A. Salary Range

\$41,000 to \$69,100 not including current year increases or TRF contributions

B. Base Salary Increases

a. General Eligibility

To be eligible for a salary increase, a teacher:

- i. Must not have been rated ineffective or improvement necessary in the prior year; AND
- ii. Must have been employed at least 120 days in the prior year

A teacher who does not satisfy these eligibility criteria remains at their prior year salary

All full time (1.0 FTE) teachers eligible for a salary increase will receive a minimum of a \$3600 raise. Any teacher whose \$3600 increase does not move him/her to the first step on the salary schedule shall automatically be placed at step 1.

C. Factors and Definitions

- a. (Evaluation Rating) The results of an evaluation – The teacher did not receive a rating of ineffective or improvement necessary in the prior year
- b. (Experience) The teacher was employed by a school corporation for at least 120 days in the prior school year.
- c. (Academic Need) Academic needs of students in the corporation - The parties define academic need as the need to retain teachers. The parties agree that in order to retain our teaching staff, WCS must utilize a Teacher Retention Catch-up increase amongst employees with identical experience and education so that current employees are earning salaries commensurate to those offered to teachers new to WCS with six (6) to eighteen (18) years of experience. The Teacher Retention Catch-up shall occur during the 2023-2024 school year only and will not be included in the education/experience portion of the 50% cap calculation.

D. Distribution

- a. Evaluation Rating of highly effective or effective = 30 steps higher on salary scale.
- b. Experience = 6 steps higher on salary scale.
- c. (Academic Need) The need to retain teachers through a Teacher Retention Catch-up increase = N/A
 - i. Subject to superintendent discretion (and limited by discretionary parameters bargained for new hires), current teachers will be moved to a salary level that is commensurate with the education and experience of new hires with six (6) to eighteen (18) years of experience.

Teachers that currently are at or that reach the top of the salary schedule as a result of the increase shall receive a salary increase up to the top of the salary schedule and a stipend for the remaining amount awarded. The remaining amount allocated for the stipend shall be paid in one lump sum the first pay in March.

The factor of experience accounts for 16.7% of the maximum available salary increase. ($\$600/\$3600=16.7\%$)

E. Redistribution

Any funds otherwise allocated for teachers who were rated ineffective or improvement necessary will be equally redistributed to all teachers rated effective or highly effective. The redistribution will be in the form of a stipend that will be paid at the end of the school year.

F. New Hires (Teachers Employed in Their First Year with Wa-Nee Community Schools)

Teachers newly hired will be placed on the salary schedule at a level commensurate with the education and experience of current staff (minimum: \$44,000; maximum: \$72,600). However, the Superintendent shall have the discretion to bring a new hire in up to thirty (30) steps above or thirty (30) steps below the salary commensurate with the new hire's education and experience so long as this does not exceed the salary range.

G. Each teacher shall be compensated in twenty-six (26) equal pays.

6.11 EXTRA-DUTY SCHEDULE

The parties agree that the extra-duty schedules to be affected by this Agreement are accurately reflected in Appendix A.

6.12 MILEAGE REIMBURSEMENT

Teachers will be reimbursed for approved business mileage at the rate allowed by the Internal Revenue Service.

6.13 INSTRUCTIONAL HOURLY RATES FOR APPROVED NON-CREDIT SUMMER BAND, ADULT EDUCATION INSTRUCTIONAL PROGRAMS, AND SUMMER CURRICULUM WRITING

- A. Teachers employed to teach summer band, adult education classes, and other approved non-credit classes shall be reimbursed an hourly rate of \$36.
- B. Teachers completing approved summer curriculum writing shall be paid at a rate of \$20.00 per hour for the agreed upon number of hours.

6.14 COMPENSATION FOR EXTENDED CONTRACTS

- A. Teachers that receive extended contracts shall be compensated at their daily rate of pay for each day beyond the regular teaching contract.
- B. If it becomes necessary for a summer school teacher to be absent for sick/family leave, the employee's sick time will be used. For sessions of 20 days or less one (1) absence may be used. For all other sessions a maximum of two (2) absences may be used.

