The administration of Wa-nee School recognizes the need for communication with teachers as a means of solving mutual problems and working toward a better school system. The administration and Board welcomes input from teachers when planning changes, additions, or improvements in administrative practice or Board policy.

3111 - CREATING A POSITION

The Board recognizes the need to establish positions which, when filled by competent, qualified professional staff members, will assist the Corporation in achieving the education goals set by the Board. The Corporation employs only U.S. citizens and others lawfully authorized to work in the United States.

The Superintendent shall verify all new full-time and part-time employees' right to work in the United States according to the Federal Immigration Reform and Control Act of 1986.

The Board reserves the right to:

- A. create new positions;
- B. specify the number of persons to be employed with each job category;
- C. set the initial salary for a new position not currently covered by a valid salary schedule.

In the exercise of its authority to create new positions, the Board shall give primary consideration to:

- A. the number of students enrolled;
- B. the special needs of the community;
- C. the special needs of the students;
- D. the operational services of the Corporation.

The Board shall, upon the advice of the Superintendent, consider the advisability of creating a new position or of increasing the number of professional staff members in an existing position.

3112 - BOARD-STAFF COMMUNICATIONS

The Board desires to maintain open channels of communication between itself and the staff. The basic line of communication, will, however, be through the Superintendent.

A. **Staff Communications to the Board**

All communications from staff members to the Board or its committees shall be submitted through the Superintendent. This procedure is not intended to deny any staff member the right to appeal to the Board on important matters through established procedures.

Significant complaints or communications from teachers, parents, or patrons to individual Board members or to the Board as a whole, will be conveyed to the Office of the Superintendent.

Communications to individual Board members requesting action or a statement of view may be acknowledged. It is recommended that an answer which commits the Board member should be avoided until the full Board has reviewed the issue.

B. **Board Communications to Staff**

All official communications, policies, and directives of the Board of staff interest and concern to the staff will be communicated through the Superintendent, who shall also keep staff members fully informed of the Board's problems, concerns, and actions.

Statements of a Board member's opinion to any citizen will be clearly identified as an individual opinion which does not necessarily reflect the thinking of the entire Board.

C. **Social Interaction**

Both staff and Board members share a keen interest in the schools and in education generally, and it is to be expected that when they meet at social

affairs and other functions, they will informally discuss such matters as educational trends, issues, and innovations, and general activities of the Corporation. However, since individual Board members have no special authority except when they are convened at a legal meeting of the Board or vested with special authority by Board action, discussions between staff and Board members of personalities or personnel grievances will be considered to be unethical conduct.

3113 - CONFLICT OF INTEREST

- A. The maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by School Corporation employees, officers (that is, all members of the School Board), and agents is essential to ensure the proper performance of school business as well as to earn and keep public confidence in the Corporation.

To accomplish this, the School Board has adopted the following guidelines which apply to all Corporation employees, officers (that is, all members of the Board), and agents, to assure that conflicts of interest do not occur. These guidelines are not intended to be all inclusive; nor are they intended to substitute for good judgment.

An employee, officer (that is, any member of the Board), or agent of the Corporation making a recommendation to the Board on a matter to be considered by the Board shall not accept a gift or gratuity from a person or entity having a substantial personal or pecuniary interest in the Board's decision on the matter in accordance with the restrictions and provisions of I.C. 35-44.1-1-4.

- D. To the extent that the Corporation has a parent, affiliate or subsidiary organization that is not a State, local government or Indian tribe, the Corporation may not conduct a procurement action involving the parent, affiliate or subsidiary organization if the Corporation is unable, or appears to be unable, to be impartial.
- E. Employees, officers and agents must disclose any potential conflict of interest which may lead to a violation of this policy to the Corporation. Upon discovery of any potential conflict of interest, the Corporation will disclose, in writing, the potential conflict of interest to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

The Corporation also will disclose, in a timely manner, all violations of Federal criminal law involving fraud, bribery or gratuity that affect a Federal award to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

The Superintendent shall, make the final placement of student teachers or administrative interns.

The following conditions also shall be met:

- A. The institution making the assignment shall provide adequate follow-up supervision.

The Board also authorizes the Superintendent to provide, in cooperation with appropriate colleges and universities, a "field experience" program in order for selected interns to gain first-hand knowledge of and experience in a school environment.

The Superintendent may terminate a teaching program if one or more aspects of the program are not of high quality or meeting Corporation needs or expectations.

3122 - NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY

The School Board does not discriminate on the basis of the Protected Classes of race, color, national origin, sex (including transgender status, sexual orientation and gender identity), disability, age, religion, military status, ancestry, or genetic information which are classes protected by Federal and/or State law (collectively, "Protected Classes") occurring in the Corporation's employment opportunities, programs, and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs, and activities, affecting the Corporation environment.

The Superintendent shall appoint and publicize the name of the compliance officer(s) who is/are responsible for coordinating the Corporation's efforts to comply with applicable Federal and State laws and regulations, including the Corporation's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination or denial of equal access. The compliance officer(s) also shall verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination in Employment Act is provided to staff members and the general public. Any sections of the Corporation's collectively bargained contracts dealing with hiring, promotion, and tenure should contain a statement of nondiscrimination similar to that in the Board's statement above. In addition, any gender specific terms should be eliminated from such contracts.

Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are encouraged to promptly report incidents of unlawful discrimination and/or retaliation occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment to an administrator, supervisor, or other Corporation-level official so that the Board may address the conduct. Any administrator, supervisor, or other Corporation-level official who receives such a complaint shall file it with a compliance officer within two (2) business days.

Employees who believe they have been unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, in the Corporation and/or a concurrent criminal complaint will not adversely affect

Wa-Nee Community Schools
Board Policy

the complaining individual's employment status or opportunity. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The compliance officer will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. The compliance officer(s) shall accept complaints of unlawful discrimination/retaliation directly from any member of the Corporation community or a visitor to the Corporation, and receive complaints that are initially filed with a school building administrator, supervisor or other Corporation-level official. Upon receipt of a complaint, either directly or through a school building administrator, supervisor or other Corporation-level official, a compliance officer will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation), or designate a specific individual to conduct such a process.

The compliance officer will provide a copy of this policy to any person who files a complaint. In the case of a formal complaint, the compliance officer will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of discrimination/retaliation that are reported to them to the compliance officer within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the compliance officers within two (2) business days. Additionally, any Corporation employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Corporation employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the compliance officer or designee must contact the employee within two (2) business days to advise him/her of the Corporation's intent to investigate the wrongdoing.

Complaint Procedures

Any employee who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated at the lowest possible administrative level and in a prompt and equitable manner.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

In accordance with Federal and State law, employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Federal and/or State law pertaining to discrimination in employment.

In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights, the Equal Employment Opportunity Commission, or the Indiana Civil Rights Commission, as well as a concurrent criminal complaint with the law enforcement agency having jurisdiction in the Corporation.

Informal Complaint Procedure

Wa-Nee Community Schools
Board Policy
Series 3000
Certified Staff

The goal of the informal complaint procedure is to stop quickly inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee or unsuccessful applicant for employment who believes s/he has been unlawfully discriminated or retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment. This informal procedure is not required as a precursor to the filing of a formal complaint or a concurrent criminal complaint.

The informal process is available only in those circumstances where the parties (the alleged target of the discrimination/retaliation and individual(s) alleged to have engaged in the discrimination) agree to participate in it.

Employees, or unsuccessful applicants for employment, who believe that they have been unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a Corporation employee or any other adult member of the Corporation community against a student will be formally investigated, and a concurrent criminal complaint shall be filed.

As an initial course of action, if an individual feels that s/he is being unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment and s/he is able and feels safe doing so, the individual should tell or otherwise inform the person who engaged in the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The complaining individual should address the alleged misconduct as soon after it occurs as possible. A/The compliance officer is available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so.

An individual who is uncomfortable or unwilling to inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing an informal or a formal complaint and filing a concurrent criminal complaint if s/he desires to do so.

In addition, with regard to certain types of unlawful discrimination, such as sexual discrimination, the compliance officer may advise against the use of the informal complaint process.

An individual who believes s/he has been unlawfully discriminated/retaliated against in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to the compliance officer(s); and/or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to the compliance officer(s) who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide employees who believe they are being unlawfully discriminated/retaliated against with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one or more of the following:

Wa-Nee Community Schools
Board Policy
Series 3000
Certified Staff

- A. Advising the individual about how to communicate his/her concerns to the person who allegedly engaged in the discriminatory/retaliatory behavior.

- B. Distributing a copy of Policy **3122** Nondiscrimination as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works.

- C. If both parties agree, the compliance officer may arrange and facilitate a meeting between the individual claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the compliance officer or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.

The compliance officer will retain all materials that are generated as part of the informal complaint process in accordance with the Board's records retention policy. (See Policy **8310**)

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the individual elects to file a formal complaint initially, this formal complaint process shall be implemented.

An individual who believes that s/he has been subjected to unlawful discrimination/retaliation in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment (hereinafter referred to as the "Complainant"), may file a formal complaint, either orally or in writing, with an administrator, the compliance officer(s), Superintendent, or other Corporation-level official, as well as file a concurrent criminal complaint with the law enforcement agency having jurisdiction.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs.

If a Complainant informs an administrator, supervisor, Superintendent, or other Corporation-level official, either orally or in writing, about any complaint of discrimination/retaliation, the employee who is informed of the complaint must report such information to the compliance officer within two (2) business days.

Throughout the course of the process, the compliance officer should keep the parties informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct; a detailed

Wa-Nee Community Schools
Board Policy
Series 3000

description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the compliance officer shall ask for such details in an oral interview. Thereafter, the compliance officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported complaint by signing the document.

Upon receiving a formal complaint, the compliance officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person who allegedly engaged in the misconduct. In making such a determination, the compliance officer should consult the Complainant to assess his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the compliance officer may still take whatever actions s/he deems appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the compliance officer, or a designee, will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the compliance officer, or a designee, will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 3122 - Nondiscrimination. The Respondent also must be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the compliance officer, or a designee, will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and,
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the compliance officer, or the designee, shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as

Wa-Nee Community Schools
Board Policy
Series 3000

provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used (*i.e.*, it is more likely than not that unlawful discrimination/retaliation occurred).

The compliance officer, or the designee, should consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the compliance officer or the designee, the Superintendent must either issue a decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must delineate the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

If the Superintendent determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the decision of the Superintendent may appeal through a signed written request to the Board within five (5) business days of his/her receipt of the Superintendent's decision.

If the Superintendent is the Respondent, the appeal process will skip the review by the Superintendent and move directly to the Board. In such circumstances, the compliance officer, or the designee, shall prepare and deliver a written report to the Board that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation.

The Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of a written request to appeal. At this meeting, the parties have the right to present evidence, including testimony and/or exhibits, to the Board in support of their position. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee or unsuccessful applicant for employment alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant and the Respondent may be represented, at his/her own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, Equal Employment Opportunity Commission, Indiana Civil Rights Commission, or the filing of a concurrent criminal complaint. Use of the complaint procedures is not a prerequisite to the pursuit of other remedies.

Furthermore, the complaint must be investigated even if a separate investigation is being conducted by another agency, including but not limited to the local police department.

Privacy/Confidentiality

The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses to the extent possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed.

All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).

During the course of a formal investigation, the compliance officer or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

Remedial Action, Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment by taking appropriate action reasonably calculated to stop and prevent further misconduct.

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant. Such remedial action may include, but is not limited to, counseling services, reinstatement of leave taken due to the discrimination, or other appropriate action.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s), if any.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s), if any.

All sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect. Prior sanctions imposed on the Respondent(s) for similar past conduct shall be considered in determining the appropriateness of the sanction(s) imposed for the present conduct.

The Board may appoint an individual, who may be an employee of the Corporation, to monitor the Respondent to ensure no further discrimination or retaliation occurs. Likewise, the Board may appoint an individual, who may be an employee of the Corporation other than the Respondent, to follow up with the Complainant to ensure that no further discrimination or retaliation has occurred and to take action to promptly address any reported occurrences.

Retention of Public Records, Student Records, and Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy **8315**) created

and received as part of an investigation, including but not limited to complaints, responses, witness statements, documentary evidence, audio, video and/or digital recordings, handwritten and contemporaneous notes, e-mails related to the investigation and allegations, printouts, letters, determinations, and summaries. The information, documents, ESI, and electronic media (as defined in Policy **8315**) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy **8315**) created or received as part of an investigation shall be retained in accordance with Policy **8310**, Policy 8315, Policy **8320**, Policy 8330 and the Corporation's records retention schedule.

Retaliation

Retaliation against a person who (1) makes a report or files a complaint alleging unlawful discrimination occurring in the Corporation's employment opportunities, programs and/or activities, or, if initially occurring off Corporation grounds or outside the Corporation's employment opportunities, programs and activities, affecting the Corporation environment, or (2) participates as a witness in an investigation, is prohibited.

Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten or interfere with any individual because s/he opposed any act or practice made unlawful by Federal or State nondiscrimination laws, made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

Individuals found to have engaged in retaliation shall be subject to disciplinary action, up to and including termination of employment or expulsion from school.

Training

The compliance officers also will oversee the training of Corporation employees so that all employees understand their rights and responsibilities under Federal and State law and are informed of the Board's policies and practices with respect to fully implementing and complying with the requirements of Federal and State law.

Notice

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the compliance officers will be posted throughout the Corporation and published in any Corporation statement regarding the availability of employment, in any staff handbooks, and in general information publications of the Corporation as required by Federal and State law and this policy.

3122.01 - DRUG-FREE WORKPLACE

The Board believes that quality education is not possible in an environment affected by drugs. It will seek, therefore, to establish and maintain an educational setting which is free from the use of any controlled substance and alcohol.

The Board shall not permit the manufacture, possession, use, distribution, or dispensing of any controlled substance, and alcohol, and any drug paraphernalia, by any member of the Corporation's professional staff at any time while on Corporation property or while involved in any Corporation-related activity or event. An employee who reports for duty or attends a Corporation-sponsored function after using a controlled substance or consuming alcohol is in violation of the prohibition. Any staff member who violates this policy shall be subject to disciplinary action in accordance with Corporation guidelines and the terms of any collective bargaining agreements, if applicable.

The Superintendent shall establish guidelines that ensure compliance with this policy and that each staff member is given a copy of the standards regarding unlawful manufacture, possession, use, distribution, or dispensing of illicit drugs and alcohol by staff and informed that compliance with this requirement is mandatory. Such guidelines shall provide for appropriate disciplinary actions, if and when needed, which comply with the terms of any negotiated agreement, if applicable.

3122.02 - NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify applicants or employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of the person as an employee, based on genetic information. Harassment of a person because of genetic information is also prohibited. Likewise, retaliation against a person for identifying, objecting to, or filing a complaint concerning a violation of this policy is prohibited.

In accordance with Title II of the Genetic Information Nondiscrimination Act of 2008, 42 U.S.C. 2000ff, et seq. and 29 C.F.R. 1635 ("GINA"), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with GINA, applicants and employees are directed not to provide genetic information, including their individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be provided as part of the certification process for FMLA leave, or when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the Board's application for employment process. Employees and applicants for employment shall not be penalized for providing genetic information in good faith in response to a request from a Board employee or agent, unless that applicant or employee refuses to delete the information at the request of the employee or agent of the Board.

The Board recognizes that genetic information may be acquired through commercially and publicly available media including newspapers, books, magazines, periodicals, television shows or the Internet. The Board prohibits its employees and agents including commercial background investigation agents from searching these sources with the intent of finding or obtaining genetic information, or accessing sources from which they are likely to acquire genetic information. If genetic information about an employee or applicant is obtained in error, it shall immediately be redacted and not shared beyond the point of first receipt.

As used in this policy, "genetic information," means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

The term "genetic information" does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family member that is not derived from a genetic test.

As used in this policy, "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detect genotypes, mutations, or chromosomal changes. The term includes any test of a person's DNA/RNA.

If the Board's employees or agents legally and/or inadvertently receive genetic information about an employee or applicant, it shall be treated as a confidential medical record in accordance with law.

The Superintendent shall appoint a GINA Compliance Officer who shall be responsible for overseeing the Board's compliance with this policy and GINA and proposing revisions and additions to this policy as necessary to insure the Board's compliance with GINA. This person shall be responsible for working with the

Board's legal counsel to fully implement the requirements of GINA in all activities of the School District. The GINA Compliance Officer shall also verify that proper notice of nondiscrimination for Title II of GINA is provided to staff members, and that all requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The written warning shall contain the information in the following sample notice:

Genetic Information Nondiscrimination Act of 2008 (GINA) Disclosure Requirement

The Genetic Information Nondiscrimination Act of 2008 or "GINA" prohibits employers and other entities covered by the law, including the Board of the Wa-Nee Community Schools, from requesting or requiring genetic information about an employee or applicant or family member of an employee or applicant, except as specifically allowed by law. To comply with GINA, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Questions concerning compliance with the requirements of GINA may be directed to the GINA Compliance Officer at (574) 773-3131.

3123 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of School Trustees prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aides or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the Corporation's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

3124 - EMPLOYMENT CONTRACTS WITH PROFESSIONAL EMPLOYEES

The Board requires that each employee it employs in a certificated position sign a Regular Teacher's Contract, a Supplemental Service Teacher's Contract, or a Temporary Teacher's Contract using the form contract promulgated by the Superintendent of Public Instruction pursuant to I.C. 20-28-6-3, unless the teacher is taking a leave of absence or has been employed to serve in the absence of a teacher who is taking a leave of absence.

Contracts employing professional employees shall be approved by a majority of the full Board and shall be signed by the professional employee and the President and Secretary of the Board in compliance with I.C. 20-28-6-5 and I.C. 20-26-4-8. In the absence of either the President or Secretary of the Board, the Vice President shall sign the contracts with the Board officer who is present.

A contract between the Board and a teacher is void if the teacher, at the time of signing the contract, is bound by a previous contract to teach in a public school and the contract is entered into at any time during the school year or less than fourteen (14) days before the day on which the teacher must report for work. Provided, however, that the Board may offer another contract to the teacher that will be effective if the teacher:

- A. furnishes the principal a release by the first employer; or
- B. shows proof that thirty (30) days' written notice was delivered by the teacher to the first employer.

A teacher who has entered into a contract with the Board must provide thirty (30) days' written notice if s/he takes a teaching job with another school corporation after the school year has started or less than fourteen (14) days before the day on which the teacher must report for work.

3130 - ASSIGNMENT AND TRANSFER

The School Board believes that the appropriate placement of qualified and competent staff is essential to the successful functioning of the Corporation.

The Superintendent shall be responsible for the assignment and transfer of all professional staff members.

The general assignment of staff members and their transfer of positions in the various schools and departments shall be made by the Superintendent on the basis of the following criteria:

- A. Contribution which a staff member would make to students.
- B. Recommendations of the school principals involved.
- C. Qualifications of staff member compared to those outside candidates, both for the position to be vacated and for the position to be filled.
- D. Opportunity for professional advancement.

Interviews will be granted to interested, qualified (determined by license requirements) applicants currently employed by the Wa-Nee Community School Corporation upon receipt of notification in writing of interest in a transfer or new specific position.

Within the limitations of their qualifications and contractual status, the principal is responsible for assigning the teachers in his/her building to subject matter and grade levels and to classrooms and teaching stations on the basis of the needs of the current year as determined by the school enrollment and the class schedule.

The standard teacher assignment for the high school and middle schools shall not exceed a maximum instructional and/or supervisory assignment of six (6) periods each day. Within the instructional day, each teacher's schedule shall include one (1) period daily or not less than two hundred minutes per week for conferences and instructional planning. If possible, middle school and high school teachers should not have more than three (3) preparations.

The standard teacher assignment for the elementary school should consist of not more than six (6) hours per day of direct student supervision such as classroom instruction, lunch duty, playground duty, etc. Class size in the elementary and middle schools should be in the range of twenty-five (25) or less with a maximum of thirty (30) students. Class size in the high school should be in keeping with good educational and instructional standards for the type of program involved and the instructional method being implemented.

Before assigning more than the standard teacher assignment or class sizes above the indicated maximum to a teacher, the administration shall confer with the teacher involved regarding the reasons for the intended increase.

Non-instructional duties and responsibilities which are deemed necessary to carry on the regular school program will be assigned, insofar as possible, on a fair and equitable basis.

3130.01 - PROFESSIONAL STAFF TRANSFERS

Teachers who desire transfer consideration, a change in grade and/or subject assignment, transfer to another building or to a vacant position, shall file a written statement of such request with the Superintendent within the time period specified in the posting of vacancies. The teacher employee will be notified by administration of the decision made on the transfer request within the time period specified in the posting of vacancies and after Board approval.

When an involuntary transfer is being considered by the administration, the individuals involved shall be consulted by the Superintendent or his/her designee within a reasonable amount of time prior to any final decision. All individuals involved should recognize that the discussions are confidential and should handle all information in a professional manner. The individuals who are consulted shall be notified of any decision prior to any official notice of a change in teaching assignment.

All staff transfers will be approved by the Board.

