

Canvas: Student Login and Access

Nappanee Elementary School 2020-21

Welcome to Canvas, the new Learning Management System for Wa-Nee Community Schools. Please follow the steps below to learn how students and parents will login to Canvas to access a student's courses for their educational needs.

1. Login to <https://wanee.instructure.com> or use the Canvas shortcut on your school device. Please read and agree to the Acceptable Use Policy.
 - a. Find our school by searching Wa-Nee Community Schools if needed.
 - b. A student's login is their district computer login
 - i. Username: example 12abcdef@students.wanee.org
(See separate login sheet included with your device)

 - ii. Password: example Ab123456
(See separate login sheet included with your device)

 1. You may choose to stay logged in.
 - c. A parent's login is the login they will setup to view their child's courses.
 - i. You may utilize this resource by going to <https://wanee.instructure.com/login/canvas> and clicking on Parent of a Canvas User.
 - ii. Another option is to download the Canvas Parent app from your device's app store.
 1. Parent pairing codes will be available beginning the week of August 17, 2020.
2. Once logged in, click on the Homeroom course to begin finding information, instructions, and assignments. Courses will be available beginning Monday, August 17, 2020.
3. Please login to Canvas daily for updated lessons and assignments.