6.15 IN-HOUSE SUBSTITUTE PAY (Portions of this provision unrelated to wages are the school's policy, were not bargained, and are included for informational purposes only.)

- A. When no substitute is available to replace an absent teacher, then a teacher in the building

may be requested, by the building administrator or his/her designee to substitute. Teachers who forfeit a preparatory period to provide coverage for another teacher shall be paid the following amounts:

1. High School - \$20 per loss of a full prep period
2. Middle School - \$15 per loss of a full prep period
3. Elementary School - \$15 per loss of a full prep period to provide coverage for a scheduled special

If any such grievances arise, the grievances shall be submitted to the following grievance procedure.

SECTION 2- PROCEDURES

STEP ONE

Within twenty (20) working days of the time that the grievant knows, or reasonably should have known of the alleged contract violation or misinterpretation, the grievant shall present the grievance to the building principal. Within three working days after the presentation of the grievance, the building principal shall orally answer the grievant.

STEP TWO

- A. Within (10) working days of the oral answer, if the grievance is not resolved, the grievance shall be stated in writing, signed by the grievant and submitted to the building principal on the form mutually agreed upon by the Board and the Association. The proper grievance report form is attached to this agreement as Appendix D.
- B. The grievant shall (1) name the employee involved, (2) state the facts giving rise to the grievance, (3) identify the specific provisions of the Agreement alleged to be violated, (4) state the contention of the grievant with respect to each alleged contract violation or misinterpretation, and (5) indicate the specific relief requested.
- C. Within three (3) working days after the grievance has been submitted in writing to the building principal, the grievant and the building principal shall meet to discuss the grievance.
- D. Within (5) working days after receiving the written grievance, the building principal shall communicate an answer in writing to the grievant. If further investigation is needed, additional time may be allowed by mutual agreement of the principal and the grievant, subject to Section 4-A.

STEP THREE

- A. If the grievance is not resolved in Step Two, the grievant may, within five (5) working days of receipt of the principal's answer, appeal to the Superintendent by filing the grievance and the principal's answer, along with any written response of the grievant to the answer of the principal, with the Office of the Superintendent.
- B. Within three (3) working days after the appeal has been filed, the grievant and the Superintendent, or the Superintendent's designated representative, shall meet to discuss the grievance.
- C. The Superintendent or designated representative shall give the grievant an answer in writing no later than five (5) working days after receipt of any written grievance properly filed with the Superintendent. If further investigation is needed, additional time may be allowed by mutual agreement of the Superintendent and the grievant. (See Section 4-A)

STEP FOUR

- A. Within five (5) working days after receiving the decision of the Superintendent, an appeal from the decision may be made to the Administrative Grievance Committee. The Administrative Grievance Committee shall be composed of the Superintendent and one other Central Office Administrator, and two representatives of the Board.
- B. The Superintendent and one other Central Office Administrator, and two representatives of the Board and the grievant and an association representative shall meet within a reasonable time, not to exceed five (5) working days unless a longer time is mutually agreed upon between the parties, to discuss the grievance. (See Section 4-A)
- C. The Administrative Grievance Committee shall give the grievant an answer in writing no later than five (5) working days after the committee has met with the grievant to discuss the grievance in question.

STEP FIVE

If the grievance is not satisfactorily resolved in Step Four, the Association may within one hundred (100) working days of receipt of the Administrative Grievance Committee's decision, appeal to a court of competent jurisdiction. Failure of the Association to file such an appeal within one hundred (100) working days shall result in waiver of the grievance and any appeal thereof.

SECTION 3- HEARINGS OR MEETINGS

Hearings or meetings shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons. Hearings or meetings shall be conducted during non-school hours, unless there is mutual agreement for other arrangements. At the request of the grievant, the Association shall have the right to have a representative of the Association present at such hearings or meetings. Time limits herein may be extended only by mutual agreement signed by both parties.