- B. Benefits will be pro-rated for part-time service, to the extent permitted by the carrier.
- C. Staff members must have agreed voluntarily, and in writing, to work together. Two (2) staff members who wish to be considered for sharing a job are to submit a request to the Superintendent with the following information:
 - 1. A description of how the responsibilities specified in the job description would be divided.
 - 2. Confirmation that other responsibilities, such as staff meetings, conferences, in-service training, etc. would be met by both staff members.
 - 3. A description of what plan would be used for staff member evaluation and proper communication with affected parties.
 - 4. A description of the process which would be used for communicating with supervisors and other staff members throughout the year.
 - 5. A description of how the job-sharing of a teaching position would be introduced to the students so as to provide for consistent classroom procedures, expectations, and discipline.
- D. All requests for a job-sharing assignment must first be submitted to the building principal by February 1st for the following school year. The principal will forward the plan to the Superintendent, who will review all plans prior to the granting of final approval.
- E. The Corporation's commitment to any job-sharing arrangement is limited to one (1) year with authority given to the Superintendent to renew the arrangement if all conditions are being met satisfactorily and evaluation confirms that the expected results from job performance are meeting expectations. If a staff member wishes to return to a full-time position for the following school year, a written request is to be submitted to his/her principal by no later than February 1st of the current school year. Staff members requesting to return to a full-time position will have full return rights, provided there is a position available for which the staff member is licensed and qualified.

3131 - REDUCTION IN FORCE ("RIF") IN CERTIFICATED STAFF

It is the responsibility of the School Board to employ and retain the certificated staff necessary to effective and efficient implementation of its educational program and the safe operation of its schools.

The Board shall eliminate certificated positions and reduce the number of certificated staff when the Board finds that curricular changes, changes in enrollment, return to duty from leave of a certificated staff member, closing of schools, territorial changes, fiscal reasons or other good cause warrants.

As required by I.C. 20-28-7.5-1(d), once the positions to be eliminated are identified by the Board, the certificated staff members to be dismissed shall be identified on the basis of licensure and merit not years of service or seniority.

As used in this policy, "licensure" means the scope of the license issued by the Office of Educator Licensing and Development in the Indiana Department of Education, and "merit" means a performance category assigned to an educator pursuant to I.C. 20-28-11.5, i.e. "highly effective", "effective", "improvement necessary" or "ineffective". Where two (2) certificated staff members are in the same performance category, the following factors may be considered to identify the staff member to be terminated:

- A. The academic needs of students in the Corporation.
- B. The results of an evaluation conducted under I.C. 20-28-11.5.
- C. The possession of either additional content area degrees beyond the requirements for employment; or additional content area degrees and credit hours beyond the requirements for employment, if required under an agreement bargained under I.C. 20-29.
- D. The assignment of instructional leadership roles, including the responsibility for conducting evaluations under I.C. 20-28-11.5.
- E. The number of years of a teacher's experience.

Certificated staff selected to be terminated pursuant to this policy shall receive the initial notification of possible contract cancellation required by I.C. 20-28-7.5-2(a)(2) between May 1st and July 1st preceding the proposed cancellation of their contract with the Board.

3139 - STAFF DISCIPLINE

The Board believes that standards of conduct for professional employees are necessary to provide students with a positive example of adult behavior and an orderly instructional environment. To this end, the Board has adopted a policy of progressive discipline to be applied except in cases of gross misconduct. In instances of gross misconduct, the purpose of this policy is to consider if the misconduct warrants suspension without pay or termination.

As used in this policy, "progressive discipline" means imposition of the least severe sanction that the Board determines, in its sole discretion, to be likely to prevent a recurrence of the offense. If the Board finds facts that support the use of progressive discipline, the Board may impose a penalty which may include, but not be limited to one or more of the following:

- A. Verbal counseling/oral warning in which a verbal conference between the employee and his/her supervisor is held.
- B. A written warning which is a formal notice of a performance problem or inability to follow established policy. This notice serves as a warning that continued infractions will not be tolerated and may result in recommendation for discharge.
- C. Probation for a period of time determined by the supervisor in connection with the written warning.
- D. Administrative leave with pay.
- E. Suspension without pay imposed in compliance with the applicable Indiana statutes.
- F. Termination imposed in compliance with applicable Indiana statutes.

Exceptions to the principle of progressive discipline contained in this policy may be made in cases in which the Board finds that the interests of students and the school community make the application of the principle of progressive discipline inappropriate. Examples include, but are not limited to the following:

- A. Reporting for duty under the influence of an alcoholic beverage, an illegal drug, or a prescription drug used other than in accordance with a prescription.
- B. Possessing a firearm or weapon while on school property. See Policy 3617 - Weapons.
- C. Possession or use of alcoholic beverages or drugs on school property or at an event sponsored by the Board.
- D. Willful refusal to follow established rules or standards for the conduct of a professional employee, i.e. insubordination.
- E. Theft, fraud, or another violation of criminal law.
- F. Arrest and subsequent conviction of a crime.
- G. Falsification or omission of a material fact in the application for employment by the Board.

Pursuant to State law, following submission of a resignation to the Superintendent, the employee may not withdraw or otherwise rescind that resignation. A notice of retirement is functionally equivalent to a resignation and thus falls within the meaning of the word "resignation" for purposes of this policy. The Superintendent shall inform the Board of the submission of that resignation at its next meeting. The Board may choose to accept that resignation, deny that resignation or take any other appropriate action relating to the termination, suspension or cancellation of employment of the person submitting the resignation. 3141 - SUSPENSION OF TEACHERS

The Board recognizes its obligation to maintain a working and learning environment that is conducive to the education of students and understands that at times there may be members of the teaching staff who fail to meet the expectation of serving as an exemplar for those students and/or fail to meet their professional responsibilities. In situations in which those charged with supervising professional staff members determine that a suspension of a teacher is needed, whether as part of a system of progressive discipline or for the benefit of students, colleagues, and/or the community, the administration will provide due process as required by Federal law and, if a suspension without pay is sought, comply with the procedure established under State law for the suspension of teachers without pay.

It will be the responsibility of the Superintendent to establish administrative guidelines which ensure that the proper standards have been applied and the proper procedures have been followed when a principal makes a decision to suspend a teacher.

In acting on a principal's preliminary determination that a teacher will be suspended without pay, the Board will be guided by the procedure set out in I.C. 20-28-9-22.

I.C. 20-28-9-22

3142 - CANCELLATION OF A TEACHING CONTRACT

The Board recognizes its obligation to employ only those professional staff members best trained and equipped to meet the educational needs of its students. This policy and Policy 3131 – Reduction in Force ("RIF") in Certificated Staff address this obligation, and the Board will continue to employ only those "probationary", "professional", and "established" teachers who meet the performance standards established in the evaluation plan adopted by the Board.

An employment contract may be terminated, upon a majority vote of the Board, for violation of the policies of the Board or for reasons set forth in law. In such cases, the Board shall abide by due process procedures.

It will be the responsibility of the Superintendent to establish administrative guidelines which ensure that the proper standards have been applied and the proper procedures have been followed when a principal makes a preliminary determination that a teacher's contract should be cancelled.

In acting on a principal's preliminary determination that a teacher's contract be cancelled, the Board will be guided by the procedure set out in I.C. 20-28-7.5.

3160 - FITNESS FOR DUTY EXAMINATION

The Board reserves the right to require a current employee or applicant for employment (after a conditional offer of employment), to submit to a fitness for duty examination by a qualified healthcare provider to determine the employee or applicant's ability to meet the qualification standards and perform the essential functions of a position an application is being considered for or an employee is performing ("FFD exam"). A FFD examination shall be done in accordance with the Superintendent's guidelines and the examiner shall be provided with specific essential functions of the position in question.

Reports of all FFD examinations shall be delivered to the Superintendent or a named designee, who shall protect the confidentiality of the FFD exam report and its contents. In agreeing to perform the FFD exam, the healthcare provider and the examinee shall agree that no treatment relationship or privileged communication shall occur between the FFD examiner and the applicant or employee. The report of the examiner may be shared with the employee or candidate and made a part of a personnel record on the examinee maintained by the Board. However, the report shall be filed separately from an applicant/employee's other personnel documents so that the report and related documents are accessible only to the Superintendent and specific designees. Failure to protect the confidentiality of a FFD exam report and related documents shall be a basis for discipline of an employee permitting the disclosure.

In the event of a report of a condition that could adversely impact the examinee's performance of an essential function of the position occupied or applied for, the Superintendent shall base a recommendation to the Board on the examinee's employment on the assessment of the healthcare provider who conducted the FFD exam as to whether the examinee will be able to meet the qualification standards and perform or continue to perform the essential functions of the position in question.

Employees and applicants referred for a FFD exam will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act in order to allow the results of the healthcare provider's FFD exam to be released to the Board/Superintendent and to allow the Superintendent to speak to the health care provider who conducted the FFD examination if clarification is needed (see [Form 3160 F2](#)).

In compliance with the Genetic Information Nondiscrimination Act (GINA) and Board Policy 3122.02, a FFD examiner shall be advised not to seek, collect, or report genetic information, including the candidate's family medical history.

The cost of a FFD exam shall be paid for by the Board.

The report of the healthcare provider performing the FFD exam shall be the property of the Board and shall be exempt from disclosure pursuant to the Indiana Access to Public Records Act (I.C. 5-14-3). A FFD exam report and related documents will be maintained in a separate confidential personnel file in accordance with the Americans with Disabilities Act, as amended, and the Genetic Information Nondiscrimination Act (GINA).

3161 - UNREQUESTED LEAVES OF ABSENCE

It is the policy of the Board to protect students and employees from the professional staff members who are unable to perform essential job functions with or without accommodation.

The Board may place a professional staff member on an unrequested leave of absence when the staff member is unable to perform assigned duties in conformance with statute and the negotiated, collectively-bargained agreement with or without accommodation.

If the Superintendent believes the staff member is unable to perform essential job functions, the professional staff member will be offered the opportunity to meet to discuss the issues.

If a professional staff member refuses to attend the meeting, the Board may order the professional staff member to submit to an appropriate examination by:

- A. a physician designated and compensated by the Board;
- B. a physician or institution of the professional staff member's choice.

Where the physician designated by the Board disagrees with the physician designated by the professional staff member, the two (2) physicians shall agree in good faith on a third impartial physician who shall examine the professional staff member and whose medical opinion shall be conclusive and binding on the issue of ability to perform assigned duties with or without accommodation. The expenses of a third examination shall be borne by the Board.

The professional staff member will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act (HIPAA) in order to allow the report of the medical examination to be released to the Board/Superintendent and to allow the Superintendent or his/her designee to speak to the health care provider who conducted the medical examination in order to get clarification. Refusal to submit to an appropriate examination or to execute the HIPAA release will be grounds for disciplinary action, up to and including termination.

As required by Federal law and regulation and Board Policy 3122.02, the Superintendent shall direct the provider designated by the Board to conduct the examination not to collect genetic information or provide any genetic information, including the individual's family medical history, in the report of the medical examination.

