# COLLEGE AND CAREER NEWSLETTER

Volume 47  
April 14, 2021

## COLLEGE INFORMATION

⇒ College Board is hosting a regional series of virtual college fairs for high school juniors to help connect them with hundreds of colleges, admissions officers, and current college students. BigFuture Days are designed to give students a tailored experience so that they can establish connections with colleges and take action on important college planning tasks, like building a college list and identifying scholarships to apply for. BigFuture Day Midwest is scheduled for Sunday, April 18th. Register [here](#).

⇒ Seniors will soon be receiving information from the counseling office on ordering transcripts from their dual credit classes at NorthWood. These need to be sent directly to the students' enrolling university for the credit to be counted. This can not be completed until the summer and the counseling office can not do it on the students' behalf.

## CAREER SPOTLIGHT: RADIATION THERAPIST

**Description:** Treat cancer and other diseases in patients by administering radiation treatments

**Median Salary:** \$38.49 hourly (\$77,000 annually)

**Job Outlook:** 13% - Higher than Average

**Requirements:** Associate's Degree

**Programs:** [Ivy Tech Community College](#)

- currently offered on Bloomington campus

## PAYING FOR COLLEGE

Seniors need to continue to check the Scholarships section in Naviance. All current scholarships have been posted here, along with criteria, deadlines, and application processes. Students should also be listening to the announcements and reading the video monitors around the building for timely and relevant information.
