Classroom Assignments 2024-25

HOW ARE NEXT YEAR'S CLASSROOM ASSIGNMENTS FORMED?

In the Spring, teachers meet with the principal to create classroom assignments based on a variety of criteria. We will engage in a strategic process to best build successful classes for the 24-25 school year. This process is taken very seriously.

CAN I REQUEST A TEACHER FOR MY SON OR DAUGHTER? We

realize that at times there may be valid educational reasons for

requests. With this in mind, requests must be made using the official Wa-Nee Community School Corporation Request for Classroom Assignment Form. **All forms must be picked up in the office and returned to the office by the parent. The window for submitting these requests is April 8-12 @ 3:30.** The educational rationale for this request must be listed on the form. Due to the teamwork process that teachers take part in alongside school leadership, parent requests cannot always be kept confidential. These request forms will be kept in the school office and may only be obtained by a parent upon request. Requests written on a sheet of paper, card, faxed, or e-mailed will not be accepted. They must be returned by the due date without exception.

CAN I CHANGE CLASSROOM ASSIGNMENTS AFTER Classes have been assigned?

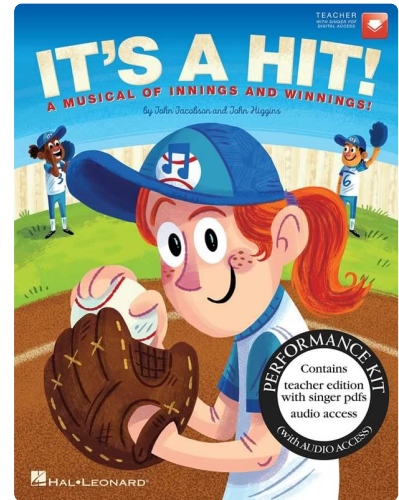

Due to the above process change requests are not allowed once placed. Only under rare and abnormal circumstances would such a request be considered.

2nd and 3rd Grade Concert

It's A Hit!

A new girl in town has joined the boys baseball team. No problem. But wait! She wants to be the pitcher? Join us on Tuesday, April 23rd at NorthWood High School 7:00 pm for this fun baseball themed production. Students should report to the High School Cafeteria at 6:40 and wear baseball themed clothing.

Kindergarten Round-Up

Kindergarten Roundup for next school year began on Monday, March 1st. If you haven't yet done so, please initiate the Kindergarten enrollment process by following a link on the corporation website: <https://www.wanee.org/Enrollment.aspx>. After parents have submitted the information sheet, they will be sent an e-mail containing a link to an informational video, along with enrollment paperwork. Once the office has received completed paper forms, parents will be contacted by the school office to schedule an appointment in May to have their child assessed. Other documentation required to enroll your student (Birth Certificate, Immunization Record and Proof of Residency) must also be submitted prior to scheduling the assessment. In order to attend kindergarten for next year, students must be five years old on or before August 1, 2024.

E-Learning Day - Monday, April 8th

© CanStockPhoto.com

Please be sure to contact your child's teacher if you have questions about assignments. Teachers will be available via email during school hours on E-Learning days.
