<p style="text-align: center; color: blue;"> Algebra I, H Algebra I Geometry, H Geometry Algebra II DC Pre-Calculus DC Trig </p>	<p style="color: blue;">A Scientific calculator is required for this class.</p> <p>We recommend the TI-30XIIS Scientific Calculator. If the student is planning to take H Geometry and H Algebra II and Pre-Calculus, then a graphing calculator, TI 84 Plus or TI 84 Plus CE is also recommended.</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p style="color: blue;">Texas Instruments... \$12.55 OfficeSupply...</p> </div> <div style="text-align: center;">  <p style="color: blue;">Pick up today Texas Instruments... \$8.00 Walmart</p> </div> </div>

H Geometry
H Algebra II
AP Calculus

A TI 84 Plus or TI 84 Plus CE Graphing calculator is highly recommended for these courses.

While there are other brands of graphing calculators, teachers at NWHS will teach with and do demonstrations on Texas Instruments graphing calculators, so it is highly recommended that you get this brand.