Pursuant to State law and in accordance with the Americans with Disabilities Act, as amended (ADA) and the Genetic Information Nondiscrimination Act (GINA), the results of any such examination shall be treated as a confidential medical record and will be exempt from release, except as provided by law. If the Corporation inadvertently receives genetic information about an individual who is required to submit to an appropriate examination from the medical provider it shall be treated as a confidential medical record as required by the ADA.

If, as a result of such examination, the professional staff member is found to be unable to perform assigned duties with or without accommodation, the professional staff member may be placed on leave of absence for a reasonable time to heal or until the staff member is able to perform the essential job function, but only for a period not to exceed one (1) year. A professional staff member placed on leave without a written request is entitled to a hearing on that action in accordance with I.C. 20-28-7-3,4,5.

Should a professional staff member refuse to submit to the examination requested by the Board and the professional staff member has exercised his/her rights under the provisions hereinabove set forth, such refusal shall subject the professional staff member to disciplinary action.

3170 - SUBSTANCE ABUSE

The Board recognizes alcoholism and drug abuse as treatable illnesses.

A professional staff member having an illness or other problem relating to the use/abuse of alcohol or other drugs will receive the same careful consideration and offer of assistance that is presently extended to professional staff members having any other illness.

The responsibility to correct unsatisfactory job performance or behavior resulting from a substance abuse problem rests with the professional staff member. Failure to do so, for whatever reason, will result in appropriate corrective or disciplinary action as determined by the Board.

No professional staff member will have his/her job security or promotion opportunities jeopardized solely on the basis of his/her request for counseling or referral assistance.

Professional staff members who suspect they may have an alcohol or other drug abuse problem are encouraged to seek counseling and information on a confidential basis by contacting resources available for such service.

Please refer to Board Policy 3122.01 on Drug-Free Workplace for additional requirements for professional staff members.

3210 - STAFF ETHICS, ATTITUDES, AND RESPONSIBILITIES

An effective educational program requires the services of men and women of integrity, high ideals, and human understanding. To maintain and promote these essentials, the Board expects all professional staff members to maintain high standards in their working relationships.

The individual teacher shall have freedom with regard to classroom plans, procedures, and presentations in proportion to his/her ability to secure desirable results and so long s/he is not in conflict with the general administrative rules and regulations of the school or the School Corporation, and/or the Indiana Department of Education.

During work hours staff are expected to avoid interruptions which interfere with productive use of instructional time. Personal communications made or received on a wireless communication device, a regular telephone, or network computer can interfere with employee productivity and distract others in the learning environment. Employees are expected to limit personal communications to breaks and lunch periods, and to inform friends and family members of the Board's policy in this regard.

The teacher is expected to make a sincere and honest effort to gain and keep the respect and good will of his/her fellow teachers, the students in his/her classroom and their parents, the administration and the citizens in the school community.

The teacher is responsible for keeping his/her principal informed regarding matters which pertain to his/her teaching and other school responsibilities. S/He is expected to take the initiative in bringing up and discussing with the principal matters which concern the welfare of his/her students or the school, or which might affect his/her effectiveness as a teacher.

Since children are affected by the personality of the teacher as well as what s/he teaches, the teacher's personality must be wholesome, empathetic and stimulating to children. It is expected, therefore, that the personality of the teacher will be characterized by friendliness, poise, emotional stability, patience and a wholesome sense of humor.

Teachers are required to maintain in their personal and social lives, ethical and moral standards that are acceptable, and expected in the school community.

The teacher is expected to identify himself/herself with and participate in professional activities and organizations that will ensure his/her continuous growth.

Teachers are encouraged to participate in school and community activities over and above those stipulated or implied in his/her contract.

Teachers are required to attend promptly all general staff meetings called by the Board, the Superintendent, or the building principal, except when they have been specifically excused by the person calling the meeting. They are also encouraged to attend and participate in meetings called by the officers of their own professional organizations.

Teachers are expected to attend a reasonable number of after-school departmental, grade level, subject area, curriculum study, etc. meetings as called by department chairman, school principals, or Assistant Superintendent of Instruction.

3211 - REQUIRED REPORTS AND PROTECTION OF WHISTLEBLOWERS

The Board recognizes that its employees teach its students by example and serve as a role model for students. It therefore requires that they exemplify high standards of honesty and integrity and comply with Indiana and Federal law and Board policies and administrative guidelines in their words and actions. To implement these expectations, the Board requires its employees to report possible violations of these Board standards to their immediate supervisor.

An employee who is aware of words or acts of a Board member or employee that may violate Federal or Indiana law, Board policy, or administrative guidelines shall bring the words or actions to the attention of the employee's immediate supervisor. If the immediate supervisor does not respond within a reasonable time, or the immediate supervisor is the officer or employee whose words or actions are in question, the employee shall make the report required by this policy to the Superintendent. If the words or acts that violate this policy are the Superintendent's words or acts, the report shall be made to the Board president. An employee also may report suspected malfeasance, misfeasance, or nonfeasance by a public officer to the State Board of Accounts.

Employees are subject to disciplinary action, up to and including termination for knowingly or recklessly making a false report under this policy or failing to make a report required by this policy.

After a verbal report of a violation of this policy is made, the immediate supervisor will direct the reporting employee to put the report in writing. If a reporting employee requires assistance in making a written report, the immediate supervisor shall assist the reporting employee.

An employee making a report required by this policy shall be protected from discipline, retaliation, or reprisal for making a report required by this policy as long as the employee had a good faith belief in the truth and accuracy of the information reported at the time of the report. A report in compliance with this policy is not required if the employee confirms that another employee has reported the same words or actions.

3213 - STUDENT SUPERVISION AND WELFARE

Professional staff members shall maintain a standard of care for the supervision, control, and protection of students commensurate with their assigned duties and responsibilities and are expected to establish and maintain professional staff-student boundaries that are consistent with their legal, professional and ethical duty of care for students.

The Superintendent shall maintain and enforce the following standards:

- A. A professional staff member shall immediately report to a building administrator any accident, safety hazard, or other potentially harmful condition or situation s/he detects.
- B. A professional staff member shall provide proper instruction in safety matters as presented in assigned course guides.
- C. Each professional staff member shall immediately report to a building administrator knowledge of threats of violence by students.
- D. A professional staff member shall not send students on any personal errands.
- E. A professional staff member shall not associate or fraternize with students at any time in a manner that may give the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity that could be considered abusive or sexually suggestive or involve harmful substances such as illegal drugs, alcohol or tobacco. Any sexual or other inappropriate conduct with a student by any staff member will subject the offender to potential criminal prosecution and disciplinary action by the Board up to and including termination of employment.
- F. If a student approaches a staff member to seek advice or to ask questions regarding a personal problem related to sexual behavior, substance abuse, mental or physical health, and/or family relationship, etc., the staff member may attempt to assist the student by facilitating contact with certified or licensed individuals in the Corporation or community who specialize in the assessment, diagnosis, and treatment of the student's stated problem. Any staff member who determines that a student is in need of services shall report the matter to appropriate authorities. However, under no circumstances should a staff member attempt, unless properly licensed and authorized to do so, to counsel, assess, diagnose, or treat the student's problem or behavior, nor should any such staff member inappropriately disclose personally identifiable information concerning the student to third persons not specifically authorized by law.
- G. A professional staff member shall not transport students in a private vehicle without the approval of the principal, parent and/or guardian.
- H. A student shall not be required to perform work or services that may be detrimental to his/her health.
- I. Staff members shall only engage in electronic communication with students via email, texting, social media and/or online networking media, such as Facebook, Twitter, YouTube, MySpace, Skype, blogs, etc., when such communication is solely and directly related to curricular matters or co-curricular/extracurricular events or activities with prior approval of the principal.

- J. Staff members are prohibited from electronically transmitting any personally identifiable image of a student(s), including video, photographs, streaming video, etc. via email, text message, or through the use of social media and/or online networking media, such as Facebook, Twitter, YouTube, MySpace, Skype, blogs, etc., unless such transmission has been made as part of a pre-approved curricular matter or co-curricular/extracurricular event or activity such as a school-sponsored publication or production in accordance with Policy 5722.

Since most information concerning a child in school, other than directory information described in Policy 8330, is confidential under Federal and State laws, any staff member who shares confidential information with another person not authorized to receive the information may be subject to discipline and/or civil liability. This includes, but is not limited to, information concerning assessments, grades, behavior, family background, alleged child abuse, and any other record information.

Pursuant to the laws of the State and Board Policy 8462, each professional staff member shall report to the proper legal authorities immediately, any sign of suspected child abuse or neglect.

3214 - STAFF GIFTS

The Board discourages the presentation of gifts to professional staff members by students and their parents because it could embarrass students with limited means and gives the appearance of currying favor.

It is the policy of the Board that no professional staff member should expect or accept gifts for carrying out the terms of his/her teaching contract.

If a staff member has provided an unusual amount of extra help for a student and the parents insist on showing appreciation, expression other than money may be accepted.

The Board does recognize, though, that gift-giving to professional staff members at Christmas fits the spirit of the season and gift-giving at the close of an academic year is a part of tradition. At these times, gifts other than money may be accepted; however, teachers should not open gift(s) in class or comment on item(s) in front of students.

Upon the recommendation of the Superintendent, the Board shall consider, as appropriate, the presentation of token gifts to retiring members of the staff who have rendered service for a period of time.

Professional staff members shall not accept any form of compensation from vendors that might influence their recommendations on or raise a conflict of interest with respect to the eventual purchase of equipment, supplies, or services. See also Board Policy **1130** - Conflict of Interest. Furthermore, professional staff members shall not accept any compensation from a vendor after a decision has been made to purchase equipment, supplies, or services from said vendor. In addition, professional staff members who recommend purchases shall not enter into a contractual arrangement with a vendor seeking to do business with the Corporation or a vendor with whom the Corporation is doing business, whereby an individual professional staff member receives compensation in any form for services rendered.

Such compensation includes, but is not limited to cash, checks, stocks, or any other form of securities, and gifts such as electronic devices, discount certificates, travel vouchers, tickets, passes, and other such things of value. In the event that a professional staff member receives such compensation, albeit unsolicited, from a vendor, the professional staff member shall notify the Superintendent, in writing, that s/he received such compensation and the compensation has been returned to the vendor.

A Corporation employee making a recommendation to the Board on a matter to be considered by the Board shall not accept a gift or gratuity from a person or entity having a substantial personal or pecuniary interest in the Board's decision on the matter in accordance with the restrictions and provisions of I.C. 35-44.1-1-3.

3215 - USE OF TOBACCO BY PROFESSIONAL STAFF

The Board recognizes that the use of tobacco presents a health hazard can have serious consequences both for the user and the nonuser and is, therefore, of concern to the Board.

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including a cigar, cigarette, pipe, snuff, or any other matter or substance that contains tobacco, as well as electronic, "vapor," or other substitute forms of cigarettes.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco by professional staff members at all times within any facility owned or leased or contracted for by the Board.

