## Your Safety

### Gas Safety

In case of an emergency, such as odor of gas,  
carbon monoxide or fire:

1. Leave the building or area immediately.
2. Leave windows and doors in their positions and avoid doing anything that could cause a spark.
3. From a safe place, away from the building or area, call **911** and NIPSCO at **1-800-634-3524**.

### Always Call 8-1-1 Before You Dig

If you're planning a home or landscaping project, call Indiana 811 at least two business days before digging. A representative will mark the approximate location of underground utility lines for free.

### Employee Identification

All our employees and contractors carry photo identification. Ask to see it before allowing anyone who claims to be a utility representative into your home. Call the police if you see suspicious activity.

## Helpful Definitions

### Gas Service Definitions

**Gas Delivery Charges** are the costs of delivering gas to retail customers. The charges for these services are regulated and these services must be purchased from the local distribution company.

**Therm (thm)** is equal to 100,000 Btus and is the basic billing unit for gas.
