### TUESDAY

cereal and mac and chese

### WEDNESDAY

tomato sauce and pasta

### THURSDAY

cans of soup and paper products

### FRIDAY

boxed meals, canned goods, and \$\$

### SATURDAY

trick-or-treat for cans!

## FOOD DRIVE WEEK IS ALMOST HERE!

We have a lot of things planned for this year's food drive, and are hoping to make it our most successful drive yet!

Throughout **NEXT WEEK**, we encourage you to bring as many nonperishable food items as possible to your 3rd period class and participate in the competition. Points will be calculated throughout the week and at the end, the 3 classrooms with the highest average point totals will be awarded cookies and milk! You can also bring in items the following Monday after you go Trick-Or-Treat for Cans on Halloween! Every day there will be certain items that can earn you double points for your class. See the list below.

Aside from bringing in items during the week, we thought it would be a fun idea to have a community wide trick-or-treat for cans. You can go trick-or-treating like normal, but instead of asking only for candy, ask them if they have any cans they would be willing to donate as well. This is a fun way to walk around and enjoy Halloween with your friends, while at the same time being able to make a meaningful contribution to our community.

We kicked off our event on October 1 with placing food donation boxes in several Nappanee and Waky locations, including Martins, Nappanee Public Library, and Grandma's Pantry. These boxes will be available until the end of October. This way the whole community can help and donate!

We will be placing Martin's bags on the doors of many local neighborhoods to place nonperishable items in an effort to get an even bigger group of people in involved in the effort.

With all of these options to donate, we are optimistic that we will receive enough food to help many more people than ever before. But we need your help!

---

## NWHS COMMUNITY SERVICE AND LEADERSHIP

 @nwstuco

This food drive is being organized by NWHS's Community Service and Leadership class with assistance from Student Council. The purpose of this drive is to collect food and monetary donations from high school students to raise both money and food for underprivileged citizens in our community.