The Board also prohibits the use of tobacco anywhere on the campus of any facility owned or leased or contracted for by the Board, including, but not limited to, practice fields, playgrounds, football fields, baseball fields, softball fields, pool areas, soccer fields, tennis courts, and all open areas and will remain in effect at all times. Furthermore, the Board prohibits the use of tobacco in all vehicles owned or operated by the Board, including, but not limited to, school buses, special purpose buses, vans, trucks, and cars.

3216 - STAFF DRESS AND GROOMING

The Board believes that professional staff members set an example in dress and grooming for their students to follow. A professional staff member who understands this precept and adheres to it enlarges the importance of his/her task, presents an image of dignity, and encourages respect for authority. These factors act in a positive manner towards the maintenance of discipline.

The Board retains the authority to specify the following dress and grooming guidelines for staff that will prevent such matters from having an adverse impact on the educational process. All professional staff members shall, when assigned to Corporation duty:

- A. be physically clean, neat, and well groomed;
- B. dress in a manner consistent with their professional responsibilities;
- C. dress in a manner that communicates to students a pride in personal appearance;
- D. dress in a manner that does not cause damage to Corporation property;
- E. be groomed in such a way that their hair style or dress does not disrupt the educational process nor cause a health or safety hazard.

T.C. 11/23/15

3217 - WEAPONS

The Board prohibits professional staff members from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the Corporation for the purpose of school activities approved and authorized by the Corporation including, but not limited to, property leased, owned, or contracted for by the Corporation, a school-sponsored event, or in a Corporation vehicle; provided, however, that a professional staff member is not prohibited from possessing a firearm or ammunition that is locked in the trunk of the professional staff member's vehicle, kept in the glove compartment of the professional staff member's locked vehicle, or stored out of plain sight in the professional staff member's locked vehicle.

Generally, the possession of a firearm in or on school property, in or on property that is being used by a school for a school function, or on a school bus is a felony (I.C. 35-47-9-2) and is prohibited by Board policy. However, State law permits a person who may legally possess a firearm to maintain that firearm if it is locked in the person's trunk, kept in the glove compartment of the person's locked vehicle, or stored out of plain sight in the person's locked vehicle. This exception does not apply to students unless it is a high school student who is a member of a shooting sports team and the principal has approved the student keeping a firearm concealed in the student's motor vehicle on days the student is competing or practicing as a member of a shooting sports team. This exception also does not apply to former students if the person is no longer enrolled in school due to a disciplinary action within the previous twenty-four (24) months.

The term "weapon" means any object which, in the manner in which it is used, intended to be used, or represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health or safety of persons. Weapons include, but are not limited to, firearms, tasers, handguns, stun guns, guns of any type, including air and gas-powered guns (whether loaded or unloaded), knives, razors, clubs, electric weapons, chemical weapons, metallic knuckles, martial arts weapons, ammunition, and destructive devices (bombs, incendiary, grenade, Molotov cocktail, rocket with a propellant charge of more than four (4) ounces, etc.). A "knife" is defined as "an instrument that: 1) consists of a sharp edge or sharp pointed blade capable of inflicting cutting, stabbing, or tearing wounds; and 2) is intended to be used as a weapon." I.C. 35-47-5-2.5(a)

The Superintendent will report an employee who violates this policy to law enforcement officials. The staff member also will be subject to disciplinary action, up to and including termination, for violation of this policy.

This prohibition does not apply to weapons under the control of law enforcement personnel.

Exceptions to this policy include:

- A. items approved by a principal as part of a class or individual presentation under adult supervision, if used for the purpose of and in the manner approved; (Working firearms and ammunition shall never be approved.)
- B. theatrical props used in appropriate settings;
- C. starter pistols used in appropriate school related sporting events.

Staff members must report knowledge of dangerous weapons and/or threats of violence by students, staff members, or visitors to the principal. Failure to report such information may subject the staff member to disciplinary action, up to and including termination.

The School Board shall adopt an annual policy concerning the distribution of teacher appreciation grants. This policy shall be submitted to the Indiana Department of Education (IDOE) along with the School Corporation's staff performance evaluation plan online as one (1) document by September 15th of each year.

Definitions:

For purposes of this policy, the following definitions apply:

The term "teacher" means a professional person whose position with the Corporation requires a license (as defined in I.C. 20-28-1-7) and whose primary responsibility is the instruction of students.

The term "license" refers to a document issued by the IDOE that grants permission to serve as a particular kind of teacher. The term includes any certificate or permit issued by the IDOE.

Distribution of Annual Teacher Appreciation Grants:

Teacher appreciation grant funds received by the Corporation shall be distributed to licensed teachers who meet the following criteria:

- A. employed in the classroom (including providing instruction in a virtual classroom setting);
- B. rated as Effective or Highly Effective on their most recent performance evaluation by Wa-Nee Community Schools; and
- C. employed by the Corporation during the previous school year and as of December 1st of the year in which the teacher appreciation grant funds are received by the Corporation.

The Corporation shall distribute the teacher appreciation grant funds it receives as follows:

- A. A cash stipend as determined by the Superintendent shall be distributed to all teachers in the Corporation who are rated as Effective; and
- B. A cash stipend in an amount that is twenty-five percent (25%) more than the stipend given the teachers rated as Effective shall be distributed to all teachers in the Corporation who are rated as Highly Effective.

If the Corporation is the local educational agency (LEA) or lead school corporation that administers a special education cooperative or joint services program or a career and technical education program, including programs managed under I.C. 20-26-10, 20-35-5, 20-37, or I.C. 36-1-7, then it shall award teacher appreciation grant stipends to and carry out the other responsibilities of an employing school corporation under this section for the teachers in the special education program or career and technical education program with respect to the teacher appreciation grant funds it receives on behalf of those teachers.

A stipend to an individual teacher in a particular year is not subject to collective bargaining but is discussable and is in addition to the minimum salary or increases in the salary set under I.C. 20-28-9-5.

The Corporation shall distribute all stipends from a teacher appreciation grant to individual teachers within twenty (20) business days of the date the IDOE distributes the teacher appreciation grant funds to the Corporation.

3310 - FREEDOM OF SPEECH IN NONINSTRUCTIONAL SETTINGS

Any employee who feels that the school corporation has discriminated against him/her on the basis of race, color, age, religion, national origin, and disability should use the complaint procedure set out in this policy.

(e) If the building principal cannot resolve the matter or is one of the persons named in the complaint, the complaint should be referred to the Title IX Coordinator. The Title IX Coordinator should investigate the matter and attempt to resolve the complaint.

(f) The report and the results of the investigation will be presented to the superintendent, and then to the Board of School Trustees in executive session by the superintendent; and

(g) The Board of School Trustees will take whatever action it deems appropriate. The name of the complainant will not be released to the public unless required by law.

3362.01 - THREATENING AND/OR INTIMIDATING BEHAVIOR TOWARD STAFF MEMBERS

The Board believes that a staff member should be able to work in an environment free of threatening or intimidating speech or actions.

Threatening behavior consisting of any words or deeds that intimidate a staff member or cause anxiety concerning his/her physical well-being is strictly forbidden. Any student, parent, visitor, staff member, or agent of this Board who is found to have threatened a member of the staff will be subject to discipline and reported to the principal. The principal shall immediately make an oral report to the local law enforcement agency.

It shall be a violation of this policy for any employee of the School Corporation to harass another employee or student through unwelcome conduct or communications of a sexual nature as defined in Section II. It shall also be a violation of this policy for students to harass other students through unwelcome conduct or communication of a sexual nature as defined in Section II. The use of the term "employee" also includes non-employees and volunteers who work subject to the control of school authorities.

The School Corporation will promptly:

1. investigate all complaints, written or verbal, of sexual harassment taken place at school or any school-sponsored activity within the United States;
2. take appropriate action to stop any harassment;
3. take appropriate action against any student or school employees who violates this policy; and
4. take any other action reasonably calculated to end and prevent further harassment of school employees or students.

The Title IX Coordinator is the person designated by the School Board to receive complaints of harassment and oversee the investigation of those complaints as described in this policy.

The Title IX Coordinator may be contacted at:

Mrs. Gretchen Thomas

Harassment Based on Sex

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. an employee of the School Corporation conditioning the provision of an aid, benefit, or service of the School Corporation on an individual’s participation in unwelcome sexual conduct;
2. unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the School Corporation’s education program or activity; or
3. “sexual assault” as defined in 20 U.S.C. § 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. § 12291(a)(10), “domestic violence” as defined in 34 U.S.C. § 12291(a)(8), or “stalking” as defined in 34 U.S.C. § 12291(a)(30).

Types of Sexual Harassment

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature when made by any employee to a student, when made by any employee to another employee, or when made by any student to another student when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education.
2. Submission to or rejection of such conduct by an individual is used as a basis for academic or employment decisions affecting that individual.
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's academic or professional performance or creating an intimidating, hostile, or offensive employment or educational environment.
4. Denial of an employment or educational opportunity of others occurs directly because an employee or a student submits to unwelcome requests for sexual favors made by a supervisor or teacher which results favorably for that employee or student.
5. Such conduct is engaged in by volunteers and/or non-employees over which the school corporation has some degree of control of their behavior while on school property.

Unwelcome Conduct of a Sexual Nature

1. Conduct of a sexual nature may include verbal or physical sexual advances and/or comments regarding physical or personality characteristics of a sexual nature.
2. Verbal or physical conduct of a sexual nature constitutes sexual harassment when the allegedly harassed employee has indicated, by his or her conduct or verbal objection, that it is unwelcome.
3. In the situation involving sexual harassment by an adult of an elementary student, unwelcomeness of the harassment is presumed and is not a factor to be considered.
4. An employee who has initially welcomed such conduct by active participation must give specific notice to the alleged harasser that such conduct is no longer welcome for any such subsequent conduct to be deemed unwelcome.

Examples of Sexual Harassment

Sexual harassment may include but is not limited to the following:

1. Verbal harassment or abuse.
2. Repeated remarks to a person with sexual or demeaning implications.

3. Unwelcome touching.
4. Pressure for sexual activity.
5. Suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning one's grades, job, promotion, and/or salary increase.

III. Complaint Procedures

Report

Any student or school employee who believes he or she has been the victim of sexual harassment prohibited by this policy by a student, a school employee, or a third party should report the alleged harassment to the Title IX Coordinator or any school employee. The alleged harassment should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence.

Any student who has knowledge of conduct which may constitute sexual harassment should report such conduct to the Title IX Coordinator or any school employee. Any school employee who has notice that a student or a school employee may have been a victim of sexual harassment shall immediately report the alleged harassment to the Title IX Coordinator. Any complaint that involves the Title IX Coordinator should be reported to the superintendent. Oral or written reports are acceptable.

The complaint, the identity of the person allegedly harassed, and the alleged harasser will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. Additionally, a person allegedly harassed who wishes to remain anonymous shall be advised that such confidentiality may limit the School Corporation's ability to fully respond to the complaint.

