Mission Statement

A Tradition of excellence: Preparing today's students for tomorrow's challenges

Introduction

Welcome to Wa-Nee Community Schools. This handbook is intended to outline Wa-Nee Community School's employment practices and policies. This classified handbook summarizes current school corporation salary and benefit information.

By adopting this classified handbook, the Wa-Nee School Board of Trustees has consolidated various employment procedures to aid in administration amongst classified employees. This handbook should be used as a set of guidelines only. The procedures and policies in this handbook may be modified by the Board of Trustees at any time. This handbook supersedes and replaces all prior classified handbooks.

Equal Employment Opportunity

WCS is an equal opportunity employer. Hiring, promotion, transfer, compensation, benefits, discipline, termination and all other employment decisions are made without regard to race, color, religion, sex, sexual orientation, gender identity, age, disability, national origin, citizenship/immigration status, veteran status or any other protected status. WCS will not make any posting or employment decision that does not comply with applicable laws relating to labor and employment, equal employment opportunity, employment eligibility requirements or related matters. Nor will WCS require in a posting or otherwise U.S. citizenship or lawful permanent residency in the U.S. as a condition of employment except as necessary to comply with law, regulation, executive order, or federal, state, or local government contract.

Board Policies

The policies and administrative guidelines of Wa-Nee Community Schools can be found at www.wancee.org in the Bylaws and Policies link under School Board. The specific policies concerning employment are covered in the 4000 series. Classified employees are under the direct supervision of their immediate supervisor and all issues should start with the immediate supervisor.

Employee-At-Will

Employees are employed at the will of the school corporation and are subject to termination at any time, for any reason not prohibited by law, with or without cause or advanced notice.

*except for an employee who is under a contract that specifically exempts the employee from Indiana's employment at will doctrine.

Uniforms

All staff of Wa-Nee Community Schools serves as role models for the students. Wa-Nee Community Schools expects all employees to dress professionally and appropriately relative to their specific job duties and responsibilities.

Custodial, maintenance, cafeteria and bus driver personnel are required to wear a clean WCS uniform daily. Upon employment, for these departments, the school corporation will provide five (5) uniforms. Uniforms are defined by the department administrator. Beyond the original five (5) uniforms, once the uniform is deemed unfit to wear to work, the employee will return the uniform in exchange for a new uniform.

Background Checks & Pre-Employment Drug Screen

WCS conducts background checks on all potential employees. Potential employees are responsible for the cost of an expanded background which meets the federal and state requirements for a school employee. A completed background check is necessary prior to the first day of work.

The Board shall assume responsibility for the costs associated with obtaining one expanded criminal background check per current employee every five (5) years up to a maximum cost of (\$100).

All applicants tentatively selected for a position with the Wa-Nee Community School Corporation will be required to submit to drug screen for illegal drug use prior to appointment. Each applicant shall be notified that appointment will be contingent upon a negative drug test result. Applicants shall be directed to an appropriate collection facility. The School Corporation will pay the cost of the drug screen.

Fair Labor Standards Act (FLSA)

Overtime Compensation –Hourly Employees

Employees covered under the Fair Labor Standard Act (FLSA) must be paid time and one-half their hourly rate when they work more than 40 hours during the defined seven (7) day work week. Overtime rates apply to work permitted or required at the request of the employee or the employee's supervisor. FLSA requires overtime only if the employee works more than forty (40) hours during the seven (7) day work week. If an employee works beyond his/her normal workday and receives comparable time off during that seven (7) day period, the law does not require overtime pay. Hours not worked and not paid, such as unpaid lunch, unpaid approved leave, unpaid vacation, etc. do not count in the forty (40) hours.

Overtime must be approved in advance by immediate supervisor. An employee who becomes aware of a possible need to work additional hours in advance should seek flex-time during the same week as a first option with their supervisor's approval. If flex-time is not an option due to work circumstances, overtime must be approved by supervisor. All overtime shall be paid at the rate of one and one half the regular hourly rate. Overtime is granted for work beyond 40 actual hours worked per week.

Defined Work Week

Work week is defined as the seven (7) day period beginning 12:00 midnight Sunday through 11:59 p.m. Saturday.

Employee Service Records

Record of Time

Each employee is required to have a record of hours worked. All hourly employees are expected to clock in and clock out. Time records are legal documents, employees need to ensure that the time worked is correct and reported only by the employee.

Reporting of Absences

Absence requests should be submitted ahead of time for prearranged leaves and promptly upon return from all others.