- A. If there is a failure at any step to communicate the decision on a grievance or to meet with the grievant within the specified time limit, the grievant shall then have the right to appeal at the next step of the procedure.
- B. Any grievance not advanced from one step to the next within the specified time limits, shall be deemed resolved by the answer at the previous step.
- C. Copies of all documents, communications, and records dealing with the processing of a grievance shall be made available to the Association at the request of the grievant.
- D. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants and are not valid basis for evaluations.

EXTRA-DUTY ASSIGNMENTS

Unless otherwise indicated, the extra-duty salary is the total amount to be paid for an extra-duty assignment. The positions may be split evenly between two employees with mutual agreement between the parties fulfilling the responsibility and the administration.

It is understood by both parties that the establishment of the extra-duty pay within the designated range is the sole responsibility of the Superintendent and the Board.

Extra assignments as set forth in the Extra-Duty Schedule will be offered to teachers on a voluntary

basis. No teacher will be given a negative evaluation for not accepting an extra-duty assignment as set forth in the Extra-Duty Schedule nor for applying for release under this provision. This provision is the school's policy, was not bargained, and is included for informational purposes only.

If, after this Contract has been ratified by the Parties concerned, it becomes necessary for the Board to establish new or additional extra-duty assignments not listed in said Extra-Duty Schedule, then it is understood that the Board retains its sole authority to determine said extra-duty assignments. The establishment of the extra-duty salary range for these assignments shall be mutually agreed upon by the Superintendent and members of the Association Welfare Committee and /or its representatives. These extra-duty assignments and the salary range will become negotiable with the Association at the expiration of the present Contract.

The Parties understand that the Board retains its sole authority to hire, promote, transfer, retain or remove any person from any or to any position for which additional compensation is paid.

*These stipends have limited availability and will be paid only to those teachers who qualified for and were receiving the stipends on the date this contract was executed.

Wa-Nee Community Schools will offer a tuition reimbursement stipend for any teacher of the Wa-Nee Community School's that has attained coursework necessary to teach dual credit or under the new Higher Learning Commission requirements, enrolls in continuing education necessary for certification to teach dual credit classes, and is currently employed by Wa-Nee Community Schools. Wa-Nee Community Schools will also offer a tuition reimbursement stipend for any teacher of the Wa-Nee Community School's that enrolls in continuing education necessary for certification to be

the teacher of record for English Language Learner students and is currently employed by Wa-Nee Community Schools. Wa-Nee Community Schools will pay a reimbursement stipend up to \$500 per credit hour successfully completed by the teacher for a maximum of 18 credit hours. Any reimbursement stipend paid shall be for only tuition or book fees incurred and documented by the teacher. By accepting the stipend, the teacher commits to continued employment with Wa-Nee Community Schools during the time the teacher is completing the certification and for five years following completion of the certification. Additionally, upon completing the certification, the teacher shall receive an additional \$1,250 in compensation annually for teaching the dual credit course(s) or serving as the teacher of record for English Language Learners.

A teacher receiving the stipend who leaves Wa-Nee Community Schools prior to the completion of five years of employment after certification will be responsible for repayment of the stipend. If a teacher completes one year of the five year term, the teacher shall repay 90% of the stipend; if the teacher completes two years of the five year term, the teacher shall repay 80% of the stipend; if the teacher completes three years of the five year term, the teacher shall repay 50% of the stipend; and if the teacher completes four years of the five year term, the teacher shall repay 25% of the stipend. Repayment of the stipend shall be paid in 24 equal monthly installments beginning the first day of the first month following the resignation or termination date. The teacher may make any payment prior to the date due without penalty. If a teacher receiving the stipend leaves Wa-Nee Community Schools before completing the certification or without completing one year of the five year commitment, the full amount of the stipend that teacher received shall be repaid on the effective date of teacher's resignation or termination. Any late payments will bear interest from the date the payment was due until paid at the statutory annual rate. Failure to make any monthly payment in a timely manner in the proper amount shall cause the full amount to become immediately due and payable. If an action is brought for collection of these payments against the teacher, the teacher shall pay all reasonable attorneys' fees and costs of Wa-Nee Community Schools.

