

## Observer Access to Canvas (for parents, guardians, mentors, counselors, etc.)

### How to access Canvas if I do not have a pairing code:

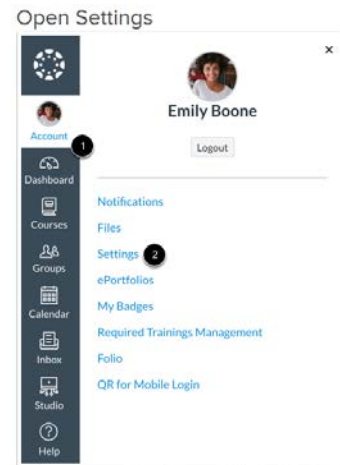

A student will need to generate a pairing code to link an observer account to their Canvas account. A separate pairing code will need to be created for each observer who wants to link to the student.

Step 1:

Log in to the student's Canvas account and follow the steps in this lesson.

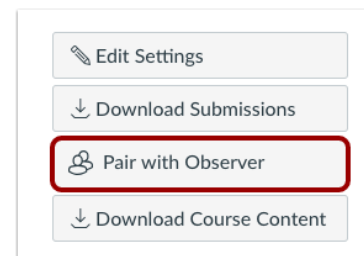

wanee.instructure.com

Click the **ACCOUNT** link,  
Then click the **SETTINGS** link

Click on the **“Pair with Observer”**  
button

### Pair with Observer

Click the **Pair with Observer** button.

Copy the six-digit pairing code. The pairing code will expire after seven days. Pairing codes are case sensitive.