Weather Related School Closures/Delays

Closures

1) Twelve month classified staff are expected to work their normal hours on delay days and on days when school is closed. If an employee is not able to report to work, the employee must notify his/her supervisor. A vacation day or personal business day must be used to cover this absence, if available; otherwise the employee shall be docked for lost time.

2) School year employees should not report to work on weather related or emergency cancellations. Cancelled days are made up per the school corporation's calendar.

Delayed Starts

1) On weather related delay days, employees should adjust their time accordingly (example: adjust arrival by 2 hours if a 2-hour delay is called). Time sheets must reflect only actual hours worked.

2) In the event school is delayed or canceled after the established time for the employee's schedule to begin and work has begun, the employee will be compensated for actual hours worked. Bus drivers will be compensated an hourly rate.

Evaluations

Each employee will be evaluated by their building administrator or supervisor on a minimum of an annual basis. An employee shall have the right to be informed and receive a copy of and respond in writing to any written evaluation. The evaluation shall be signed and dated by the employee to indicate that he/she has reviewed it. A copy of each evaluation and any employee's written response to the evaluation shall be placed in the employee's personnel file.

Resignation of Employment

If you are terminating employment with Wa-Nee Community Schools, you must submit written notification to the Business Office as soon as possible. Once the resignation is accepted, the employee's insurance benefits will terminate at the end of the month in which they resign.

Health Insurance Eligibility Defined Look Back Period

If, based on the facts and circumstances at the employee's start date, it cannot be determined whether the employee is reasonably expected to work on an average of at least 30 hours of service per week, eligibility is determined as follows:

Active Variable Hour Employees who have been employed for a full 12 months Standard Measurement Period (SMP) will be determined either full-time or part-time based on the weekly average of hours worked over the entire SMP. The Standard Administrative Period (SAP) immediately follows the SMP and will be used to review results and lock in full-time or part-time status for the following 12 months Standard Stability Period (SSP).

Newly hired Variable Hour Employees will begin the Initial Measurement Period (IMP) on the first day of the month following the date of hire. IMP will last a full 12 months followed by a 1 month Initial Administrative Period (IAP). Full-time or part-time status will last for the full 12-month Initial Stability Period (ISP) which begins immediately following the IAP.

Wa-Nee Community Schools declares the following:

- Standard Measurement Period for ongoing employees:

- October 1 - September 30 (12 months)
- Standard Administrative Period:
 - October 1 – November 30 (61 days)
- Standard Stability Period for ongoing employees:
 - December 1 – November 30

Family Medical Leave Act (FMLA)

Wa-Nee Community Schools provides leave of absence to eligible employees for certain family and personal medical reasons. This policy is intended to comply with a Federal Law known as the Family and Medical Leave Act of 1993 (“FMLA”). Employees shall have the right to both the appropriate family and medical leave and the appropriate designated benefits provided by the family and medical leave act ("FMLA").

Eligibility

An “eligible” employee of Wa-Nee Community Schools may request FMLA leave. To be “eligible,” an employee must have worked for WCS as of the date the requested leave is to begin for:

- i) at least 12 months, and
- ii) at least 1,250 hours during the previous 12 months

An eligible employee is entitled to a total of 12 work-weeks of leave (based on the normal hours per week) during a 12-month period. A 12-month period for purposes of FMLA leave is a “rolling” 12-month period measured backward for each employee from the date they use FMLA leave.

Employees must exhaust all accrued leave days prior to taking an unpaid leave unless otherwise requested by the employee and approved by the Board of Trustees.

Please contact the Business Office for additional information and procedures regarding FMLA.

Worker’s Compensation

An employee who is absent from work due to an injury incurred in the course of employment will be paid by the school corporation, from the employee's accumulated sick leave, the difference between the amount paid by Workman's Compensation and the employee's regular pay. This difference will be charged against the total accumulated sick leave in the same ratio as the amount paid by the school is to the regular wage rounded down to the nearest half day. This may be done either by the employee reimbursing the school corporation or by a reduction in salary equal to the amount received from Workman's Compensation.

Pay Increases

Employees who meet the eligibility requirements for both of the following factors will be entitled to move to the next tier beginning July 1, 2021*.

*Substitute Teachers are exempt to the previous (see page 7).

1. Evaluation – To be eligible for a pay increase, the employee must have received an evaluation rating of effective or highly effective on the annual performance evaluation.
2. Experience – To be eligible for a pay increase, the employee must have been compensated for 120 days during the fiscal year beginning July 1 and ending June 30th and must continue to be employed by Wa-Nee Community Schools during the next school year. Fiscal period begins on July 1 and ends on June 30
