences for military service, a staff member may elect to continue health insurance coverage for the staff member and dependents under the following conditions. For periods of up to thirty (30) days of military training or service, the staff member shall be required to pay only the normal staff member share of the premium for this continued coverage. For longer periods of military service, the staff member shall have the option to continue health insurance coverage by paying 102 percent of the full employer and employee premium. If the staff member elects to take this coverage, the right to that coverage ends on the earlier of the day after the deadline for the staff member to apply for reemployment or twenty-four (24) months after the absence for military leave began. A professional staff member on leave for military service is entitled to all additional rights provided to professional staff members for non-military leaves of absence.

A professional staff member's right to re-employment under USERRA is subject to a cumulative five (5) year total for all federal active duty except where the staff member's military obligation is involuntarily extended. Annual training and drills for reserve component and National Guard members are not included in computing the service for purposes of the five (5) year cap.

Where a professional staff member has options as to when to take military leave, the staff member shall make every effort to schedule the leave to minimize the absence from their duties for the School Corporation. Professional staff members shall include a copy of any applicable military orders in their application for leave for military service. The staff member shall submit notice of the need for this leave to the Superintendent or a

designee as soon as the staff member learns of the need for the leave unless giving advance notice is impossible, unreasonable, or precluded by military necessity as determined by the Department of Defense.

Credit for periods of leave for military service by professional staff members for purposes of the Indiana State Teachers' Retirement Fund shall be governed by the statutes applicable to that retirement fund and the rules adopted by the Fund. See Ind. Code 5-10.4-4-8(b).

The validity of payments for job-related expenses shall be determined by the Superintendent.

The Board shall pay the expenses of professional staff members when they attend professional meetings approved in accordance with the policy of this Board and in accordance with the administrative guidelines of the Superintendent.

## 3531 - WORK STOPPAGE

The Board is obligated and committed to provide certain basic services to students participating in Corporation programs. Therefore, if the schools are open and the students are in attendance, those basic services will be provided.

Recognizing the fact that the Corporation, for various reasons, could have a work stoppage, slowdown, or "work to contract", the Board remains committed to providing services to the schools and will fulfill its obligations.

Professional staff members are required at all times to perform their normal duties as assigned by the Superintendent. Professional staff members who fail to perform their duties when so required will be subject to loss of pay and disciplinary measures in accordance with the policies of this Board, the laws of the State, and may be subject to the loss of benefits as well.

## 3535 - TELEWORK

“Telework” is defined as the performance of the essential functions of one’s job description in a work location. Telework is not an entitlement; it is a job assignment for employees to complete their assigned duties and responsibilities from a location other than their assigned school or office.

To be eligible for participation in the telework program an employee’s most recent performance evaluation must have been “meets standards/effective” or equivalent. An employee’s performance when teleworking will be monitored in the same manner as all employees at their assigned school or office.

The following employees may not be eligible for a telework agreement:

- School-based employees when schools are in session. “Schools in session” means any day that students are scheduled to be in class.

### Work Location

The work location must be free of distractions, and the employee must be accessible by email and/or phone during work hours. Employees are required to attend meetings in person when directed by their supervisor.

### Circumstances That May Warrant Teleworking

- 1) The supervisor may authorize employees other than those identified as essential, who would otherwise report to work during emergency school closings, to instead work from an approved work location.
- 2) When schools are closed for the summer break, the supervisor may authorize eligible employees to work from the alternate work location periodically on an agreed-upon schedule if they are not assigned summer school responsibilities.
- 3) Completion of special project work that requires minimal interruptions that is approved by the supervisor.
- 4) Unusual circumstances such as construction, accident, or natural disaster that make the assigned work location inaccessible/uninhabitable.

### Guidelines for Telework

- 1) Telework is not a substitute for appropriate child care. If there is a child in the alternate work location, there must be a qualified adult supervising the child other than the employee for the duration of the agreed-upon work hours.
- 2) Telework may not be used in lieu of taking sick leave.
- 3) Employees approved for telework must comply with all Wa-Nee policies and procedures including contracts and work schedules, and meet all evaluation performance standards.
- 4) Work-related injuries that occur in the alternate work location must be reported to the supervisor and require adherence to the worker’s compensation guidelines.
- 5) Employees are responsible for maintaining and protecting equipment on loan from the employer. Equipment on loan shall be used for work-related purposes only and use is governed by the WCS Acceptable Use Policy.
- 6) Employees are responsible for protecting all data and ensuring compliance with all regulations regarding confidentiality of materials.
