Your Safety

Gas Safety

In case of an emergency, such as odor of gas,
carbon monoxide or fire:

1. Leave the building or area immediately.
2. Leave windows and doors in their
positions and avoid doing anything that
could cause a spark.
3. From a safe place, away from the building
or area, call **911** and NIPSCO at **1-800-634-
3524**.

Always Call 8-1-1 Before You Dig

If you're planning a home or landscaping
project, call Indiana 811 at least two business
days before digging. A representative will mark
the approximate location of underground
utility lines for free.

Employee Identification

All our employees and contractors carry photo
identification. Ask to see it before allowing
anyone who claims to be a utility
representative into your home. Call the police
if you see suspicious activity.