After receiving a complaint, the Title IX Coordinator makes an initial determination whether the allegations may be sexual harassment prohibited by this policy. If the allegations are deemed as such, the Title IX Grievance Process below must be followed.

Definitions

"Actual knowledge" means notice of sexual harassment or allegations of sexual harassment prohibited by this policy to the Title IX Coordinator or any school official who has authority to institute corrective measures or to any school employee.

"Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment prohibited by this policy.

"Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment prohibited by this policy and requesting the allegation be investigated. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail. When the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a party to the formal complaint. The allegations in a formal complaint must be investigated. In response to a formal complaint, the Title IX Grievance Process set out in this policy must be followed.

"Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment prohibited by this policy.

"Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing

Wa-Nee Community Schools
Board Policy
Series 3000

of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the School Board's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the educational environment or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security or monitoring of school property, and other similar measures. Any supportive measures provided are confidential, to the extent that maintaining such confidentiality does not impair the ability to provide supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

Title IX Grievance Process

Any person may report sexual harassment (whether or not the person reporting is the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time, including non-business hours, by using the telephone number or electronic mail address, or by mail to the address listed for the Title IX Coordinator.

The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain the process for filing a formal complaint.

Complainants and respondents will be treated equitably by offering supportive measures to a complainant and by following this grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.

This process does not preclude a respondent from being removed from the education program or activity on an emergency basis, provided that an individualized safety and risk analysis determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal and that the respondent is provided with notice and an opportunity to challenge the decision immediately following the removal.

This process does not preclude an employee who is a respondent from being placed on administrative leave during the grievance process.

This grievance process treats complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following this process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies are designed to restore or preserve equal access to education programs or activities.

The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

All relevant evidence is evaluated objectively. Credibility determinations are not based on a person's status as a complainant, respondent, or witness.

Any Title IX Coordinator, investigator, or decision makers may not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Wa-Nee Community Schools
Board Policy
Series 3000
Certified Staff

Title IX Coordinators, investigators, and decision makers must receive training on the definition of sexual harassment, the scope of the School Board's education program or activity, how to conduct an investigation and grievance process including appeals, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Decision makers are required to receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. Investigators are required to receive training on issues of relevance in order to create investigative reports that fairly summarize relevant evidence.

A finding of responsibility may result in any disciplinary action up to and including expulsion for students or dismissal of employees.

The standard of evidence used to determine responsibility is a preponderance of the evidence.

This grievance process does not allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding such privilege has waived the privilege.

Notice of Allegations

On receipt of a formal complaint, the Title IX coordinator gives the following written notice to the parties:

1. notice of the grievance process, and
2. notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time. Sufficient details shall include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. This notice must be given with sufficient time to prepare a response before any initial interview.

The written notice must also include:

1. a statement the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
2. information the parties may have an advisor of their choice, and may inspect and review evidence; and
3. information about any provisions in the School Board's code of conduct or other policies that prohibit knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the investigator decides to investigate allegations about the complainant or respondent that are not included in the notice previously provided, notice of the additional allegations must be provided to the parties whose identities are known.

Dismissal of Formal Complaint

A formal complaint or any allegations therein must be dismissed if the conduct alleged in the complaint

1. would not constitute sexual harassment prohibited by this policy even if proved,
2. did not occur in the School Board's education program or activity, or
3. did not occur against a person in the United States.

Wa-Nee Community Schools
Board Policy
Series 3000
Certified Staff

Such a dismissal does not preclude action under another provision of the School Board's code of conduct or policy.

A formal complaint or any allegations therein may be dismissed if at any time during the investigation:

1. a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
2. the respondent is no longer enrolled or employed by the School Board; or
3. specific circumstances prevent the School Board from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Investigation of Formal Complaint

When investigating a formal complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the School Corporation and not the parties. A party's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party will not be accessed, considered, disclosed or otherwise used without the voluntary, written consent of the party's parent, or the party if the party is an eligible student, to do so for this grievance procedure if such records are required as part of the investigation or determination of responsibility.

The parties will have an equal opportunity to present witnesses, including fact and expert witnesses, and any inculpatory and exculpatory evidence.

The ability of the parties to discuss the allegations under investigation or to gather and present relevant evidence is not restricted.

The parties have the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be an attorney. The choice or presence of advisor for either the complainant or respondent is not limited in any meeting or grievance proceeding.

Any party whose participation is invited or expected is provided written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings with sufficient time for the party to prepare to participate.

The investigator must provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence which will not be relied upon in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to the completion of the investigative report, the investigator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 days to submit a written response, which the investigator must consider prior to completion of the investigative report.

The investigator shall write an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the time a determination regarding responsibility is made, send to each party and the party's

Wa-Nee Community Schools
Board Policy
Series 3000
Certified Staff

advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

The investigative report will be provided to the parties and the decision maker within 35 days from the date the formal complaint is filed.

After the investigator has sent the investigative report to the parties and before reaching a determination regarding responsibility, the decision maker must afford each party the opportunity to submit written, relevant questions the party wants to be asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision maker must explain to the party proposing the question of any decision to exclude a question as not relevant.

Determination Regarding Responsibility

The decision maker, who is not the same person as the Title IX Coordinator or the investigator, must issue a written determination regarding responsibility.

The written determination must include the following:

1. identification of the allegations potentially constituting sexual harassment prohibited by this policy;
2. a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
3. findings of fact supporting the determination;
4. conclusions regarding the application of the School Board's code of conduct or other policy provisions to the facts;
5. a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary actions recommended against the respondent, and whether remedies designed to restore or preserve equal access to the School Board's education program or activity will be provided to the complainant; and
6. the procedures and permissible bases for the complainant and respondent to appeal.

A determination of responsibility decision will be issued within 10 working days from the date the investigative report is submitted to the decision maker.

The decision maker must provide the written determination regarding responsibility to the parties simultaneously.

The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appeals

Either party may appeal within 5 working days from the date the written determination regarding responsibility is given to the parties.

Wa-Nee Community Schools
Board Policy
Series 3000
Certified Staff

Either party may appeal from a determination regarding responsibility or a dismissal of a formal complaint or any allegations therein, on the following bases:

1. procedural irregularity that affected the outcome of the matter;
2. new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. the Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

Notification of appeal must be given in writing to the Title IX Coordinator.

For all appeals, the Title IX Coordinator will

1. notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. ensure the decision maker for the appeal is not the same person as the decision maker that reached the determination regarding responsibility or dismissal, the investigator, or the Title IX Coordinator; and
3. ensure the decision maker for the appeal complies with the standards outlined in this policy.

The appeal decision maker will

1. give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
2. review the evidence gathered by the investigator, the investigator's report, and the decision maker's written decision;
3. issue a written decision describing the result of the appeal and the rationale for the result; and
4. provide the written decision simultaneously to both parties and the Title IX Coordinator.

Any appeal will be resolved with 15 calendar days from the filing of the appeal.

The determination regarding responsibility becomes final if an appeal is filed on the date the parties are provided with the written determination of the result of the appeal or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

Temporary delays of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action are permitted. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; disciplinary processes required by law or School Board policy; or the need for language assistance or an accommodation of disabilities.

Recordkeeping

The School Board will maintain for a period of seven years records of:

1. each investigation of allegations of sexual harassment prohibited by this policy including any determination regarding responsibility and any audio or audiovisual recording or transcript, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to School Board's education program or activity;

2. any appeal and the result of the appeal; and
3. all materials used to train Title IX Coordinators, investigators, decision makers, and any person who facilitates an informal resolution process. These materials will also be made available on the School Corporation's website.

For each response required under this policy and federal law, the School Board must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment prohibited by this policy. In each instance, the School Board will document the basis for its conclusion that its response was not deliberately indifferent, and document it has taken measures designed to restore or preserve equal access to its education program or activity. If the School Board does not provide a complainant with supportive measures, then it must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

IV. Retaliation

Retaliation against students or school employees who report harassment or participate in any related proceedings is prohibited. The school corporation shall take appropriate action against students or school employees who retaliate against any student or school employee who reports alleged harassment or participates in related proceedings. The Title IX Coordinator will inform persons who make complaints, who are the subject of complaints, and who participate in investigations of how to report any subsequent retaliatory actions.

V. False Charges

Students or school employees who knowingly make false charges of harassment shall be subject to disciplinary action as well as any civil or criminal legal proceedings.

3430 - LEAVES OF ABSENCE

All professional staff members not otherwise covered by the terms of a currently-valid negotiated agreement of this Corporation shall be entitled to the same leave benefits provided in the master agreement with the Wa-Nee Education Association.

All requests for unpaid leaves of absence by professional staff members shall be presented to the School Board for approval.

The Board shall grant a leave of absence without loss of pay or time to any staff member who is a member of the Indiana National Guard, a reserve component of the U.S. forces, or a retired member of the naval, air, or ground forces of the United States and is on training duty for the State by order of the Governor or under the order of the reserve-component authority. Such a leave shall also apply without pay to State active duty by order of the Governor. The staff member's vacation benefits, if any, will not be affected by this type of leave.

A professional staff member who has been employed for at least twelve (12) months and is the spouse, parent, grandparent, or sibling of a person who is ordered to active duty is entitled to an unpaid leave of absence during one (1) or more of the following periods:

- A. during the thirty (30) days before active duty orders are in effect;
- B. during a period in which the person ordered to active duty is on leave while active duty orders are in effect; or
- C. during the thirty (30) days after the active duty orders are terminated.

The staff member must have worked at least 1,500 hours during the twelve (12) month period immediately preceding the day the leave begins.

The leave of absence allowed each year may not exceed a total of ten (10) working days.

The staff member may request to substitute any of his/her earned vacation, personal leave, or other paid leave except for paid medical or sick leave available for leave for any part of the ten (10) day period.

After a staff member takes a leave of absence, the staff member shall be restored to:

- A. the position the staff member held before the leave, or
- B. a position equivalent to the position that the staff member held before the leave with equivalent benefits and terms of the negotiated agreement.

The Board shall permit the staff member to continue his/her health care benefits during the leave at the staff member's expense.

Any professional staff member selected by the State Superintendent of Public Instruction as teacher of the year and who agrees to be "ambassador for education" shall be granted a one (1) year professional leave to serve as ambassador during the ambassador's term. During the term of the leave, the Corporation shall continue to provide the professional staff member all benefits of employment with the Corporation other than salary. 3430.01 - FAMILY & MEDICAL LEAVES OF ABSENCE ("FMLA")

In accordance with Federal law, the Board shall provide up to twelve (12) weeks of unpaid FMLA leave in any twelve (12) month period to eligible professional staff members for the following reasons:

- A-1. the birth of a child and/or the care of a newborn child within one (1) year of the child's birth;

- B-1. the placement of a child with the staff member by way of adoption or foster care and/or to care for the child within one (1) year of the child's arrival;

- C-1. the staff member is needed to care for a spouse, son, daughter, or parent if such individual has a serious health condition; or

- D-1. the staff member's own serious health condition prevents him/her from performing the functions of his/her position.

