### **COLD WEATHER REMINDER**

Just a reminder that all Woodview students will go outside for recess when the wind chill is above ten degrees. Please be sure to dress your child appropriately. Only children with snow pants, boots and gloves will be allowed to play in the snow. Without these items, they will be restricted to the blacktop area.

Students who must remain inside for health reasons must have a note from their parent or guardian. A note is required for each day, not a “blanket note.” After three (3) days, a note from the doctor is required. **Usually, if a child is too sick to go outside for recess, he/she is too sick to be in school.**

Our 13<sup>th</sup> annual Math-A-Thon fundraiser will be kicking off on Tuesday, January 21<sup>st</sup>. We hope everyone is excited to help raise money for this one-of-a-kind hospital that never turns away a sick child – even if his or her parents cannot pay.

Woodview students have the biggest hearts when it comes to doing for others. We know their parents are a huge part of supporting this effort and we thank you for your participation.

Please encourage your children to get sponsors and complete their Math Funbook. Anyone raising any amount of money receives a certificate of appreciation and students

raising \$50.00 or more earn a St. Jude t-shirt. There are other great prizes when students raise larger amounts of money but the biggest reward is knowing that we have helped pay the cost to save a precious child’s life. If you have internet access please take a moment to visit the [www.stjude.org](http://www.stjude.org) website and learn more about this awesome place we are supporting and the awesome kids who are counting on us to help make them better.

### **NEWS FROM THE NURSE**

We would like to remind parents of the Center for Disease Control recommendations to keep you and your family healthy.

- 1 Practice good hand hygiene by washing your hands often with soap and water especially after coughing or sneezing. Alcohol based hand cleaners are also effective.
- 2 Cover your mouth with a tissue when you cough or sneeze. If you don’t have a tissue, cough or sneeze into your elbow or shoulder, not into your hands.
- 3 Stay home when you are sick and for at least 24 hours after there is no fever without the use of fever-reducing medicine.
- 4 Get your family vaccinated for the seasonal flu.
