Notes From Your Nurses

Dear Wa-Nee Parents and Guardians,

During these difficult times, we would like to provide as much support as possible to you and your student. Our nurses would like to offer general health guidance to your student while we remain out of school. Wa-Nee will have one of our school nurses on call every day to answer questions you may have about your students' health. We will be available M-F from 8:00am-3:30pm. This service will be available until May 1st as we are projected to return to school May 4th. We can be reached by calling

574-354-7434. This will start on Monday March 30th.

We miss your students and hope you are all doing well and staying healthy.

Your School Nurses,