Employee Entitlement to Service Member FMLA

Leave Entitlement

Service member FMLA provides eligible employees unpaid leave for one, or for a combination, of the following reasons:

- A-2. A "qualifying exigency" arising out of a covered family member's (spouse, son, daughter, or parent) covered active duty or call to covered active duty in the United States Armed Forces including the National Guard and Reserves. Qualifying exigencies, as defined by Federal regulations, include: 1) short-notice deployment; 2) military events and related activities; 3) childcare and school activities; 4) financial and legal arrangements; 5) counseling; 6) rest and recuperation (maximum fifteen (15) calendar days); 7) post-deployment activities; and 8) caring for a military member's parent who is incapable of self-care when the care is necessitated by the member's covered active duty; 9) additional activities not encompassed in the other categories, but agreed to by the employer and employee. Covered active duty means deployment with the Armed Forces to a foreign country.

- B-2. To care for a covered family member, including next of kin as provided in the statute, who has incurred an injury or illness or aggravation of a pre-existing illness or injury while in the line of duty while on covered active duty in the United States Armed Forces, including the National Guard and Reserves, provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade,

rank, or rating. Covered active duty means deployment with the Armed Forces to a foreign country. This leave is also available to care for veterans of the United States Armed Forces, including the National Guard and Reserves, provided the veteran was a service member at any time within the five (5) years prior to the start of the treatment, recuperation or therapy. In accordance with applicable regulations, a veteran's serious injury or illness incurred or aggravated in the line of active duty can also be manifested by: 1) a physical or mental condition with a VA Service Disability Rating of fifty percent (50%) or greater and is the condition precipitating the need for leave; or 2) a physical or mental condition that substantially impairs the ability to secure or substantially follow a gainful occupation, or would do so absent treatment; or 3) an injury, including psychological, for which the veteran has been enrolled in the Dept. of V.A. Program of Comprehensive Assistance for Family Care Givers.

Duration of Service Member FMLA

- A. When leave is due to a "qualifying exigency": An eligible employee may take up to twelve (12) work weeks of leave during any twelve (12) month period. Such leave shall be counted with regular FMLA leave time in calculating the twelve (12) weeks of allowable leave.

- B. When leave is to care for an injured or ill service member: An eligible employee may take up to twenty-six (26) work weeks of leave during a single twelve (12) month period to care for the service member who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. This is a one time benefit per service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed twenty-six (26) weeks in a single twelve (12) month period.

- C. Service Member FMLA runs concurrent with other leave entitlements provided under Federal, State, and local law.

General Provisions

Professional staff members are "eligible" if they have worked for the Board for at least twelve (12) months, **and** for at least 1,250 hours over the twelve (12) months prior to the leave request. All full-time professional staff members are presumed to meet the 1,250 hour requirement if they were employed by the Corporation in this capacity for the preceding twelve (12) months. Months and hours that reservists or National Guard members would have worked if they had not been called up for military service count towards the staff member's eligibility for FMLA leave/Service Member Family Leave. Employment service time may be aggregated when the break in employment service is less than seven (7) years, is for fulfillment of military obligations, or if the employee is subject to recall under a written agreement (NOTE: this includes a collective bargaining agreement). All periods of absence from work due to or necessitated by USERRA-covered service is counted in determining an employee's eligibility for FMLA leave.

Twelve (12) month period is defined as the twelve (12) month period measured forward from the date the staff member's first FMLA leave begins (i.e. the "leave year" is specific to each individual staff member).

For Service Member Family Leave, the use of the twenty-six (26) weeks will be measured forward from the first date on which the employee takes leave.

Serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

- A. inpatient care, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or

- B. continuing treatment by a healthcare provider, including:
 - 1. a period of incapacity of more than three (3) consecutive calendar days and any subsequent treatment or period of incapacity relating to the same condition that also involves either in-person treatment two (2) or more times by a healthcare provider within thirty (30) days of the first date of incapacity, absent extenuating circumstances beyond the employee's control, or in-person treatment by a healthcare provider on at least one (1) occasion which results in a regimen of continuing treatment under the supervision of a healthcare provider;

The first visit to the healthcare provider must occur within seven (7) days of the first date of incapacity.
 - 2. any incapacity due to pregnancy or for prenatal care;
 - 3. any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
 - 4. a period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective;
 - 5. any period of absence to receive multiple treatments by a healthcare provider either for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three (3) consecutive days in the absence of medical intervention or treatment, such as cancer

(chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

- C. conditions for which cosmetic treatment are administered are not "serious health conditions" unless inpatient hospital care is required or complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomachs, minor ulcers, headaches other than migraines, routine dental or orthodontia problems, periodontal disease, etc., are conditions that do not meet this definition and do not qualify for FMLA leave.

Intermittent and Reduced Schedule Leave

The Superintendent may allow a staff member to take FMLA leave intermittently or on a reduced schedule for the birth, adoption, or foster care placement of a child (see A-1 or B-1 on page one). A staff member may take FMLA leave on an intermittent or reduced-leave schedule when medically necessary for his/her own serious health condition or to care for a spouse, parents, or dependent child with a serious health condition (see C-1 and D-1 on page one). Service Member Family Leave may also be taken on an intermittent or reduced-leave schedule when medically necessary.

The taking of such leave results in the total reduction of the twelve (12) or twenty-six (26) weeks only by the amount of leave actually taken.

If the intermittent or reduced-leave schedule is foreseeable based on planned medical treatment or the staff member is taking Service Member Family Leave, the Superintendent may require the staff member to transfer temporarily to an available alternative position which better accommodates recurring periods of leave. The alternative position shall have equivalent pay and benefits but not necessarily equivalent duties. Instructional staff members (i.e. individuals whose principal function is to teach and instruct students in a class, a small group, or an individual setting) who request intermittent leave or a reduced-leave schedule because of reasons (C-1) or (D-1) above or pursuant to Service Member Family Leave and the leave would exceed twenty percent (20%) of the total number of working days over the period of anticipated leave must elect either to:

- A. take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- B. transfer temporarily to an available alternative position offered by the Superintendent for which the instructional staff member is qualified, and that has equivalent pay and benefits and that better accommodates the recurring periods of leave than the staff member's regular position.

Staff Member Notice Requirement

Whenever the leave is foreseeable, the staff member shall provide the Superintendent with thirty (30) days notice. If there is insufficient time to provide such notice because of unforeseeable events, the staff member shall provide such notice as soon as possible and practical, generally not later than the next business day after the employee realizes the need for leave. Failure to follow the leave notice requirements may result in delay of obtaining the leave. Employees will still be required to comply with the absence reporting procedures at their buildings.

Wa-Nee Community Schools
Board Policy

When planning medical treatment or taking leave pursuant to Service Member Family Leave, the staff member must consult with the Superintendent and make a reasonable effort to schedule the leave so as not to unduly disrupt the regular operation of the Corporation, subject to the approval of the healthcare provider.

Substitution of Paid Leave

The staff member may request to substitute (i.e. run concurrently) any of his/her earned or accrued paid leave (e.g. sick leave, personal leave, assault leave, vacation leave, family leave) (per the applicable collective bargaining agreement) for unpaid FMLA leave (see A-1, B-1, and A-2).

The staff member may request to substitute any of his/her earned or accrued paid vacation, personal leave or sick leave (per the applicable collective bargaining agreement) for unpaid FMLA leave provided for either reason (C-1) or (D-1) on page one and B-2 on page two.

The staff member may request to substitute any of his/her earned or accrued paid vacation, personal leave, family leave or sick leave (per the applicable collective bargaining agreement) for unpaid Service Member Family Leave.

If the staff member has not earned or accrued adequate paid leave to encompass the entire twelve (12) week period of FMLA leave or twenty-six (26) week period of Service Member Family Leave, the additional weeks of leave to obtain the twelve (12) weeks of FMLA leave or twenty-six (26) weeks of Service Member Family Leave, the staff member is entitled to shall be unpaid. Whenever a staff member uses paid leave in substitution for unpaid FMLA leave/Service Member Family Leave, such leave counts toward the twelve (12) week/twenty-six (26) week maximum leave allowance provided by this policy.

Corporation Notice Requirement

The Superintendent will notify the staff member when the Corporation intends to designate leave as FMLA-qualifying. Such notice may be given orally or in writing and should be given within five (5) business days of the request. When verbal notice is given, it will be followed by written notice within five (5) business days. In the case of intermittent or reduced schedule leave, only one (1) such notice is required unless the circumstances regarding the leave have changed. If the Superintendent does not have sufficient information about the reason for the staff member's use of paid leave, the Superintendent may inquire further to ascertain whether the paid leave is FMLA-qualifying. Once the Superintendent learns that a paid leave is for an FMLA leave-qualifying reason, the Superintendent will notify the staff member within five (5) business days that the paid leave will count toward the staff member's twelve (12) week FMLA-leave entitlement. The notification will indicate whether the employee is required to provide a fitness-for-duty certification to return to work.

Limits

In cases in which the Board employs both spouses, the total amount of FMLA leave is twelve (12) weeks for the couple, except when the leave is due to the serious health condition of either spouse or a child. Additionally, the aggregate number of work weeks of leave to which both the husband and wife may be entitled pursuant to this policy is limited to twenty-six (26) work weeks during the single twelve (12) month period provided for in the Service Member Family Leave provision if the leave is taken pursuant to Service Member Family Leave or a combination of general FMLA leave and Service Member Family Leave.

Certification

When FMLA leave is taken for the staff member's own serious health condition or to care for a spouse, parents, or dependent child with a serious health condition (see C-1 and D-1 on page one), or Service Member Family Leave is taken, the staff member must provide medical certification from the healthcare provider of the eligible staff member, his/her immediate family member, or the next of kin of the individual. For service member leave, any certification permitted under 29 C.F.R. 825.310 shall be allowed.

Wa-Nee Community Schools
Board Policy

The staff member may either:

- A. submit the medical certification to the Superintendent; or

- B. direct the healthcare provider to transfer the medical certification directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

Staff members are not eligible for leave pursuant to this policy if they work elsewhere during leave pursuant to this policy.

In the event the staff member fails to provide medical certification, any leave taken by the employee is not FMLA leave/Service Member Family Leave.

When the need for FMLA leave is foreseeable and at least thirty (30) days' notice has been provided, the staff member must provide the medical certification before the leave begins. When this is not possible, the employee must provide the requested certification to the Superintendent within fifteen (15) calendar days after the staff member requests FMLA leave unless it is not practicable under the circumstances to do so despite the staff member's diligent and good faith efforts.

Any dispute over eligibility for FMLA leave shall be discussed between the employee and Superintendent. The Corporation shall be responsible for maintaining a record of those communications.

