

OPTIONAL Virtual Field Day!

What? An **OPTIONAL** Virtual Field Day that you can practice and participate in from home, with household objects. These are one-minute events where you will try to score as many points as possible. This Field Day is taking place all across our country in the month of May!

Who? Any WA-NEE Elementary student who's interested.

When? Complete and submit your event score and picture/video sometime by May 9th.

How? 1. Get your parent's permission to participate.
2. Choose **ONE** event you'd like to participate in. Click this link below to check out the events:

3. Collect the objects, or something like them, that you'll need for your event, from around your home.
4. Practice as much or as little as you'd like to before it's time to compete.
5. Compete in your event sometime between now and May 9th, and send your P.E. teacher a video, photo, **OR** just your final scores of you participating!