In the event a teacher retires after completing at least three years of the five year term and does not accept other employment in a certificated position with another public, private or charter school in the State of Indiana, the teacher shall not be responsible for repaying any portion of the stipend. In the event a teacher becomes eligible for disability benefits at any time before or after completing the certification, the teacher shall not be responsible for repaying any portion of the stipend.

Wa-Nee Community Schools
Elkhart-Kosciusko Counties, Indiana
CERTIFIED EMPLOYEE SICK LEAVE BANK ENROLLMENT FORM

I hereby voluntarily enroll in the Wa-Nee Community School's Certificated Employee Sick Leave Bank and do authorize the Wa-Nee Community Schools to permanently deposit two of my sick leave days in the Sick Leave Bank. I do so with the following understandings.

1. My enrollment and two day deposit makes me eligible to borrow from the sick leave bank in the event that my own accumulated and current year's allotment of sick leave days is completely exhausted.
2. When my employment with the Wa-Nee School Corporation is terminated, the days that I have deposited to the Sick Leave Bank are not returnable to me.
3. I understand that my eligibility to borrow from the Sick Leave Bank (in case my own accumulated Sick Leave including the current year's sick leave days is exhausted) is dependent upon my prior enrollment and deposit of two days to said Sick Leave Bank. Certificated employees must enroll during the enrollment period or upon initial employment in the system.
4. I cannot borrow more than 180 sick leave days, including my own accumulation, in any one school year.
5. I may borrow from the Sick Leave Bank in more than one school year and on more than one occasion provided that the total of days borrowed and not yet repaid does not exceed 180 days.
6. I am to repay borrowed days as the rate of 5 per year, over a period of years, when I do return to active employment with the Wa-Nee Community Schools.
7. In the event of my death my estate is not charged with days I owe to the Sick Leave Bank.
8. A statement by one or more doctors, possibly including one appointed by the school board, may be required of the certificated employee to borrow extensively from the bank.

Days _____ Beginning date to borrow _____

Due to a prolonged illness or disability, I have now exhausted my current year’s allotment of sick leave days as well as my accumulated sick leave days. Since all allotted sick leave days are presently exhausted, I hereby make official request to borrow from the Wa-Nee Community Schools’ “Certified Employees Sick Leave Bank” with full knowledge of the limitations and my obligation to repay said bank as per agreement.

I hereby request to borrow sick leave bank days as needed within limitations of Board policy until my health permits me to return to active duty as a certified employee with the Wa-Nee Community Schools (maximum 180 days if under professional contract with the Wa-Nee Community Schools.)

My request to borrow sick leave days from the “Certified Employee’s Sick Leave Bank” is made with full knowledge of my obligation for repayment as follows:

I agree to repay the Sick Leave Bank at the rate of at least five (5) days per year when I do return to active employment with the Wa-Nee Community Schools.

If my health permits me to return to active employment and for certain reasons, I elect not to return to active employment with the Wa-Nee Schools, or elect to accept employment elsewhere, I hereby agree to repay the Wa-Nee Schools Community Schools for the sick leave days I have borrowed from the Wa-Nee Certified Employee’s Sick Leave Bank in a cash amount equal to that paid my substitute during the time I borrowed from said Sick Leave Bank, but in no case more than I would have earned.

I further agree to repay this cash amount in total upon electing not to return to active employment (should my health permit) with the Wa-Nee Schools-or at the rate of a cash amount equal to ten (10) substitute days per year over a necessary consecutive period of years immediately following my health eligibility to return to active employment. Health eligibility to be determined by appointed or approved physician. I also agree that any amount of unpaid balance due by me after five years after the end of employment on said repayment plan at the above stated rate per year, shall become due immediately upon request by Wa-Nee Community Schools.

In the case of continued disability or in event of death, it is understood that I, my family, or estate will have no obligation in regard to this agreement. Disability to be verified by Board approved or appointed physician.