The Board reserves the right to obtain, at its expense, the opinion of a second healthcare provider and, in the event of conflict, the opinion of a third healthcare provider whose decision shall be binding and final. The staff member may either:

- A. submit the opinion of the second healthcare provider, and the opinion of the third healthcare provider if applicable, to the Superintendent; or

- B. direct the second or third healthcare provider to transfer his/her opinion directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

In the event that the staff member fails to provide the medical opinion of the second or third healthcare provider, if applicable, any leave taken by the staff member is not FMLA leave.

A staff member who takes leave for reason (D-1) on page one, prior to returning to work, must provide the Superintendent with a statement from his/her healthcare provider that s/he is able to resume work.

A staff member seeking to take leave pursuant to reason (A-2 or B--2) above must submit, in a timely manner to the Superintendent, an appropriate certification as described by Federal regulations.

Return from Leave

Upon return from any FMLA leave, the Board will restore the staff member to his/her former position or to a position with equivalent employment benefits, pay and conditions of employment. During FMLA leave, the Board shall maintain the staff member's current coverage under the Board's group health insurance program on the same conditions as coverage would have been provided if the staff member had been continuously

working during the leave period. If the staff member was paying all or part of the premium payments prior to going on FMLA leave, the staff member must continue to pay his/her share during the leave.

Any leave or return from leave during the last five (5) weeks of an academic term shall be reviewed individually by the Superintendent to minimize disruption to the students' program.

The staff member shall not accrue any sick leave, vacation, or other benefits during a period of unpaid FMLA leave.

The use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of the staff member's leave.

If the staff member fails to return to work at the end of the leave for reasons other than the continuation, recurrence, or onset of a serious health condition that entitles the staff member to leave pursuant to reasons (C-1) or (D-1) above or Service Member Family Leave, or for circumstances beyond the control of the staff member, the staff member shall reimburse the Board for the health insurance premiums paid by the Board during the unpaid FMLA leave period.

A staff member who fraudulently obtains FMLA leave is not protected by this policy's job restoration or maintenance of health benefits provisions.

The Superintendent shall prepare any guidelines that are appropriate for this policy and ensure that the policy is posted properly.

In any areas where discretion is allowed in the implementation of this policy or its guidelines for implementation, such discretion shall be exercised in a non-discriminatory manner. Similarly situated persons shall be treated similarly.

The Superintendent shall provide a copy of the policy to all staff members, and retain a record of how and when the policy was distributed. A notice of Rights and Obligations shall also be provided each time an employee requests FMLA leave or the Corporation has sufficient information to believe that the employee may qualify for FMLA leave.

The approval, denial and administration of leave under this policy will be governed by the Family Medical Leave Act of 1993, as amended, and its published regulations, as applied and interpreted by the Superintendent.

3437 - MILITARY SERVICE

The Board recognizes that military service by professional staff members is a service benefiting the entire school community and the Board is committed to supporting this service by providing military leave to eligible professional staff members. The Board reserves the right to establish conditions for leaves of absence for military service and reemployment in compliance with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) as amended and Indiana law.

As used in this policy, "military service" means the performance of duty on a voluntary or involuntary basis in a uniformed service of the United States, including:

- A. Federal active duty including Reserve and Guard members who have been called up;
- B. Federal active duty for training;
- C. Initial federal active duty for training;
- D. Inactive duty drills and annual training;
- E. State active duty for the Indiana National Guard;
- F. Absence from work for an examination to determine a person's fitness for federal or State duty;
and
- G. Funeral honors duty.

A professional staff member on leave for military service shall receive compensation in accordance with applicable law during the period of leave and shall continue to accrue seniority subject to any applicable collectively bargained agreement during the period of leave for military service. Staff members on leave for military service are entitled to continued health insurance coverage as if they were not on leave during absences for drills and absences for annual training. During leave for drills and annual training of not more than fifteen (15) consecutive or non-consecutive days per calendar year the staff member shall be entitled to continue to receive their pay from the School Corporation and retain their military pay.

For other absences for military service, a staff member may elect to continue health insurance coverage for the staff member and dependents under the following conditions. For longer periods of military service, the staff member shall have the option to continue health insurance coverage by paying 102 percent of the full employer and employee premium. If the staff member elects to take this coverage, the right to that coverage ends on the earlier of the day after the deadline for the staff member to apply for reemployment or twenty-four (24) months after the absence for military leave began. 3718 – STAFF MEMBER EDUCATION TECHNOLOGY ACCEPTABLE USE AND SAFETY

Staff members are expected to utilize Corporation Technology Resources and Information Resources to promote educational excellence in our schools by providing students with the opportunity to develop the resource sharing, innovation, and communication skills and tools that are essential to both life and work. The Board encourages the faculty to develop the appropriate skills necessary to effectively access, analyze, evaluate, and utilize these resources in enriching educational activities. The instructional use of the Internet and online educational services will be guided by Board Policy [2520](#) – Selection of Instructional Materials and Equipment.

The Internet is a global information and communication network that provides students and staff with access to up-to-date, highly relevant information that will enhance their learning and the education process. Further, Corporation Technology Resources provide students and staff with the opportunity to communicate with other people from throughout the world. Access to such an incredible quantity of information and resources brings with it, however, certain unique challenges and responsibilities.

Pursuant to Federal law, the Corporation has implemented technology protection measures that protect against (e.g., filter or block) access to visual displays/depictions/materials that are obscene, constitute child pornography, and/or are harmful to minors, as defined by Federal Law. At the discretion of the Board or Superintendent, the technology protection measures may be configured to protect against access to other material considered inappropriate for students to access. The Board also utilizes software and/or hardware to monitor online activity of students to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. The technology protection measures may not be disabled at any time that students may be using Corporation Technology Resources if such disabling will cease to protect against access to materials that are prohibited under the Children's Internet Protection Act. Any staff member who attempts to disable the technology protection measures without express written consent of an appropriate administrator will be subject to disciplinary action, up to and including termination.

The Superintendent or Designee may temporarily or permanently unblock access to websites or online educational services/apps containing appropriate material, if access to such sites has been blocked inappropriately by the technology protection measures. The determination of whether material is appropriate or inappropriate shall be based on the content of the material and the intended use of the material, not on the protection actions of the technology protection measures. The Superintendent or Designee may also disable the technology protection measures to enable access for bona fide research or other lawful purposes.

Staff members will participate in professional development programs in accordance with the provisions of law and this policy. Training shall include:

- A. the safety and security of students while using e-mail, chat rooms, social media, and other forms of direct electronic communications;
- B. the inherent danger of students disclosing personally identifiable information online;
- C. the consequences of unauthorized access (e.g., "hacking", "harvesting", "digital piracy", "data mining", etc.), cyberbullying and other unlawful or inappropriate activities by students online; and

- D. unauthorized disclosure, use, and dissemination of personally identifiable information regarding minors.

Furthermore, staff members shall provide instruction for their students regarding the appropriate use of technology and online safety and security and specified above, and staff members will monitor students' online activities while at school.

Monitoring may include, but is not necessarily limited to, visual observations of online activities during class sessions; or use of specific monitoring tools to review browser history and network, server, and computer logs.

The disclosure of personally identifiable information about students online is prohibited.

Building principals are responsible for providing training so that users under their supervision are knowledgeable about this policy and its accompanying guidelines. The Board expects that staff members will provide guidance and instruction to students in the appropriate use of the Corporation Technology Resources. All users of Corporation Technology Resources are required to sign a written agreement to abide by the terms and conditions of this policy and its accompanying guidelines.

Staff will be assigned a school email address that they are required to utilize for all school-related electronic communications, including those to students, parents, and other staff members.

Staff members are responsible for behavior comparable to that expected when they are in the classrooms, in school hallways, on other school premises and at school-sponsored events on Corporation Technology and Information Resources. Communications on Education Technology are often public in nature. The Board does not approve any use of its Technology Resources and Information Resources that is not authorized by or conducted strictly in compliance with this policy and its accompanying guidelines. Violations of this policy may result in disciplinary actions up to and including termination of employment.

General school rules for behavior and communication apply.

Users who disregard this policy and its accompanying guidelines may have their use privileges suspended or revoked, and disciplinary action taken against them. Users are personally responsible and liable, both civilly and criminally, for uses of Technology Resources not authorized by this Board Policy and its accompanying guidelines.

The Board designates the Superintendent and the Technology Director as the administrators responsible for initiating, implementing, and enforcing this policy and its accompanying guidelines as they apply to staff members' use of Corporation Technology and Information Resources.

3718.01 STAFF MEMBERS USE OF TECHNOLOGY

Technology has fundamentally altered the ways in which information is accessed, communicated, and transferred in society. As a result, educators are continually adapting their means and methods of instruction, and the way they approach student learning, to incorporate the vast, diverse, and unique resources available through the Internet. The School Board provides technology and information resources to support the educational and professional needs of its staff and students. The Board provides staff with access to the Internet for limited educational purposes only and utilizes online educational services and/or apps to enhance the instruction delivered to its students and to facilitate the staff's work. The Corporation's computer network and Internet system do not serve as a public access service or a public forum. This policy, its related administrative guidelines, any applicable employment contracts and/or collective bargaining agreements govern staff members' use of the Corporation's technology and information resources and staff members' personal communication devices when they are connected to the Corporation's computer network, Internet connection and/or online educational services and/or apps, or when used while the staff member is on Corporation-owned property or at a Corporation-sponsored activity as a school employee.

Staff members are prohibited from engaging in actions that are illegal or unkind when using Corporation technology and information resources. Staff members have no right or expectation to privacy when using Corporation technology and information resources including, but not limited to, privacy in the content of their personal files, e-mails, and records of their online activity when using the Corporation's computer network and/or Internet connection.

Staff members are expected to utilize Corporation technology and information resources to promote educational excellence in our schools by providing students with the opportunity to develop the resource sharing, innovation, and communication skills and tools that are essential to both life and work. The Board encourages teachers to develop the appropriate skills necessary to effectively access, analyze, evaluate, and utilize these resources in enriching educational activities.

Social Media Use

An employee's personal or private use of social media may have unintended consequences. Any employee's post which is inflammatory, related to matters of private concern that could compromise the Corporation's mission, undermine staff relationships, or cause a substantial disruption to the school environment are prohibited. This prohibition includes staff members' online conduct that occurs off school property including from the employee's private computer. Postings to social media should be done in a manner sensitive to the staff member's professional responsibilities. Violations of this prohibition may be subject to disciplinary action up to and including termination of employment.

In addition, Federal and State confidentiality laws forbid schools and their employees from using or disclosing student education records without parent consent (see Board Policy [8330](#)). Education records include a wide variety of information and posting personally identifiable information about students is not permitted. Staff members who violate State and Federal confidentiality laws or privacy laws related to the disclosure of confidential student or employee information may be disciplined, up to and including termination of employment.
